Numbness in your hands usually isn't a sign of an emergency that requires a trip to the hospital. Although it's unlikely, it's possible that hand numbness could be a sign of a stroke.Seek

### **Can I See your Hands: A Guide To Situational Awareness**

The title of this audiobook, Can I See Your Hands, refers to one of the key outcomes of this audiobook - being able to tell whether or not people want to cause us harm. To put it very simply, if you can see someone's hands and they are not concealing them, holding a weapon or positioning to strike you, one's levels of trust and confidence can increase.
