'bubbles over with imaginative ideas for primary, secondary and other drama teachers.' - Teaching Drama Magazine, Spring 2013. '..this book cheered me up. Buy it and smile. There will be a lot of laughter in your classroom.' - Drama Magazine, Spring 2013. This sequel to the best-selling 101 Drama Games and Activities contains all-new inspirational and engaging games and exercises suitable for children, young people and adults. The activities can be used in teaching drama lessons and workshops as well as during rehearsal and devising periods. The book includes lively and fun warm-up games, as well as activities to develop concentration, focus and team building. The drama strategies can be used as creative tools to explore themes and characters. There are dozens of ideas for developing improvisation (which can be extended over several

sessions). There are many new activities for exploring storytelling skills as well as mime and movement.

Underwater Dogs

Cat lovers will laugh out loud at the quiriness of their feline friends with these insightful and curious poems from the singular minds of housecats. In this hilarious book of tongue-in-cheek poetry, the author of the internationally syndicated comic strip Sally Forth helps cats unlock their creative potential and explain their odd behavior to ignorant humans. With titles like "Who Is That on Your Lap?," "This Is My Chair," "Kneel Before Me," "Nudge," and "Some of My Best Friends Are Dogs," the poems collected in *I Could Pee on This* perfectly capture the inner workings of the cat psyche. With photos of the cat authors throughout, this whimsical volume reveals kitties at their wackiest, and most exasperating (but always lovable).

The Book About Nothing

Published to benefit the SPCA, a lighthearted treasury by the creators of the *Hot Guys* and *Baby Animals Wall Calendar* features photographs of attractive, often shirtless male models with adorable baby animals and is complemented by tongue-in-cheek captions about their likes and dislikes.

The End Is Just the Beginning

From the folks who brought us the bestselling *Awkward Family Photos* series comes a tribute to those awkward early years of life. Our first few years are the most photographed time of our lives. Our parents document every milestone and then feel compelled to share these photos with the world. The only problem is, we haven't

developed our motor skills and can't control our faces, or any other parts of our body for that matter. This, of course, leads to some of the most hilarious and unexpected family pictures. From our first post-delivery scowl, to our first throw-up, and yes, even to our first bikini--Born to Be Awkward is a celebration of what is literally the most uncomfortable stage of life.

Awkward Family Photos

With twenty-five new photographs for the eBook edition, the New York Times bestseller is now more awkward than ever Based on the hit website, AwkwardFamilyPhotos.com (“painful, regrettable, horrifyingly awesome snaps of family bonding, you will laugh so hard that people in adjoining offices will ask what’s wrong with you”—Esquire), this full color book features never-before-seen photos and hilarious personal stories covering everything from uncomfortable moments with relatives, teen angst, sibling rivalry, and family vacations from hell. Cringe at the forced poses, bad hair, and matching outfits--all prompting us to look at our own families and celebrate the fact that we're not alone. Nothing says awkward better than an uncomfortable family photograph!

SOUL

New York Times bestselling author and photographer Seth Casteel's follow-up to the phenomenal Underwater Dogs -- now with puppies. The world fell in love with swimming canines in Seth Casteel's first book, Underwater Dogs. Now, in more than 80 previously unpublished portraits of underwater puppies, we see man's best friends at their most playful and exuberant. Each vibrant and colorful underwater image shows off the wild and sublime range of emotions of puppies, cute and irresistible to the very last.

Saltwater Sillies

The popular actress and animal welfare advocate offers personal stories of the zoo animals she has known and loved through the years, including Gita the elephant and Kelly, a silverback gorilla.

Betty & Friends

From the people who brought you Awkward Family Photos and Prank Packs come 35 wildly funny prank postcards that you never knew you needed. Confuse and amuse friends and family with these absurd-yet-realistic advertisements, announcements, and holiday cards. A postcard for almost any occasion--from baby showers to retirement parties--they'll make your loved ones scratch their head before exploding with laughter. Just add a stamp to send them, display them proudly in your home, or sneak them onto someone's wall for a guaranteed grin. These prank postcards are so silly they're hilarious.

Adventures with Adoptable Dogs

Meet Kevin. Kevin's just a regular hamster in a familiar quarter-life crisis. He's got his own hamster-sized home, hamster-sized furniture, and the soul-crushing societal expectation to do adulthood right. That means enduring the grind of work responsibilities, an aching body, and mounting pressure from his parents to start a family, amongst other things. Will Kevin make it? Asking for a friend. Goodbye Salad Days tells Kevin's story in 25 scenarios with short captions and full-colour photographs in handmade dioramas. Both adorable and painfully relatable, this book is sure to hit a soft spot in any reader trying to make the best of growing up.

