### **Dirty Rendezvous**

Dirty War is the first comprehensive look at the Rhodesia's top secret use of chemical and biological weapons (CBW) during their long counterinsurgency against native African nationalists. Having declared its independence from Great Britain in 1965, the government—made up of European settlers and their descendants—almost immediately faced a growing threat from native African nationalists. In the midst of this long and terrible conflict, Rhodesia resorted to chemical and biological weapons against an elusive guerrilla adversary. A small team made up of a few scientists and their students at a remote Rhodesian fort to produce lethal agents for use. Cloaked in the strictest secrecy, these efforts were overseen by a battle-hardened and ruthless officer of Rhodesia's Special Branch and his select team of

policemen. Answerable only to the head of Rhodesian intelligence and the Prime Minister, these men working alongside Rhodesia's elite counterguerrilla military unit, the Selous Scouts, developed the ingenious means to deploy their poisons against the insurgents. The effect of the poisons and disease agents devastated the insurgent groups both inside Rhodesia and at their base camps in neighboring countries. At times in the conflict, the Rhodesians thought that their poisons effort would bring the decisive blow against the guerrillas. For months at a time, the Rhodesian use of CBW accounted for higher casualty rates than conventional weapons. In the end, however, neither CBW use nor conventional battlefield successes could turn the tide. Lacking international political or economic support, Rhodesia's fate from the outset was doomed. Eventually the conflict was settled by the ballot box and Rhodesia became independent Zimbabwe in April 1980. Dirty War is the culmination of nearly two decades of painstaking research and interviews of dozens of former Rhodesian officers who either participated or were knowledgeable about the top secret development and use of CBW. The book also draws on the handful of remaining classified Rhodesian documents that tell the story of the CBW program. Dirty War combines all of the available evidence to provide a compelling account of how a small group of men prepared and used CBW to devastating effect against a largely unprepared and unwitting enemy. Looking at the use of CBW in the context of the Rhodesian conflict, Dirty War provides unique insights into the motivation behind CBW development and use by states, especially by states combating internal insurgencies. As the norms against CBW use have seemingly eroded with CW use evident in Iraq and most recently in Syria, the lessons of the Rhodesian experience are all the more valid and timely.

"Based on five years of research in the field (including berry-picking and traveling with migrants back and forth from Oaxaca up the West Coast), Holmes, an anthropologist and MD in the mold of Paul Farmer and Didier Fassin, uncovers how market forces, anti-immigrant sentiment, and racism undermine health and health care."--From publisher description.

### **Stop Me If You've Heard This: A History and Philosophy of Jokes**

The #1 New York Times bestseller. Over 1 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to:

- make time for new habits (even

when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course; and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

### **Dirty Deeds**

I wanted to fall for a boy. Instead, I fell for a legend Jax and Haley's addictive rockstar-meets-nerd romance trilogy has sold more than 100,000 copies - and it's in ONE PLACE for the first time! Books 1 and 2 contain cliffhangers that build to book 3's in an explosive, unmissable HEA! Immerse yourself in hours of smoldering tension and enthralling romance that promise to leave you "dazed and a little crazed." GOOD GIRL (Wicked #1): I wanted to fall for a man. Instead, I fell for a legend The month I wrote my first piece of code, Jax Jamieson launched his third platinum album. The week I drank my first beer, he spent in jail. The day I got under his skin, I wound up on his tour. And the night he gave me his hoodie... I fell in love forever. BAD GIRL (Wicked #2): Rockstars don't chase college students. But Jax Jamieson's never followed the rules. I thought I knew Jax's secrets. I was wrong. When the fans go home and the lights fade to black, it's just me and him and the people we left behind. I want to escape, until I realize We can do a lot in the dark. WICKED GIRL (Wicked #3): He was a legend, until he walked away. I was nobody, until I was dragged into the light. I was never supposed to be part of Wicked, but it was always part of me. Now it's my turn to do something that matters. Even if the man I

