The Girls Who Went Away

Maris Sulle has been an outsider his whole life. He grew up with a secret that cost him everything. Ture has spent his life hiding from everyone around him while trying desperately to fit in. But in his darkest hour, Ture is saved by a hero he thought only existed in novels, a man every bit as scarred and mistrusting as he is and who has no interest in being dragged into another relationship with anyone. And when old enemies return to threaten them both, these two must either stand together or die alone.

The Cat I Never Named

In a universe where assassins make the law, everyone lives in fear--except for Syn. Born of an illicit scandal that once rocked a dynasty, he always knew how to survive on the bloodthirsty streets. But that was then, and the future is now Syn was raised as a tech-thief until his livelihood uncovered a truth that could end his life. He tried to destroy the evidence, and has been on the run ever since. Now trained as an assassin, he allows no one to threaten him. Ever. He is the darkness that swallows his enemies whole. Shahara Dagan is the best bounty hunter in the universe. When Syn comes back on the radar, she's the only one who can bring him to justice. There's only one problem: Syn is a close family friend who's helped out the Dagens countless times. But if she saves him, both of their lives will be on the line. Is Syn's protection worth the risk? The only hope Shahara has is to find the evidence he buried long ago. Now it's kill or be killed--and they, the predators, have just become the hunted Born of Fire is the second book in bestselling author Sherrilyn Kenyon's League series.

Born of Silence

The stunning memoir of a Muslim teen struggling to survive in the midst of the Bosnian genocide--and the stray cat who protected her family through it all. In 1992, Amra was a teen in Bihac, Bosnia, when her best friend said they couldn't speak anymore. Her friend didn't say why, but Amra knew the reason: Amra was Muslim. It was the first sign her world was changing. Then Muslim refugees from other Bosnian cities started arriving, fleeing Serbian

persecution. When the tanks rolled into Bihac, bringing her own city under seige, Amra's happy life in her peaceful city vanished. But there is light even in the darkest of times, and she discovered that light in the warm, bonfire eyes of a stray cat. The little calico had followed the refugees into the city and lost her own family. At first, Amra doesn't want to bother with a stray; her family doesn't have the money to keep a pet. But with gentle charm this kitty finds her way into everyone's heart, and after a few near miracles when she seems to save the family, how could they turn her away? Here is the stunning true story of a teen who, even in the brutality of war, never wavered in her determination to obtain an education, maintain friendships, and even find a first love- and the cat who gave comfort, hope, and maybe even served as the family's guardian spirit.

Orphanage Boy

In the Ichidian Universe where The League is law, most live in fear. We fight back. Welcome to a world where corrupt assassination politics dominate everyone. It's kill or be killed. Welcome back to the future and meet hell's new breed of heroes. Devyn Kell spent his life in service to the League until he learned of the double dealing and backstabbing that was costing innocent people their lives. Refusing to play those politics, he became a Runner—someone who makes sure planets get the weapons, medicine and supplies they need to survive. May the gods have mercy on any who get in his way, because he definitely won't. Alix Garran is a woman on the run from a past she can't escape. Signing on to work for Devyn as a System's Engineer, she finds a cause she can fight for—and a man she can respect. But as Alix's past catches up to her, and Devyn's old enemies turn lethal, they have to fight together or fall alone, in *Born of Ice*, the third bestselling League novel from Sherrilyn Kenyon.

How to Argue with a Racist

In a world where the League and its assassins rule, where betrayal and treachery are everywhere, the only survivors are those ones who are born of shadows. For Caillen Dagan, a defiant soldier of fortune, survival isn't a right, it's a brutal daily battle. Moving through the Ichidian universe like a wraith, his brushes with the law and death are legendary. But when an act of rare heroism reveals his hidden birthright, he's forced into a world much more dangerous and cold-hearted than the bloody streets where he was raised—one of obscene wealth and lethal politics. Ferocious and determined, Desideria serves as an official bodyguard for her queen. Born of questionable genetics, she will do anything to prove herself worthy of the weapons she carries and the position she's won by combat. But when she uncovers a ruthless plot to assassinate the queen and overthrow her country's government, Desideria is caught in the crosshairs. With assassination contracts out on both of them, Caillen and Desideria must learn to fight together or die alone. And if they fail, their governments will fall into the hands of an unimaginable evil.