Real Life Family Photography

A Family Tail is a mix of stories that line the path of a young man who is determined to find his own way in life by his own hand and not accept the rewards of other people's hard work. Billy Kay leaves what others might see as a comfortable life filled with wealth and family, but to Billy, it is a family made contemptible by the introduction of a stepfather. Billy's search for a place and life on his own terms leads him to seek after gold and the power that it brings, only to find that the true treasures of life are not dug out of the ground, but gathered around in the form of family and friends.

The Photographer's Guide to Posing

Sorry I Pooped in Your Shoe (and Other Heartwarming Letters from Doggie)

Whoever coined the phrase "A picture is worth a thousand words" clearly has not stumbled upon the Cheezburger Network's ThereIFixedIt.com. Here, a picture is worth countless inaudible gasps, and we're guessing more than a few quiet stares of disbelief. There, I Fixed It (No, You Didn't) celebrates the kludge (a quick-and-dirty, clumsy, or inelegant-yet-effective solution to a problem, typically using parts that are cobbled together) in its many incarnations as presented on the popular Web site ThereIFixedIt.com. The book features over 200 full-color images of daily kludge winners, along with the signature witty commentary that characterizes typical reactions to the hilarious DIY disasters and work-arounds. If you're still unsure as to what qualifies, we think the minivan held together by duct tape leaves little room for confusion. After all, in that guy's defense, multiple rolls of carefully affixed duct tape are certainly cheaper than a new coat of paint (just try to avoid puddles and rain). Certain to generate bellyache-inducing revelry, There, I Fixed It (No, You Didn't) may even

inspire you to fashion your very own kludge. Please note that we give extra points to those brave enough to merge an open flame with a propane gas tank and electrical wire. Bonus points if you can then make the item travel on wheels at speeds greater than 50 miles per hour. So, home enthusiasts, would-be inventors, and all who miserably failed engineering, kludge away with the Cheezburger Network's There, I Fixed It (No, You Didn't).

I Could Pee on This

Charlie Keefe is a world famous dog painter. Unfortunately, Charlie's beloved muse, Pete, his fun-loving Jack Russell terrier, has just died and he's totally devastated by the loss of his furry best friend. After months of grieving, Charlie reluctantly agrees to foster a new puppy from the local shelter, a cute King Charles Cavalier named Brownie. Charlie falls head over heels for this new puppy as well as being attracted to Janelle Jordan, the head hound at the dog rescue. Complications arise when the ghost of Pete appears one night to haunt him and Brownie setting off a bizarre chain of events that throws Charlie's life, career and entire belief system into chaos.

Everything Is Awkward

From the authors of the New York Times bestsellers Awkward Family Photos and Awkward Family Pet Photos comes a celebration of those special times throughout the year when our families embarrass us the most . . . the holidays. Holidays. They're those momentous occasions when we gather with family to eat, drink, celebrate, and, of course, pose for photographs. From Mom's homemade Halloween costumes to re-creating a Nativity scene for the Christmas card to that overly patriotic uncle who literally wears the flag on the Fourth, holidays make for humiliating memories that we carry in our hearts for years to come. Whether your family loves

Valentine's Day, St. Patrick's Day, Easter, July Fourth, Halloween, Thanksgiving, Christmas, or Hanukkah, this book pays homage to all of the holidays' most uncomfortable moments.

A hilariously perceptive and hugely addictive look at an alien world not unlike our own, based on the phenomenally popular Instagram comic From the mind of New York Times-bestselling author Nathan W. Pyle comes an adorable and profound universe in pink, blue, green, and purple. Since launching on Instagram in Feb 2019, Strange Planet has become a viral sensation - and this book, based on the side-splitting Instagram comic - covers a full life cycle of the alien planet's inhabitants, including milestones such as: The Emergence Day Being Gains a Sibling The Being Family Attains a Beast The Formal Education of a Being Celebration of Special Days Being Begins a Vocation The Beings at Home Health Status of a Being The Hobbies of a Being The Extended Family of the Being The Being Reflects on Life While Watching the Planet Rotate With dozens of never-before-seen illustrations in addition to old favorites, Strange Planet offers a sweet and hilarious look at a distant world not all that unlike our own.

