## **The Aliens**

Training the Best Dog Ever, originally published in hardcover as The Love That Dog Training Program, is a book based on love and kindness. It features a program of positive reinforcement and no-fail techniques that author Dawn Sylvia-Stasiewicz used to train the White House dog, Bo Obama, and each of Senator Ted Kennedy's dogs, among countless others. Training the Best Dog Ever relies on trust and treats, not choke collars; on bonding, not leash-yanking or reprimanding. The five-week training program takes only 10 to 20 minutes of practice a day and works both for puppies and for adult dogs that need to be trained out of bad habits. Illustrated with step-by-step photographs, the book covers hand-feeding; crate and potty training; and basic cues—sit, stay, come here—as well as more complex goals, such as bite inhibition and water safety. It shows how to avoid or correct typical behavior problems, including jumping, barking, and leash-pulling. Plus: how to make your dog comfortable in the world—a dog that knows how to behave in a vet's office, is at ease around strangers, and more. In other words, the best dog ever.

You can awaken 20 minutes before, take 20 minutes from lunch, after work, or just before bed - the decision is totally up to you. Just do it! Remove all excuses and distractions. Imagine if you just use 20 minutes a day to create a spark for your business. That small spark can turn into a major flame! How do you create this spark for your business? It's through promotion. Promotion isn't something that ought to be done randomly, just when you think you have sufficient energy to do it. Honestly, as an entrepreneur who's always busy, you're never going to have room schedule-wise. Consequently, you need to make time for what's important.
