At bad ideas," says Weber, whose newest book, Black Dog, White Couch, and the Rest of My Really Bad Ideas," is a laugh-out-loud confessional. "I'll tell you about all of (my really bad ideas), beginning with the terrible choice of owning an ill-mannered black dog at the same time as a white couch, then obtaining another enormous, drooling dog — and several more white couches," she says.

As striking as it is adorable, the tricolor coat pattern is one of the most common color schemes in dogs. This classic combination generally consists of black, white, and brown, though a mix of any three colors technically fits the definition. Like brindle, spotted, and other coat patterns, the tricolor color scheme is found among many dog breeds. It may consist of a classic color-block look, in which the colors are largely confined to a few key areas (as seen in Bernese mountain dogs), or
