An Agricultural Testament - Wikipedia

An Agricultural Testament by Sir Albert Howard Chapter 1 Introduction. THE maintenance of the fertility of the soil is the first condition of any permanent system of agriculture. In the ordinary processes of crop production fertility is steadily lost: its continuous restoration by means of manuring and soil management is therefore imperative.

An Agricultural Testament Courses - XpCourse

As much a political screed against fractured and ivory-tower agricultural research as it is a survey of causes of and impediments to soil fertility, Howard's Agricultural Testament is a must-read for those interested in developing a more holistic approach to the soil and the life of the world dependent on it.
