### Soulful Leadership

Dr. Carlson identifies the seven obstacles to spiritual growth and discusses the primary stages of growth to show readers how to look forward to an extraordinary life by totally embracing the completed work of Christ.

### Overcoming Spiritual Discouragement

#### The Origin and the Overcoming of Evil and Suffering in the World Religions

This book shares answers to why leaders fall and why people die young. It urges the church to adjust its thinking and methods for new converts. The beginning of a journey will influence the ending. We must start converts out correctly to see them stand firm and faithfully until the end. Hopefully, this book will help leaders to guide new believers in the right direction so that they can overcome in this life and in the one to come.

### Gateway to the Spiritual Path

Based on the premise that depression is not an isolated disorder but a cluster of related disorders, this workbook asks readers to look at the multiple causes and symptoms of their depression and the myths that may hinder healing. Illustrations, charts & graphs.

All religions face the challenge of explaining, in view of God's goodness, the existence of evil and suffering in the world. They must develop theories of the origin and the overcoming of evil and suffering. The explanations in Buddhism, Christianity, Hinduism, Islam, and Judaism of evil and suffering and their origin, as well as these world religions' theories of how to overcome evil and suffering, differ from one another, but are also similar in many respects. The human

person is always considered to be the origin of evil, and also to be the focus of aspirations to be able to overcome it. The conviction that evil and suffering are not original and can be overcome is characteristic of and common to the religions. The explanations of the origin of evil are closely related to the explanations of the continuation and propagation of evil in human persons, in nature, and in our technology and culture that have been developed in the religions - in Christianity, for example, as the doctrine of original sin. Finally, the world religions are concerned with how to cope with suffering and offer guidance for overcoming evil and suffering. Leading scholars of five world religions, Buddhism, Islam, Christianity, Judaism, and Hinduism, have created with this volume a first-hand source of information, which enables the reader to gain a better understanding of these religions' central teachings about the origin and the overcoming of evil and suffering.

### Mindful Recovery

A transformational guide from the author of *The Plot Whisperer* to lead you—step by step—on a spiritual journey toward living your best, most creative life. Creativity engages our imagination and opens us up to thinking differently. It frees us from the constraints of everyday life, allowing us to access a part of ourselves that is not ruled by time, pressures, or conditions. It's no wonder many of us long for more of it in our lives. When creative energy flows through us, it connects us to our deepest selves, as well as the world around us. If you've ever embarked on a creative project, you may have experienced moments of pure joy or a sense of higher consciousness, when creativity seemed to pour from you. It's also likely you've encountered moments of feeling stuck or blocked, being full of fear and self-doubt, or just not seeing the point. The truth is, emotions have a way of powerfully disrupting our creative flow and dismantling our inspiration. And by examining how emotions affect creativity—how entangled we can become in our own negative thoughts and beliefs—we can learn to unblock channels of inspiration and reach our true creative potential. *Boundless Creativity* is designed to help writers, artists, and anyone feeling creatively blocked move beyond the self-doubt and criticism, past emotional wounds, and habits and patterns that keep you from realizing your artistic ambitions. Using a powerful technique called “The Universal Story”—a four-phase program with easy-to-follow steps and exercises—you'll learn to identify and dissolve the emotional and energetic blocks that get in the way of your creativity. With these tips and tools, you'll have the keys to unlock creative inspiration, intuition, and new ways of seeing yourself and the world—with acceptance, emotional balance, and a tolerance of imperfection.

### Random Thoughts II

Rich in references to the teaching of the saints and Fathers, this book combines the insights of West & East. A classic of Orthodox spirituality.

### The Edgar Cayce Way of Overcoming Multiple Sclerosis

With warmth, understanding, and pastoral skill, Fr. Timothy Gallagher provides here a hopeful invitation to all who struggle to overcome the greatest obstacle of all in the spiritual life — discouragement. Our enemy actively exploits our vulnerabilities, shrewdly leading us time and again into an overwhelming sense of disturbance. But Fr. Gallagher pulls the curtain back on the wiles of the devil, offering gentle reflections that are remarkably effective in lightening the burdens of your day-to-day spiritual life. You'll learn practical ways to find peace amid your spiritual struggles, and patience in the face of even the most intense trials. Best of all, you'll

learn how to profit spiritually from the afflictions that beset you. Each reflection in these pages begins with a quotation by Venerable Bruno Lanteri, the holy founder of the Oblates of the Virgin Mary, whose wisdom has guided the uncommonly insightful spirituality of Fr. Gallagher. There is no shame in spiritual desolation. Fr. Gallagher reminds us that the greatest of saints suffered from this affliction. The key is to learn how to draw closer to God in life's darkest moments. Overcoming Spiritual Discouragement is a call to hope . . . a call to solace in time of suffering . . . and a call to stand tall in times of affliction. Read this book, and you'll learn how to enter into the sublime peace and joy that our Lord promises.

