Birdie is soon emerges in a hot reverse harem relationship with all three men. The sex scenes in this book are HOT! You have been warned lol! I enjoyed this book. Seven developed the characters a bit and the story flowed nicely. This is a taboo book. Birdie is 17 years old so there's a significant age gap between her and the men in her life.

Birdie Three men who happen to be thirty years my senior are exactly the men I want. The men I need. And to my luck, they need me just as much. Our love is sick, twisted, and nothing for the faint of heart. This is a dark and taboo duet. (This book contains both forbidden & baby bird)