love hates me for it. Jax and Haley's all-consuming, smoldering, emotional, slow burn love story "takes rock star romance to a whole new level." Binge read the complete WICKED trilogy now! ? What romance readers are saying about WICKED: "Holy crap. Piper Lawson takes the rock star trope to a whole new level." -Dawn "One word to describe this series: HOOKED." -Danielle, Short and Sassy "Hot damn, this series is amazing. Funny, sweet, raw, emotional and freaking hot!" -Debbie "So sweet and completely real." -Tamanna "I'm an emotional wreck." -Pam "Oh my goodness this was brilliant." -Anna "An all consuming love story that is sure to leave you a little dazed and crazed." -Catherine "A sweet, slow burn story." -Peggy "Good Girl is all repressed sexual tension and "what could be's" but Bad Girl was smoldering and explosive... I am like a crazed fan waiting in line all night." -Catherine "If you love rock star romances reading this series is a must!!" -KaraLee "There aren't enough words to describe this series, I could try with: amazing, romantic, emotional, enthralling. All I know is that I couldn't stop reading." -Helen "This is binge reading at its finest." -Always Write Topics: contemporary romance, new adult romance, rockstar romance, rock star romance, coming of age romance, slow burn romance, seductive story, hot romance, women's fiction, women's romance, college romance, contemporary woman, piper lawson romance, romance series, romance series, romance books, angsty romance, beach reads, new adult, college, funny, female, stories, sensual, sensual romance, alpha male, dominant male, hot guy, older man younger woman, racy, romance, erotic romance, novel, romance eBook, romance book, bestseller, bestselling series

### **Slumming**

Over the last decade, studies of the Cold War have mushroomed globally. Unfortunately, work on Latin

America has not been well represented in either theoretical or empirical discussions of the broader conflict. With some notable exceptions, studies have proceeded in rather conventional channels, focusing on U.S. policy objectives and high-profile leaders (Fidel Castro) and events (the Cuban Missile Crisis) and drawing largely on U.S. government sources. Moreover, only rarely have U.S. foreign relations scholars engaged productively with Latin American historians who analyze how the international conflict transformed the region's political, social, and cultural life. Representing a collaboration among eleven North American, Latin American, and European historians, anthropologists, and political scientists, this volume attempts to facilitate such a cross-fertilization. In *From the Cold* shifts the focus of attention away from the bipolar conflict, the preoccupation of much of the so-called new Cold War history, in order to showcase research, discussion, and an array of new archival and oral sources centering on the grassroots, where conflicts actually brewed. The collection's contributors examine international and everyday contests over political power and cultural representation, focusing on communities and groups above and underground, on state houses and diplomatic board rooms manned by Latin American and international governing elites, on the relations among states regionally, and, less frequently, on the dynamics between the two great superpowers themselves. In addition to charting new directions for research on the Latin American Cold War, *From the Cold* seeks to contribute more generally to an understanding of the conflict in the global south. Contributors: Ariel C. Armony, Steven J. Bachelor, Thomas S. Blanton, Seth Fein, Piero Gleijeses, Gilbert M. Joseph, Victoria Langland, Carlota McAllister, Stephen Pitti, Daniela Spenser, Eric Zolov

### **Dark Water Rising**

"They all thought they knew him but she knew his heart. Seth Brothers had it all: the hottest album in the world, more money than he'd ever dreamed of, and Dirty--the band he loved like family. But as Dirty hit the big time, Seth hit bottom. Now all Seth's got is the guitar on his back, a heart full of regrets, and one last chance to get it all back including the one thing he never expected. Her. Elle Delacroix has it all--talent, money, fame except the one thing that truly matters. Love The only thing Seth has left to give. There are two sides to every rock 'n' roll story; it's time for Seth to tell his."--Back cover.

### **Seamless**

Dirty Words in "Deadwood" showcases literary analyses of the Deadwood television series by leading western American literary critics. Whereas previous reaction to the series has largely addressed the question of historical accuracy rather than intertextuality or literary complexity, Melody Graulich and Nicolas S. Witschi's edited volume brings a much-needed perspective to Deadwood's representation of the frontier West. As Graulich observes in her introduction: "With its emotional coherence, compelling characterizations, compressed structural brilliance, moral ambiguity, language experiments, interpretation of the past, relevance to the present, and engagement with its literary forebears, Deadwood is an aesthetic triumph as historical fiction and, like much great literature, makes a case for the humanistic value of storytelling." From previously unpublished interviews with series creator David Milch to explorations of sexuality, disability, cinematic technique, and western narrative, this collection focuses on Deadwood as a series ultimately about the imagination, as a verbal and visual construct, and as a literary masterpiece that richly rewards close analysis and interpretation.

