Dying to Live introduces Brendon Merullo, a boy with the usual childhood fantasies of winning the World Series for the Yankees, the NBA Championship for the Knicks, and the Super Bowl for the Jets. Unfortunately for the cause of New York sports, he puts away his dreams and then works—hard—and makes a success of his life, at least, according to the world's standards. The author, Vincent J. Monteleone, shares the outcome of dreams and work colliding: The eight-year-old version of me would actually be disgusted with the man I grew up to be. I rarely do anything that I want to do during the day because I am too busy working. Then when I get home I am too tired to do anything fun or that I want to do. Usually I just end up sitting on the couch in front of the television like a zombie until I cannot keep my eyes open any longer and it is time to go up to bed to rest up for another day of the daily grind. But then, one day Brendon goes to the doctor and hears news he never expected to hear. From that moment on, he begins to discover the deep truths about life and death. Dying to Live will inspire you to look at your own life in a fresh way and draw you in to turn its pages to find out what happens to Brendon Merullo.

She hired him from Rent for Your 'Rents, a company specializing in providing fake boyfriends trained to impress even the most traditional Asian parents. Drew Chan's passion is art, but after his parents cut him off for dropping out of college to pursue his dreams, he became a Rent for Your 'Rents employee to keep a roof over his head. Luckily, learning protocols like "Type C parents prefer quiet, kind, zero-PDA gestures" comes naturally to him. When Chloe rents Drew, the mission is simple: convince her parents fake Drew is worthy of their approval so they'll stop pressuring her to accept a proposal from Hongbo, the wealthiest (and slimiest) young bachelor in their tight-knit Asian American community. But when Chloe starts to fall for the real Drew—who, unlike his fake persona, is definitely not 'rent-worthy—her carefully curated life begins to unravel. A Court of Thorns and Roses Collector's Edition

Summary of *A Court of Thorns and Roses* Feyre is hunting to feed her family, but she wishes she could just hang out and paint. Under her huntress exterior lays the heart of an artist. This first chapter actually reads a bit like the *Hunger Games*, but it seems pretty unfair to complain just because a different female character is hunting. She's about to kill a doe, but a massive wolf attacks it. Feyre isn't sure if the wolf is a faerie or an animal because it's "the size of a pony", but just in case, she kills it using an ash arrow that she just happened to buy last year (ash is deadly to Faeries). For a moment, I wished I had it in me to feel remorse for the dead thing. But this was the forest, and it was winter. Girl means business. We also find out that sometimes Feyre hooks up with Isaac, but he's nothing special. I actually really dug that this story has a protagonist that isn't a virgin and never apologizes for it (nor did anyone ever try to make her feel like she should

apologize for it.) No time is wasted with Feyre pining over Isaac as though there's a chance in hell she will wind up with his human ass. Iolanthe Seabourne is the greatest elemental mage of her generation—or so she's been told. The one prophesied for years to be the savior of the Realm. It is her duty and destiny to face and defeat the Bane, the most powerful tyrant and mage the world has ever known. This would be a suicide task for anyone, let alone a reluctant sixteen-year-old girl with no training. Guided by his mother's visions and committed to avenging his family, Prince Titus has sworn to protect Iolanthe even as he prepares her for their battle with the Bane. But he makes the terrifying mistake of falling in love with the girl who should have been only a means to an end. Now, with the servants of the tyrant closing in, Titus must choose between his mission—and her life.

The Burning Sky

THE INSTANT NEW YORK TIMES BESTSELLER! Starred reviews from Kirkus Reviews * Publishers Weekly * Library Journal Named a “Must-Read” by TODAY, Us Weekly, Bustle, BuzzFeed, Goodreads, Entertainment Weekly, Publishers Weekly, Southern Living, Book Riot, Woman's Day, The Toronto Star, and more! For two sworn enemies, anything can happen during the Hawaiian trip of a lifetime—maybe even love—in this romantic comedy from the New York Times bestselling authors of Roomies. Olive Torres is used to being the unlucky twin: from inexplicable mishaps to a recent layoff, her life seems to be almost comically jinxed. By contrast, her sister Ami is an eternal champion . . . she even managed to finance her entire wedding by winning a slew of contests. Unfortunately for Olive, the only thing worse than constant bad luck is having to spend the wedding day with the best man (and her nemesis), Ethan Thomas. Olive braces herself for wedding hell, determined to put on a brave face, but when the entire wedding party gets food poisoning, the only people who aren't affected are Olive and Ethan. Suddenly there's a free honeymoon up for grabs, and Olive will be damned if Ethan gets to enjoy paradise solo.

Agreeing to a temporary truce, the pair head for Maui. After all, ten days of bliss is worth having to assume the role of loving newlyweds, right? But the weird thing is . . . Olive doesn't mind playing pretend. In fact, the more she pretends to be the luckiest woman alive, the more it feels like she might be. With Christina Lauren's "uniquely hilarious and touching voice" (Entertainment Weekly), *The Unhoneymooners* is a romance for anyone who has ever felt unlucky in love.