American Portraits, 1979-1989

Four dissimilar women in 1920s England leave their rainy, grey environments to go on holiday in Italy. Mrs Arbuthnot and Mrs Wilkins, who belong to the same ladies' club but have never spoken, become acquainted after reading a newspaper advertisement for a small medieval castle on the Mediterranean to be let furnished for April. They find some common ground in that both are struggling to make the best of unhappy marriages. They also reluctantly take on the waspish, elderly Mrs Fisher and the stunning but aloof Lady

Caroline Dester to defray expenses. The very genuine and open Lottie Wilkins, often muddled and awkward in her speech, has been married only a few years, but she and her husband are rubbing each other the wrong way

A Family Tail

A unique gift and engaging resource for dog lovers of all types! Advocates for pet adoption--along with those who have already adopted a pet or are considering fostering one--are always interested in finding the best ways to gain positive exposure for the animals in their care in the most efficient, positive, and cost-effective way possible. By making engaging and thoughtful online posts, social media can provide this exposure for free! Dog Shaming

Celebrating Magnum's photographic excellence in this captivating book, readers will travel around the globe with the world's finest photographers through 365 images. Featuring new and iconic images, this follow-up to Prestel's highly successful *A Year in Photography: Magnum Archive* includes some of the most striking photography ever collected in one volume. As readers flip the pages they will find themselves traveling from west to east across the globe. Each country is represented in three or four images captured by a single photographer. While renowned figures such as Robert Capa, Bruce Davidson, and Martin Parr are included, readers will also find younger photographers such as Olivia Arthur, Alessandra

Sanguinetti, and Mikhael Subotzky, all of whom present dazzling new views of our changing world. Shining a light on the human condition in every corner of the globe, this compilation exemplifies Magnum founder Henry Cartier-Bresson's vision of "a community of thought, a shared human quality, a curiosity about what is going on in the world, a respect for what is going on and a desire to transcribe it visually."

Hot Guys and Baby Animals

As a National Geographic photographer, Vince Musi Travelled the world to photograph lions, tigers, and bears. All that changed when his son turned sixteen - he decided to try something different; to spend some quality time at home and open a hometown studio to photograph dogs. The result is *The year of the dog*; over 100 one-of-a-kind dogs from Musi's year in the studio matched with witty 'dogographies' gleaned from his time spent with each subject.

Nigel's Choice

Inside *Sorry I Pooped in Your Shoe*, writer and comedian Jeremy Greenberg presents a collection of 50 laugh-out-loud letters and accompanying full-color photographs that explain Fido's love of funky smells, why a ball needs to be thrown again, and practically every other lovably loony canine characteristic. From an impassioned plea to stop the silly nicknames, to an attempt to skip a bath, to explanations for stolen shoes and swiped sandwiches, *Sorry I Pooped in Your Shoe* offers a pooch's perspective on common canine vs. human cohabitation conundrums. *Sorry I Pooped in Your Shoe* is the perfect gift for dog lovers and anyone who appreciates hilarious (and so true!) insights into dog--and human--nature.

There I Fixed It!

When photographing people, you can have a great composition, perfect light, and the right camera settings, but if your subject doesn't look right—if the pose is off—the shot will not be a keeper. Posing is truly a crucial skill that photographers need to have in order to create great photographs. If you're looking to improve your ability to pose your subjects—whether they're men, women, couples, or groups—best-selling author and photographer Lindsay Adler's *The Photographer's Guide to Posing: Techniques to Flatter Everyone* is the perfect resource for you. In the first half of *The Photographer's Guide to Posing*, Lindsay discusses how the camera sees, and thus how camera angle, lens choice, and perspective all affect the appearance of your subject. Lindsay then covers things that ruin a pose—such as placement of the hands, and your subject's expression and posture. Next, Lindsay dives into “posing essentials,” outlining her approach to start with a “base pose,” then build on that to create endless posing opportunities. She also

discusses posing the face—with specific sections dedicated to the chin, jaw, eyes, and forehead—as well as posing hands. In the second half of the book, Lindsay dedicates entire chapters to posing specific subject matter: women, men, couples, curvy women, families and small groups, and large groups. In each chapter, Lindsay addresses that subject matter's specific challenges, provides “go-to poses” you can always use, and covers how to train the eye to determine the best pose for your subject(s). Lindsay also teaches you how to analyze a pose so that you can create endless posing opportunities and continuously improve your work.

Fans of The Book with No Pictures and A Perfectly Messed-Up

Story will enjoy this innovative and wildly funny read-aloud from the adult humor bestselling authors of Awkward Family Photos and T-Rex Trying. This book has nothing to do with rainbows, rocket ships, meatballs, or wizards. Instead, it's full of zip, zilch, diddly-squat, bupkus. But don't worry, reading this book isn't all for nothing, because sometimes nothing is actually something. Like if you pick up all the toys in your room, what will be on the floor? NOTHING. When you take a bath, what are you wearing? NOTHING. And when you shut the lights off to go to bed, what do you see? NOTHING. Mike Bender and Hugh Murphy stop at nothing to explore the key concepts of nothing and zero using playful language and hilarious illustrations.