## **My Name is Lucy Barton**

Wall Street meets Sons of Anarchy in *Hard Rules*, the smouldering, scorching first novel in the explosively sexy Dirty Money series from New York Times bestseller Lisa Renee Jones, author of the Inside Out series, which Kirkus Reviews calls: 'Angst-y, sexy contemporary romance with big emotional and financial stakes set against the backdrop of two dynamic families. Sure to leave readers desperate for the next installment'. How bad do you want it? The only member of the Brandon empire with a moral compass, Shane Brandon is ready to make his family's business legitimate. His ruthless brother Derek wants to keep Brandon Enterprises cemented in lies, deceit and corruption. But the harder Shane fights to pull the company back into the light, the darker he has to become. Then he meets Emily Stevens, a woman who not only stirs a voracious sexual need in him, but becomes the only thing anchoring him between good and evil. Emily is consumed by an all-encompassing passion for Shane. She trusts him. He trusts her, but therein lies the danger. Because Emily has a secret - the very thing that brought her to him in the first place - and that secret could destroy them both. Are you ready to play by the hard rules of the Brandon family empire? Look for the next enthralling novel in the Dirty Money series, *Damage Control*.

## **Dirty Like Jude**

The Opportunist Olivia Kaspen never imagined she'd get a second chance with her first love, the one she foolishly let slip away. When fate brings them together in a chance encounter, Olivia discovers that not

only has Caleb Drake moved on, but he's forgotten her too. Olivia finds herself asking how far she is willing to go to get him back. Standing in her way is his new girlfriend, a red-headed viper named Leah Smith. Olivia must fight for what was once hers, and in the process discover that sometimes love falls short of redemption.

### **Illywhacker**

Robert Rebein argues that much literary fiction of the 1980s and 90s represents a triumphant, if tortured, return to questions about place and the individual that inspired the works of Hawthorne, Melville, Twain, Faulkner, and other giants of American literature. Concentrating on the realist bent and regional orientation in contemporary fiction, he discusses in detail the various names by which this fiction has been described, including literary postmodernism, minimalism, Hick Chic, Dirty Realism, ecofeminism, and more. Rebein's clearly written, nuanced interpretations of works by Raymond Carver, Cormac McCarthy, Don DeLillo, Louise Erdrich, Dorothy Allison, Barbara Kingsolver, E. Annie Proulx, Chris Offut, and others, will appeal to a wide range of readers.

### **Say Nothing**

A New York Times Notable Book! A New York Times Book Review Editors' Choice The story of how Newt Gingrich and his allies tainted American politics, launching an enduring era of brutal partisan warfare When Donald Trump was elected president in 2016, President Obama observed that Trump “is

not an outlier; he is a culmination, a logical conclusion of the rhetoric and tactics of the Republican Party.” In *Burning Down the House*, historian Julian Zelizer pinpoints the moment when our country was set on a path toward an era of bitterly partisan and ruthless politics, an era that was ignited by Newt Gingrich and his allies. In 1989, Gingrich brought down Democratic Speaker of the House Jim Wright and catapulted himself into the national spotlight. Perhaps more than any other politician, Gingrich introduced the rhetoric and tactics that have shaped Congress and the Republican Party for the last three decades. Elected to Congress in 1978, Gingrich quickly became one of the most powerful figures in America not through innovative ideas or charisma, but through a calculated campaign of attacks against political opponents, casting himself as a savior in a fight of good versus evil. Taking office in the post-Watergate era, he weaponized the good government reforms newly introduced to fight corruption, wielding the rules in ways that shocked the legislators who had created them. His crusade against Democrats culminated in the plot to destroy the political career of Speaker Wright. While some of Gingrich’s fellow Republicans were disturbed by the viciousness of his attacks, party leaders enjoyed his successes so much that they did little collectively to stand in his way. Democrats, for their part, were alarmed, but did not want to sink to his level and took no effective actions to stop him. It didn’t seem to matter that Gingrich’s moral conservatism was hypocritical or that his methods were brazen, his accusations of corruption permanently tarnished his opponents. This brand of warfare worked, not as a strategy for governance but as a path to power, and what Gingrich planted, his fellow Republicans reaped. He led them to their first majority in Congress in decades, and his legacy extends far beyond his tenure in office. From the Contract with America to the rise of the Tea Party and the Trump presidential campaign, his fingerprints can be seen throughout some of the most divisive episodes in contemporary American politics. *Burning Down the House* presents the alarming narrative of how Gingrich and his

allies created a new normal in Washington.

