Shatter the slipper. Spit out the apple. Fall for The Beast. All-star linebacker Cole Hawthorne is a beast on the field, destroying offenses one broken quarterback at a time. Though he's a gifted athlete, his violent reputation makes him a liability to his team and a villain in the league. As Cole's agent, it's my responsibility to convince the brooding loner that being traded is better than getting banished from the game. If he loses his contract, this single mom is out of a job. So, it's up to me to tame the beast. But the closer I get to the ferocious monster, the harder I fall for the passionate man underneath. He's crude and charming. Tough and sweet. Dangerous but even he can't resist my baby's giggle. Denying my feelings might protect my heart, but the trading deadline is closing in. When Cole reveals the dirty truth about the trade, I can't let the league rip us apart. Do I save my career or do I protect a man who deserves a happily ever after? Maybe no one can love a beast. But they haven't met Cole Hawthorne.

No Light

It started out like any other morning on the train. Until I became mesmerized by the guy sitting across the aisle. He was barking at someone on his phone like he ruled the world. Who did the stuck-up suit think he was God? Actually, he looked like a God. That was about it. When his stop came, he got up suddenly and left. So suddenly, he dropped his phone on the way out. I might have picked it up. I might have gone through all of his photos and called some of the numbers. I might have held onto the mystery man's phone for days until I finally conjured up the courage to return it. When I traipsed my ass across town to his fancy company, he refused to see me. So, I left the phone on the empty desk outside the arrogant jerk's office. I might have also left behind a dirty picture on it first though. I didn't expect him to text back. I didn't expect our exchanges to be hot as hell. I didn't expect to fall for him all before we even met. The two of us couldn't have been any more different. Yet, you know what they say about opposites. When we finally came face to face, we found out opposites sometimes do more than attract we consumed each other. Nothing could have prepared me for the ride he took me on. And I certainly wasn't

prepared for where I'd wind up when the ride was over. All good things must come to an end, right? Except our ending was one I didn't see coming.

An immortal Casanova ∩ Centuries old and still living his life on the edge like the formidable werelock and self-assured player he ∩ s always been, Alcaeus long ago dismissed the notion he ∩ d ever find his true mate. He never expected to fall for the mother of the well-propheesied Rogue werelock he's been hunting. With the fate of humankind hanging in the balance and the supernatural war of the century underway, cultures and parenting styles will clash. Loyalties will be tested. Long-held ties will sever; packs will divide. And a cocky playboy will need to dig deeper than the easy charm that carried him through four centuries to prove that sometimes an absence of light is only the void between beings who are destined to collide.

It is not so busy for the person that does simple colors, and busy enough to keep the attention of the person, like me, who likes the fun detailed stuff. I like that there are coloring options on some of the journal pages, and the images are great! You got your Snark on, girl." - Anna From the back cover: "Grab your pens and pencils and pull up that damn couch, because it's time to get your snark on! A Snarky Adult Colouring Book

Read the book that Kirkus Review called: "A complex, witty page-turner, ideal for YA fans of scandal and romance." Seventeen-year-old Isis Blake hasn't fallen in love in three years, nine weeks, and five days, and after what happened last time, she intends to keep it that way. Since then she's lost eighty-five pounds, gotten four streaks of purple in her hair, and moved to Buttcrack-of-Nowhere, Ohio, to help her mom escape a bad relationship. All the girls in her new school want one thing—Jack Hunter, the Ice Prince of East Summit High. Hot as an Armani ad, smart enough to get into Yale, and colder than the Arctic, Jack Hunter's never gone out with anyone. Sure, people have seen him downtown with beautiful women, but he's never given high school girls the time of day. Until Isis punches him in the face. Jack's met his match. Suddenly everything is a game. The goal: Make the other beg for mercy. The game board: East Summit High. The reward: Something neither of them expected. Previously published as *Lovely Vicious*, this fully revised and updated edition is full of romance, intrigue, and laugh-out-loud moments. The *Lovely Vicious Series* continues: *Forget Me Always Remember Me Forever - Summer 2017*.
