A Tale of Two Vampires

Two Carpathians find hope in the bond that ties their souls in this passionate novel in Christine Feehan's #1 New York Times bestselling series. Stolen from her home at a young age and tormented for centuries, Elisabeta Trigovise is scared to show herself to anyone. Even though she has been rescued and is now safe within the Carpathian compound, she has lived in fear for so long she has no idea how to survive without it. She wants to answer the siren call of her lifemate—but the very thought terrifies her. Before he found Elisabeta, Ferro Arany was an ancient warrior without emotion. Now that his senses have come alive, he knows it will take more than kind words and soft touches to convince the fractured woman that they are partners, not master and prisoner. For now, he will give her his strength until she finds hers, allowing the steady rhythm of his heart to soothe Elisabeta's fragile soul. But even as she learns to stand on her own, the vampire who kept her captive is desperate to claim her again, threatening the song Elisabeta and Ferro are writing together.

At a crucial time when the Civil Rights movement was gaining momentum and hostility between urban police forces and African Americans was close to eruption, Edwards chose solving racial and urban problems as his mission. Incorporating material from a manuscript that Edwards wrote before his death, supplemented by historical research, Stolberg provides a rare case study of problems in policing, the impoverishment of American cities, and the evolution of race relations during the turbulent 1960s.