### Overcoming the Devastation of Legal Abuse Syndrome

#### Heaven's Wait

Faith is capable of completely overcoming fear, and the apostle Peter learned this simple truth while struggling through the darkness of overwhelming fear in the early days of Christianity. When he had grown in faith and had become the rock of the early church, Peter shared the lessons he had learned in scripture, just as Jesus had instructed him to do. In Faith over Fear, author Charity A. Lane shares her own spiritual journey from the darkest moments of her life, where she was able to learn the same simple truth when she turned to scripture in desperation and stumbled upon the faith-filled words of the apostle Peter in 1 Peter 5:8-10. These words inspired a battle against fear, which taught Charity the truth about the weakness of fear and the strength of faith. Let Peter's words and Charity's own journey become the inspired foundation of your renewed strength in the face of fear. Faith over Fear can offer you a simple, easy-to-follow path toward growing a strong faith that is completely capable of overcoming every fear in this life.

#### Your Depression Map

When she was twelve years old, Maryam Kabeer Faye was given a painted scroll of an ancient wanderer, upon which were inscribed the words: Seek and The Truth Shall Make You Free. This message galvanised her soul and determined the course of her life. Following the call, she set out on the journey, internally and then externally, and was guided around the world many times, from one remarkable being to the next, everywhere collecting messages and clues. Born in a Jewish family, she was led to live in India and Nepal, and in monasteries in Europe, and then guided to embrace Islam at the hands of an ancient Sufi Master a few minutes away from the tomb of the Prophet Abraham. She then was guided to study intensively with Sufi Masters around the world. Her journey to the holy places and people of the earth, led her finally to Africa and the deep truth that all lives are totally interconnected and united with our own. This profound realisation dispelled the great myth that the creations of the One Most Loving Creator can be separated by any racial, national, or cultural distinctions. This book is a significant and revealing social commentary, also dispelling many other myths and stereotypes such as the proposition, often fostered by the media, that women are inevitably oppressed in Islam. On the contrary, it is by entering into the heart of Islam that the author was liberated, elevated, empowered, and guided to realise the true purpose of her existence.

#### Enlightenment Through the Path of Kundalini

In November 2010, I was approached by a traditional aboriginal healer who said he had a

message for me. This encounter would lead me down a path of fear, manipulation, and warped spiritual guidance. This book chronicles my life journey as an Aboriginal from the Mi'kmaq nation, from growing up on a Canadian reserve mired in poverty and family violence and deeply rooted in the Catholic Faith, to reconciling my guilt and shame for all I had done and overcoming an introduction to spirituality based on fear and the punitive. Finally, it provides a narrative of my own spiritual development, including the loving guidance and intuitive messages I received from spirit, and the ultimate triumph of healing, love, and forgiveness. [The healer] said he had had a dream—a vision, and it wasn't good. It concerned our boys. He said he saw a white work van with dark windows and somebody grabbing and kidnapping my boys

### Unseen Warfare

This book will take you on a spiritual journey into the life of the authors experiences of being gay and Christian in America. It will focus on the taboos associated with homosexuality and the Bible based on the authors own personal opinions, and offer ways of overcoming societys negative views on the subject. This story focuses on the authors life growing up in a conservative Baptist church in a small, rural town where homosexuality was considered to be the greatest of all abominations before God. The writer delves deep inside her soul to share the ups and downs of struggling for nearly 30 years, trying to cope with being a lesbian. Ultimately culminating with the author discovering Jesus Christ, and with the guidance of the Holy Spirit, gaining a sort of self-acceptance and peace of mind that allowed her to become comfortable with being a gay Christian. The goal of this work is to hopefully help other lesbians and gays find Gods purpose for their lives, and to help non-gays understand the trials and tribulations of the gay community, to gain acceptance, and quell all misconceptions of Gods other children.

### Fulfilling Your Highest Spiritual Potential

Perhaps the most important section in Dan Millman's best-selling book, *The Life You Were Born to Live* was titled *Laws that Change Lives*. These laws, as described, were key to overcoming the specific hurdles on a given individual's life path. Different laws played critical roles for different paths. But the author considers these laws so central to all our lives that they needed a book of their own, and a more universal treatment, since anyone could benefit from applying any of these laws. As he writes: "Within the mystery of our existence, the universe operates according to spiritual laws as real as the law of gravity and as constant as the turning of the heavens. Aligning our lives to these laws can transform our relationships, careers, finances, and health. Simply put, they make life work better." *The Laws of Spirit*, Dan Millman's "little book of big wisdom," offers a teaching tale in which he encounters an ageless woman sage while on a mountain hike. There, in the wilderness, she takes Dan and his readers through experiences and tests in the natural world that demonstrate the power of spiritual laws of balance, choice, process, presence, compassion, faith, action, patience, , surrender, and unity. As the sage relates, "These laws belong to all of us. They rest within our hearts and at the heart of every religion and spiritual tradition." As you make your own journey through the pages of this book, you will find universal solutions to the varied challenges of our lives, leading to perspective and wisdom about the meaning and purpose of our lives here, and our connection with all of creation It begins with a single step: Open the first page of a book you will refer to again and again for inspiration and guidance on life's journey, up the mountain path.