## **Proof of Corruption**

"A narrative about a notorious killing that took place in Northern Ireland during The Troubles and its devastating repercussions to this day"--

## **The Opportunist**

Skye Summers endured a tragic past. She wants what the past stole, and despite lingering scars, she's surviving and thriving. Now she cures the sick, heals the wounded, and takes care of those clinging to life. The only person she can't heal is herself, because Skye is too broken for love. Ash Dean has it all: Fame, fortune, and the adoration of screaming fans. The constant parties, drugs, alcohol, and an endless string of one-night stands are taking their toll. He gives and his fans take, until he's lost within the crowd. He wants someone to see him for the man he wishes to be rather than the one he's become. One fate Two lives Three Days No sex. That's the proposition It would be insane to accept and Skye's a fool to agree, but she's tired of playing it safe. It's time to take a leap of faith, besides what could go wrong?

## **The Tyrant**

Foreword by Steven Pinker Blending the informed analysis of The Signal and the Noise with the

instructive iconoclasm of *Think Like a Freak*, a fascinating, illuminating, and witty look at what the vast amounts of information now instantly available to us reveals about ourselves and our world—provided we ask the right questions. By the end of an average day in the early twenty-first century, human beings searching the internet will amass eight trillion gigabytes of data. This staggering amount of information—unprecedented in history—can tell us a great deal about who we are—the fears, desires, and behaviors that drive us, and the conscious and unconscious decisions we make. From the profound to the mundane, we can gain astonishing knowledge about the human psyche that less than twenty years ago, seemed unfathomable. *Everybody Lies* offers fascinating, surprising, and sometimes laugh-out-loud insights into everything from economics to ethics to sports to race to sex, gender and more, all drawn from the world of big data. What percentage of white voters didn't vote for Barack Obama because he's black? Does where you go to school effect how successful you are in life? Do parents secretly favor boy children over girls? Do violent films affect the crime rate? Can you beat the stock market? How regularly do we lie about our sex lives and who's more self-conscious about sex, men or women? Investigating these questions and a host of others, Seth Stephens-Davidowitz offers revelations that can help us understand ourselves and our lives better. Drawing on studies and experiments on how we really live and think, he demonstrates in fascinating and often funny ways the extent to which all the world is indeed a lab. With conclusions ranging from strange-but-true to thought-provoking to disturbing, he explores the power of this digital truth serum and its deeper potential—revealing biases deeply embedded within us, information we can use to change our culture, and the questions we're afraid to ask that might be essential to our health—both emotional and physical. All of us are touched by big data everyday, and its influence is multiplying. *Everybody Lies* challenges us to think differently about how we see it and the world.

## **Hard Rules: Dirty Money 1**

"Electrifying."—The New York Times Book Review "Encyclopedic and compelling."—The New Yorker  
A New York Times Bestseller A Christian Science Monitor Best Non-Fiction Book of the Year A  
Kirkus Reviews Best Non-Fiction Book of the Year Winner of the PEN Center USA Book Award  
Winner of the Ridenhour Book Prize Winner of the Society of Professional Journalists' Sunshine Award  
Winner of Before Columbus Foundations's American Book Award *Subversives* traces the FBI's secret involvement with three iconic figures who clashed at Berkeley during the 1960s: the ambitious neophyte politician Ronald Reagan, the fierce but fragile radical Mario Savio, and the liberal university president Clark Kerr. Through these converging narratives, the award-winning investigative reporter Seth Rosenfeld tells a dramatic and disturbing story of FBI surveillance, illegal break-ins, infiltration, planted news stories, poison-pen letters, and secret detention lists all centered on the nation's leading public university. Rosenfeld vividly evokes the campus counterculture, as he reveals how the FBI's covert operations—led by Reagan's friend J. Edgar Hoover—helped ignite an era of protest, undermine the Democrats, and benefit Reagan personally and politically. The FBI spent more than \$1 million trying to block the release of the secret files on which *Subversives* is based, but Rosenfeld compelled the bureau to reveal more than 300,000 pages, providing an extraordinary view of what the government was up to during a turning point in our nation. Part history, part biography, and part police procedural, *Subversives* reads like a true-crime mystery as it provides a fresh look at the legacy of the 1960s, sheds new light on one of America's most popular presidents, and tells a cautionary tale about the dangers of unchecked secrecy and power.