The Inner Game of Tennis

'A publishing phenomenon [Sherrilyn Kenyon] is the reigning queen of the wildly successful paranormal scene.' Publishers Weekly 'Kenyon builds a story that is wall-to-wall action, yet touched with poignancy.' Romantic Times A fate worse than death . . . Bastien Cabarro survived the brutal slaughter of his entire family only to have his wife pin their murders on him. Made Ravin by The League, he is now a target for their assassins-in-training to hunt and kill.

The average life expectancy for such beings is six weeks. But defying the odds is what this Gyron Force officer does best, and Bastien won't rest until he lays his betrayers in their graves. Ten years later, he has one chance to balance the scales of justice, provided he relies on his former wingman - the very sister of the woman who testified against him. Major Ember Wyldestarrin joined the outlaw Tavali the day Kirovar fell into the hands of a tyrant, and she and her team were left on an outpost to die under the barrage of enemy fire. The last thing she wants is to be involved in politics again. But if she doesn't bring Bastien in, her sister will pay the ultimate price. Now she has to find some way to betray her former wingman before he catches on and kills her. Even so, treachery doesn't come easy to a woman who took a loyalty oath to protect her homeworld and comrades-in-arms, especially when Bastien means more to her than just another partner. Yet as she tries to do right for her family, she learns that Bastien doesn't just hold the key to the fate of Kirovar, he is vital to The Sentella-League war, and to The Tavali. If she hands him over, three nations fall. If she doesn't, her entire family dies. Their fates are all in her hands, and time for all of them is quickly running out.

Born of Betrayal

In this deeply moving and myth-shattering work, Ann Fessler brings out into the open for the first time the astonishing untold history of the million and a half women who surrendered children for adoption due to enormous family and social pressure in the decades before *Roe v. Wade*. An adoptee who was herself surrendered during those years and recently made contact with her mother, Ann Fessler brilliantly brings to life the voices of more than a hundred women, as well as the spirit of those times, allowing the women to tell their stories in gripping and intimate detail.

We Need Silence to Find Out What We Think

"Dakari Tieval has been marked for death by the infamous League. Staying barely one step ahead of the assassins out to end her life, she must find the legendary Eve of Destruction. But Eve is a lot more than just a bounty hunter who calls the shadows home. She comes with an interesting crew of friends and family who have no problem defying the League that rules their worlds with an iron fist"--from Back cover.

The Desert Vet

The book is not a classic pediatric text book. It shows different approaches to some pediatric topics. Our aim in this book, as understood from its title, is to describe some specific issues related to nursing, psychiatric and surgical issues. The book *Pediatric Nursing, Psychiatric and Surgical Issues* has 8 chapters which are placed in 4 different sections, to enlighten patients and pediatricians on current developments on specific pediatric issues.

Cloak & Silence

The next League novel from #1 New York Times bestselling author Sherrilyn Kenyon . . . Years ago, family loyalty caused Fain Hauk to give up everything he loved: His military career. His planet. His fiancée. Even his name. Now decades later, everything has changed. He's built a new life out of the

ashes of his old, and he's vowed to never let anything threaten his loved ones again. But when old enemies align themselves with new ones, he's caught in the middle of a brutal war. And when fate throws his former fiancée back into his world and she has her own agenda that includes taking his head for what he did to her years ago, more than just his life is at stake. The fate of the Ichidian universe and that of his brothers-in-arms hangs in the balance. Winner take all. It's killed or be killed, and never has the battle been more fierce . . .

Discourses on Livy

Alifa Rifaat, an Egyptian, lifts the veil on what it means to be a woman living within a traditional Muslim society.

Born of Fury

Command Assassin Nykyrian Quikiades was born and trained to slaughter. Refusing to be a pawn, he turned his back on the League and has been hunted by them ever since. Though many have tried, none can kill him.

Football in France

An assassin's code is simple: No prey, no pay. Every life has a price. Jayne Erixour must kill Hadrian or she's next. But as old enemies return to hunt them both, they quickly learn that neither will survive unless they trust each other. Yet things are never so simple and survival means only one of them can be left standing.

Born of Shadows

Pediatric Nursing, Psychiatric and Surgical Issues

Dedicants of the Crystal Silence League send thoughts and prayers of joy, health, strength, love, success, and protection to all, and, in turn, receive the fruits of mutually supported prayer. If you are able, join our world wide band when your view of the Sun is morning-fresh and again as night-time falls. As the Earth speeds and spins around the Sun, so do the hours succeed one another around this busy globe. As one mind finishes the prayer, another takes it up, always moving Westward, steadily West-ward, a torch of Mind passed in a relay-race of Love and Purpose and Will. Catch the thoughts arising from your East each morning, send your thoughts to those abiding West each night. Now Is the Hour: Let us work for results NOW

The League Of The Scarlet Pimpernel

In Jackson, Mississippi, in 1962, there are lines that are not crossed. With the civil rights movement exploding all around them, three women start a movement of their own, forever changing a town and the way women--black and white, mothers and daughters--view one another.