### Faith Over Fear

## Overcoming the 7 Obstacles to Spiritual Growth

Are you searching for your Higher Power? Do you embrace spiritual ideals that are difficult to attain or maintain? If so, this book is for you! After over twenty-five years in recovery, Darlene Dawn understands what it takes to build a new life after addiction. Dawn is neither a guru nor an expert, but as someone who understands the necessity of maintaining your spiritual condition, she has decided to share her story. With help, she rose up from the depths of active addiction to ascend to the heights of her new life in recovery. She's doing it, and so can you. Dawn details the mental and emotional shifts she experienced following a spontaneous out-of-body experience (OBE) when she was nine years clean and sober. Her OBE provided the impetus for spiritual and metaphysical study, the practical application of which is outlined in this book. Inspired by A Course in Miracles, Dawn developed a friendship with an intuitive who communicated with a nonphysical being of Light. During these life-changing sessions, Dawn acted as record keeper as this thought-provoking, nonphysical teacher radiated a powerful, loving energy and answered questions that enhanced Dawn's spiritual understanding. The Inner Connection is written as a guide to help you find your own answers; it is not meant to be the source of them. The author's personal experience, combined with lessons from a being of Light, makes The Inner Connection a primer for anyone who wishes to develop emotional freedom through spiritual growth. The Bible is widely regarded as the book of books. In a way, people shaped by Western culture are all children of the Bible: Its language has shaped our languages. Its morality is a foundation of our morality. Its pictures have furnished our world of imagination. Its parables have given material and reference points to our literature and culture. But who really knows the Bible? How is it structured? What is its content? When and according to what criteria was it determined which scriptures were to be included in the Bible and which were not? What is the best way to interpret it: historically, salvation-historically, or spiritually? And what significance can the Bible have for Christians and all spiritual seekers today? You will find answers in this book.

### The Bible in a Spiritual Perspective

For decades we have incorrectly lumped psychedelic plant medicines in with hard street drugs like crack and heroin. An aura of fear surrounds these naturally occurring substances while western medicine turns to pharmaceuticals in an attempt to cure our cultural woes. In *Healing With Iboga*, former wedding planner turned lifestyle blogger Holly Stein, M.A., shares her powerful experience with the sacred medicine iboga and how it helped her overcome crippling anxiety, depression, and seemingly endless self-loathing. Iboga, the spiritual ally of African shaman, takes one on a spiritual journey to the core of the subconscious where anxious thoughts live. The people of the Amazon use these medicines as tools for healing psychological illnesses and communicating with the soul, and through a process of shamanic healing and meditation, the anxious child within is exposed and healed. *Healing With Iboga* also explores different facets of addiction, particularly to opiates, for which iboga has become a well known cure, as seen in the documentary *Iboga Nights*. In this book you'll learn: This history of iboga's current legal status Iboga's many benefits on anxiety and depression Why addicts can rejoice Best practices for choosing treatment How to care for yourself after a Psycho-Spiritual journey Resources and tools for helping yourself and others **HOLLY STEIN** is a former wedding planner and owner of *Simply Sweet Weddings & Events*. She reached her tipping point when, after a decade of therapy and almost every pharmaceutical available, her emotional trauma lead her to thoughts of suicide. As a last resort she took a trip to Costa Rica for a 7 day iboga retreat where she used the sacred plant medicine iboga to do what ten years of therapy could not; cure anxiety, depression and self-loathing. #### Making Peace with Being on Earth

**A FRESH TAKE ON THE INBORN CHARACTERISTIC OF RESILIENCE** Most people are convinced that the key to rising above a perceived problem is to think about it, analyze all angles, and try hard to solve it. But the fact is: Problems in the world are mounting. War, famine, and strife exist at alarming rates. Not to mention that the level of respect within our families and communities seems to be fraying. Simply put, our behavior is not up to par these days; it is spiraling downward. Why? We're not connecting the dots. In the arenas of psychology, teaching, coaching, and parenting, we're using behavioral strategies to boost inner

levels of clarity and consciousness—to no avail. So, if focusing on behavior isn't working, what will? The Path of No Resistance provides a brand-new look at how human beings really overcome adversity. Along the way, Garret Kramer reveals the astonishing truth about what creates our troubles in the first place. And what we already know, deep down, that allows us to prosper in spite of any circumstance or situation. Offering an array of examples, Kramer demonstrates that resilience and contentment are—in principle—innate to everyone. He insists that calculated self-help methods are not the answer, and explains why insight, not intellect, is what fuels our ability to excel and give back to others.

With an unshakable mind, you can cope with any difficulty life may bring. An unshakeable mind is a state that can be symbolized by an iceberg--beneath the part of you that is visible to others is a vast bulk. In the case of the mind, this is a reserve of inner treasure accumulated through learning and experiences. An Unshakable Mind describes ways to build inner confidence and develop a firm character based on a spiritual perspective. Viewed from a spiritual standpoint, life is a workbook for developing the soul. With a willingness to learn from everything that life presents you with, good and bad, any difficulty can be transformed.