## **The American Trap**

While salvaging and rebuilding in the aftermath of the Galveston flood of 1900, sixteen-year-old Seth proves himself in a way that his previous efforts never could, but he still must face his father man-to-man.

## **Atomic Habits**

## **Dirty Rubles**

“Fascinating, profane . . . One of the most original and realistic depictions of the sex lives of young people to come around in a long time” (LA Times), from bestselling, award-winning Daniel Handler. Cole is a boy in high school. He runs cross country, he sketches, he jokes around with friends. But none of this quite matters next to the allure of sex. "Let me put it this way," he says. "Draw a number line, with zero is, you never think about sex and ten is, it's all you think about, and while you are drawing the line, I am thinking about sex." Cole fantasizes about whomever he's looking at. He consumes and shares pornography. And he sleeps with a lot of girls, which is beginning to earn him a not-quite-savory reputation around school. This leaves him adrift with only his best friend for company, and then something startling starts to happen between them that might be what he's been after all this time--and then he meets Grisaille. All the Dirty Parts is an unblinking take on teenage desire in a culture of

unrelenting explicitness and shunted communication, where sex feels like love, but no one knows what love feels like. With short chapters in the style of Jenny Offill or Mary Robison, Daniel Handler gives us a tender, brutal, funny, intoxicating portrait of an age when the lens of sex tilts the world. "There are love stories galore," Cole tells us. "This isn't that. The story I'm typing is all the dirty parts."

### **The Big Book of Porn**

The Rock Star Romance Ultimate is an exclusive collection of rock star romances by New York Times, USA Today, and other bestselling rock star romance authors. Each volume has over a thousand pages. All of the digital proceeds from both volumes of the anthology will go to the North Texas Food Bank. ### **Burning Down the House**

He was her first true love And the worst mistake she ever made. There's always been a spark between Jude Grayson and Roni "Wild Card" Webber. Unfortunately, whenever it ignites it explodes. And they both get burned. As head of security for Dirty--his best friend's rock band--and a member of the West Coast Kings motorcycle club, Jude had a choice to make, long ago. Loyalty or love. Brotherhood or her.

But now the woman he left behind is suddenly everywhere he turns. Problem is, Roni's still got a wild side--and another biker for a boyfriend. And Jude's got a fire for her that just won't die. Roni and Jude are about to play a dangerous game. A game they've never known how to win and their hearts can't afford to lose. Dirty Like Jude is the fifth full-length novel in the Dirty series--a rockstar romance series about the members of the rock band Dirty and the women and men who love them. Novels in the Dirty series are interconnected standalones, each with an HEA; other books (novella/story collection) are not HEA, but are essential pieces of the overall story arcs. (There are ongoing storylines that develop throughout the series; reading them in order is not crucial but is HIGHLY recommended.) Reading order: Dirty Like Me (Dirty #1) Dirty Like Us (Dirty #0.5) (novella) Dirty Like Brody (Dirty #2) A Dirty Wedding Night (Dirty #2.5)(story collection) Dirty Like Seth (Dirty #3) Dirty Like Dylan (Dirty #4) Dirty Like Jude (Dirty #5) Dirty Like Zane (Dirty #6)

### **Dirty Like Us**

"Here comes the super swooper dinosaur--he's flying in for some fun! But what is the perfect game for a boy, a dog, and a dinosaur to play together when they're all so different?"--Back cover.

### **Everybody Lies**

"Lucy Barton is recovering slowly from what should have been a simple operation. Her mother, to whom she hasn't spoken for many years, comes to see her and a simple hospital visit becomes a portal to

the most tender relationship of all--the one between mother and daughter"--

### **Subversives**

Two ambitious young musicians are drawn into the dark underworld of blues-record collecting while navigating the fallout of a scam involving one's claim that a viral video of an unknown singer is a long-lost recording of a famous blues musician.

