Last Hope for Survival

A game of survival, exploration, and discovery, No Man's Sky is one of the fastest-growing phenomena in video game history, attracting and astounding players of all ages. The game's 18 quintillion planets are procedurally generated, meaning you could very well be the first person to ever set eyes on a planet that even the game developers never encountered—a true testament to the game's innovation. The very first unofficial guide, Limitless Sky: No Man's Sky Unofficial Discovery Guide will provide not only an introduction to the hottest video game, but it'll also teach you how to get more out of your valuable playtime—exploring vast areas, fighting pirates, upgrading your ship or spacesuit, avoiding Sentinels, and identifying new species and resources. This full-color book shares strategies, examines the creation of the impressive procedurally generated planets, and provides a glimpse at what's to come in this ever-expanding universe.

Fortnite Battle Royale Ultimate Winner's Guide

For young Fortnite players, this might be the ultimate reading experience—a graphic novel adventure with hundreds of full-color images that takes them into the world they love best! The mission is simple: Four kids must save what 's left of humanity by crossing a Husk-infested landscape to a secret government installation packed with volatile rocket fuel and state of the art security systems. Then, they must launch a satellite into space before a gigantic maelstrom smashes them to bloody splinters. If it were easy, it wouldn ' t be Fortnite. When 98% of the world ' s population disappears in the blink of an eye, the isolated survivors, four teenagers named Cody, Sarah, Idris, and Kiki each cower in the ruins of their homeland, pounded by strange storms and hunted by ravenous monsters. One by one they discover a hopeful sign of life from afar, a Beacon, that calls on to them to keep moving in search of answers. In their pursuit of the source of this signal, they find each other and struggle to get past their differences. It won ' t be safe or easy, but their survival, and that of humanity, relies on them learning to work together in search of answers. They are, after all, humanity ' s last hope. Will they find a way to survive and start again in the aftermath of the deadly storm, or die trying?

Twelve-year-old Grey has been sucked into a hacked, virtual reality version of Fortnite Battle Royale along with one hundred other players. To get home, he must become one of the top five players before the season ends, or he's stuck in Fortnite for another two months. Grey and his friend have gone up in ranks and are learning how to build structures to improve their tactics. While they're not at the top by any means, they are solidly in the middle of the pack. They aspire to be like the Top Player, who has been unbeatable for fifteen games in a row. No one knows how the Top Player does it, but everyone is chasing him. Before Grey can aspire to beat the Top Player, though, he has to get through the Rival players that are just above him. These players are threatened by him and his friend and hunt them down in every battle. Grey wants to beat them, but he can't figure out how. How can Grey survive long enough to beat the Top Player? And will he ever escape the Fortnite world?