Born of Ice

'I am at home with camels. Where others see a dirty, filthy, smelling, kicking beast, I see a thing of pure anatomical beauty, an intelligent and graceful creature. Because of camels I have built a life I never imagined possible. And all this happened because I decided to say yes to adventure whenever it came my way.' When Sydney-born vet Alex Tinson was literally plucked from the Australian outback to become chief vet in charge of the United Arab Emirates President's racing camels, he was given one mission: to make the President's camels the best in the UAE and, indeed, all of Arabia. Thirty years later he is still there, having become the world's leading camel vet while caring for a menagerie of unusual animals along the way. But this is more than a story about camels and monkeys, spiders and snakes, and all sorts of other exotic creatures. It is also about crossing boundaries of race and religion to create a life full of possibility, of being introduced to the reclusive world of the Gulf Royal families and of sharing the rich lives of Alex's Bedouin family and friends. Warm and generous, intriguing and compelling, *The Desert Vet* takes us to a place few have entered before.

Born of Night

Spanning the 1960s to the 2000s, these nonfiction writings showcase Shirley Hazzard's extensive thinking on global politics, international relations, the history and fraught present of Western literary culture, and postwar life in Europe and Asia. They add essential clarity to the themes that dominate her award-winning fiction and expand the intellectual registers in which her writings work. Hazzard writes about her employment at the United Nations and the institution's manifold failings. She shares her personal experience with the aftermath of the Hiroshima atomic bombing and the nature of life in late-1940s Hong Kong. She speaks to the decline of the hero as a public figure in Western literature and affirms the ongoing power of fiction to console, inspire, and direct human life, despite—or maybe because of—the world's disheartening realities. Cementing Hazzard's place as one of the twentieth century's sharpest and most versatile thinkers, this collection also encapsulates for readers the critical events defining postwar letters, thought, and politics.

Paradise City

It's official Take a Psycho to Work Day. Why else would I be here? Hunted. Hated. Betrayed. Dagger Ixur is on the run for his life. As one of the most recognizable members of his royal house, he has a bounty on his head that guarantees him no quarter from any friend or even family. But surrender isn't in him. He will fight to the bitter end. A resolve that is sorely tested when he narrowly escapes a trap that leaves him severely wounded. With what he believes is his dying breath, he saves a boy born to an extinct race from a group out to enslave the kid for his legendary abilities. Ushara Altaan has spent her entire life hating those born to nobility. After all, it was a royal house that drove her entire species into virtual extinction. As a rare Andarion Fyreblood, she is sworn to end the existence of any royal she finds. But when Dagger saves her son's life, she is torn between her people and a debt that can never be repaid. Yet worse than Dagger's family that's still out to end hers, are the League assassins after him who will stop at nothing to claim the lives of her Tavali family. The only hope she has to save them all is to put their future and her faith into the hands of the very enemy whose grandmother personally extinguished Ushara's legendary lineage. But how can she ever trust Dagger when he is a disinherited outlaw whose very name is synonymous with betrayal?

Playing While White

Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The Poisonwood Bible was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

Paradise Lost is an epic poem in twelve books, in English heroic verse without rhyme, by John Milton (C. P. P.) and was published in 1667. The subject is the fall of man, and the expulsion from Paradise.

Born of Legend

Best seller updated and added chapters on the Senate Inquiry Ryszard Szablicki was born in Melbourne on 5 June 1952 and immediately placed in a foundling home _ by his mother. He remained in institutional care for over ten years. In *Orphanage Boy: Through the Eyes of Innocence*, Ryszard recounts his early life in several Catholic institutions through the eyes of that boy, naive and overwhelmed by the perverse corruption and indifference of a system he couldn't hope to understand. In 1996, he joined a class action against the brutality and abuse of one of these institutions. A federal Senate inquiry followed in 2004, investigating similar allegations. Finally, Ryszard received an unreserved apology for these abuses and some peace of mind. It was through these processes that the memories began to spill out. The result is this book: a rare, haunting, tender and heart-rending account of a cold and often brutal world