Magnum Atlas

Our dogs are our best friends. They are always happy to see us. They comfort us in our times of need. They also eat our shoes, stain our carpets, and embarrass us in front of our guests. Based on the runaway web phenomenon, Dog Shaming features hilarious and adorable photos of petulant pups accompanied by notes detailing their misdeeds: waking sleeping babies, eating vomit, chasing postmen, unplugging alarm clocks, peeing on stuff, etc. So share in the shaming and laugh through your frustration as Dog Shaming reminds us that unconditional love goes both ways.

The Year of the Dogs

James Beard Award-nominated Chef Todd Richards shares his personal culinary exploration of soul food. Black American chefs and cooks are often typecast as the experts of only one cuisine—soul food, but Todd Richards' food is anything but stereotypical. Taste his Hot-Chicken-Style Country-Fried Lamb Steak or Blueberry-Sweet Tea-Brined Chicken Thighs as evidence. While his dishes are

rooted in family and the American cuisine known as soul food, he doesn't let his heritage restrain him. The message of *Soul* is that cooks can honor tradition yet be liberated to explore. Todd Richards celebrates the restorative wonders of a classic pot of Collard Greens with Ham Hocks, yet doesn't shy away from building upon that foundational recipe with his Collard Green Ramen, a reinterpretation that incorporates far-flung flavors of cultural influences and exemplifies culinary evolution. Page after page, in more than 150 recipes and stunning photos, Todd shares his creativity and passion to highlight what soul food can be for a new generation of cooks. Whether you're new to Southern and soul food or call the South your home, *Soul* will encourage you to not only step outside of the box, but to boldly walk away from it. The chapters in *Soul* are organized by featured ingredients: Collards, Onions, Berries, Lamb, Seafood, Corn, Tomatoes, Melons, Stone Fruit, Eggs and Poultry, Pork and Beef, Beans and Rice, and Roots. Each one begins with a traditional recipe and progresses alongside Richards's exploration of flavor combinations and techniques.

Did I screw up? How do I achieve work-life balance? Am I eating too much cheese? Do I have too many plants? Through artful charts and funny, insightful questions, Michelle Rial delivers a playful take on the little dilemmas that loom large in the mind of every adult. Building on her popular Instagram account, *Am I Overthinking This?* brings whimsical charm to topics big and small, and offers solidarity for the stressed, answers for the confused, and a good laugh for all.

Wreck the Halls

There are few things more rewarding than having a pet. They love

us unconditionally, shower us with attention, and actually help us live longer. So, what can possibly be awkward about our animal BFFs? Well . . . nothing. In fact, we're the awkward ones. We adore our pets but let's face it - sometimes L-O-V-E makes us go a little overboard. Like giving them middle names, throwing them elaborate birthday parties, and making them a Christmas jumper to match with the rest of the family. Truth is, what they cherish most is our companionship. And maybe that's the reason we care about them so much - because for such simple pleasures, they allow us to be as awkward as we want.

THE ENCHANTED APRIL

AN INSTANT NEW YORK TIMES BESTSELLER The untold stories behind *The Office*, one of the most iconic television shows of the twenty-first century, told by its creators, writers, and actors. When did you last hang out with Jim, Pam, Dwight, Michael, and the rest of Dunder Mifflin? It might have been back in 2013, when the series finale aired . . . or it might have been last night, when you watched three episodes in a row. But either way, long after the show first aired, it's more popular than ever, and fans have only one problem—what to watch, or read, next. Fortunately, Rolling Stone writer Andy Greene has that answer. In his brand-new oral history, *The Office: The Untold Story of the Greatest Sitcom of the 2000s*, Greene will take readers behind the scenes of their favorite moments and characters. Greene gives us the true inside story behind the entire show, from its origins on the BBC through its impressive nine-season run in America, with in-depth research and exclusive interviews. Fans will get the inside scoop on key episodes from "The Dundies" to "Threat Level Midnight" and "Goodbye, Michael," including behind-the-scenes details like the battle to keep it on the air when NBC wanted to pull the plug after just six episodes and the failed attempt to bring in James Gandolfini as the

new boss after Steve Carell left, spotlighting the incredible, genre-redefining show created by the family-like team, who together took a quirky British import with dicey prospects and turned it into a primetime giant with true historical and cultural significance. Hilarious, heartwarming, and revelatory, *The Office* gives fans and pop culture buffs a front-row seat to the phenomenal sequence of events that launched *The Office* into wild popularity, changing the face of television and how we all see our office lives for decades to come.

101 More Drama Games and Activities