Born of Rage

Discourses on Livy is the founding document of modern republicanism, and Harvey C. Mansfield and Nathan Tarcov have provided the definitive English translation of this classic work. Faithful to the original Italian text, properly attentive to Machiavelli's idiom and subtlety of thought, it is eminently readable. With a substantial introduction, extensive explanatory notes, a glossary of key words, and an annotated index, the Discourses reveals Machiavelli's radical vision of a new science of politics, a vision of "new modes and orders" that continue to shape the modern ethos. "[Machiavelli] found in Livy the means to inspire scholars for five centuries. Within the Discourses, often hidden and sometimes unintended by their author, lie the seeds of modern political thought. . . . [Mansfield and Tarcov's] translation is careful and idiomatic." Peter Stothard, *The Times* "Translated with painstaking accuracy—but also great readability." *Weekly Standard* "A model of contemporary scholarship and a brave effort at Machiavelli translation that allows the great Florentine to speak in his own voice." *Choice*

Playing While White argues that whiteness matters in sports culture, both on and off the field. Offering critical analysis of athletic stars such as Johnny Manziel, Marshall Henderson, Jordan Spieth, Lance Armstrong, Josh Hamilton, as well as the predominantly white cultures of NASCAR and extreme sports, David Leonard identifies how whiteness is central to the commodification of athletes and the sports they play. Leonard demonstrates that sporting cultures are a key site in the trafficking of racial ideas, narratives, and ideologies. He identifies how white athletes are frequently characterized as intelligent leaders who are presumed innocent of the kinds of transgressions black athletes are often pathologized for. With an analysis of the racial dynamics of sports traditions as varied as football, cycling, hockey, baseball, tennis, snowboarding, and soccer, as well as the reception and media portrayals of specific white athletes, Leonard examines how and why whiteness matters within sports and what that tells us about race in the twenty-first century United States.

Your Silence Will Not Protect You

There were sounds, though they did not come from Michaels bedroom. They were coming from outside. I ran to the window and saw Michael outside in the garden, crying and cold under a shivering moon. In the summer, he would sit in the garden for hours sifting dirt through his delicate fingers. But this night the ground was frozen. Michaels hands were almost frostbitten. We must put a lock on his bedroom door. Words Born of Silence: Unexpected Gifts of Autism is a powerful story of one womans challenging journey with an autistic son. She finds her path made easier and her burden lighter when she is later joined by a friend on the same journey. As she deals with the challenges that her sons autism brings to her daily life, she begins another journey that is also life-defining: the gradual loss of her mother. Through her poignant journal entries, she reveals her first discovery of the extent of her mothers illness and the daily demands of her sons illness. As her mother begins to fade rapidly, she turns to her faith to learn how to trust, to love, and to deal with lifes unexpected lessons.

Born of Trouble

The war is on . . . Counted among the fiercest Andarion warriors ever born, Hauk is one of the five founding members of the Sentella - an organization that has declared war on the League that rules the Ichidian universe with an iron fist and terrifies it with an army of well-trained assassins. But Hauk fears nothing and no one. He will do whatever it takes to survive and protect his Sentella brethren. Sumi Antaxas is one of the best assassins the League has ever trained. In her world, failure is not an option and she has never met a target she couldn't execute. So when she's assigned Hauk, she believes it'll be a quick and easy mission. But nothing is ever as simple as it seems, and Hauk is far better trained and skilled than she imagined. In the race to report information that could bring the Sentella down, she suddenly becomes the hunted. Now her only key to survival is the one man she's been sent to kill. And Hauk doesn't trust her at all . . .

Born of Fire

Improve your game and discover your true potential by increasing your concentration, willpower and confidence. Described by Billie Jean King as her 'tennis bible', Timothy Gallwey's multi-million bestseller, including an introduction from acclaimed sports psychologist Geoff Beattie, has been a phenomenon for players of all abilities since it was first published in 1972. Instead of concentrating on how to improve your technique, it starts from the understanding that 'every game is composed of two parts, an outer game and an inner game'. The former is played against opponents on the court, but the latter is a battle within ourselves as we try and overcome self-doubt and anxiety. It is often won or lost before a ball has been hit. Gallwey's revolutionary approach, built on a foundation of Zen thinking and humanistic psychology, will teach you how to develop your concentration, work on your gamesmanship and help you break bad habits. You will also learn how to trust yourself on the court and how to maintain clarity of mind throughout the match, giving you a clear psychological advantage over your opponent. Whether you are an amateur or a pro, The Inner Game of Tennis is essential reading for overcoming the self-doubt, nervousness, and lapses of concentration that can keep a player from winning. It is guaranteed to change the way you play tennis forever.