### **Rock Star Romance Ultimate**

Written by best-selling author, screenwriter, and producer Seth Grahame-Smith (Stephen King's It), with an introduction by horror icon Wes Craven (A Nightmare on Elm Street), this is a hilarious must-read for any horror movie fan and it just might save your life. Are you reading this in a cornfield, at a summer camp, or in an abandoned mental institution? Have you noticed that everything is poorly lit, or that music surges every time you open a door? If the answer is yes, you're probably trapped in a horror movie. But don't freak out—just read this book! With it you will learn how to overcome every obstacle found in scary films, including:

- How to determine what type of horror film you're trapped in
- The five types of slashers and how to defeat them
- How to handle killer dolls, murderous automobiles, and other haunted objects
- How to deal with alien invasions, zombie apocalypses, and other global threats

What to do if you did something last summer, if your corn has children in it, or if you suspect you're already dead

## **In from the Cold**

No dirty deed goes unnoticed in a seductive game of cat and mouse. But for Alec and Gaige, the wrong move could get them killed. Alec Drummond didn't make his billions by playing nice—or by playing much at all. When it comes to pleasure, Alec only has time for whatever's quick and easy, which is exactly what he gets from his company's hot new computer genius. But Gaige Owens isn't some pushover. He pushes back, and it's giving Alec a rush. The question is, could Gaige be the one who's leaking trade secrets? Just to be safe, Alec keeps him close at hand . . . night and day. Gaige never thought he'd roll over for a man like Alec again, but who could resist sex this mind-blowing? Then there's the draw of Alec's mysterious side: his cutthroat ambition, his covert CIA connections, and the murder in his past. For Gaige, a deeper look proves an irresistible temptation. But when Gaige and Alec are stripped of their defenses by an unseen danger, everything they don't know could bring them closer together—or tear them apart. Only one thing is certain: Before it's all over, someone's going down. Fall in love with the men of HelenKay Dimon's thrilling novels: The Tough Love series: MR. AND MR. SMITH | THE TALENTED MR. ### **All the Dirty Parts**

Struggling barista Katie Bloom doesn't even know who Jesse Mayes is until she inadvertently wins the coveted role of sex kitten in his hot new music video. But by the time she's in bed with him, she knows his reputation as a love maker and heartbreaker. Making out with a stranger in front of a camera crew isn't how Katie imagined herself getting over a broken heart but when Jesse touches her, sparks fly. The sex is fake but the chemistry is real and soon the steamy video is blazing up the charts. Then Jesse makes Katie an irresistible offer: act as his girlfriend for six weeks while he promotes his new album. The only catch is that their sizzling make-out sessions will be for the cameras only.

### **Heart's Insanity**

Sometimes, to get what you want in business or in love, you have to get your hands dirty. Luckily for Finn and Justin, dirty comes naturally. Finn Drummond is the baby in a family of sharks—which means he’s worked twice as hard to make a name for himself. After learning the tricks of the trade from his brothers, Finn’s just as ruthless and dominant. Out in the field, his appetites are legendary: for success,

for money, for women and men. But when supplies from Drummond Charities go missing, Finn has to partner up with the smoldering ex–Army grunt who’s always challenging his authority—or giving him mixed signals. Justin Miller wanted his attraction to Finn to be mutual, but the cocky brat always had a girlfriend. Who could blame Justin for trying to move on? Despite their history, they’ve got to work together to figure out who’s been derailing their humanitarian work. But after Justin and Finn are thrown together against gunrunners and kidnappers, their simmering chemistry turns explosive. Turns out, Finn knows how to handle himself in a crisis—and in the sack. Justin only hopes that hot sex is enough to persuade this spoiled pretty boy to do the right thing. Fall in love with the men of HelenKay Dimon’s thrilling novels: The Tough Love series: MR. AND MR. SMITH | THE TALENTED MR. RIVERS | GUARDING MR. FINE The Dirty series: DIRTY DEEDS | DIRTY GAMES This ebook includes an excerpt from another Loveswept title.

### **Global Biosecurity**

In the 1880s, fashionable Londoners left their elegant homes and clubs in Mayfair and Belgravia and crowded into omnibuses bound for midnight tours of the slums of East London. A new word burst into popular usage to describe these descents into the precincts of poverty to see how the poor lived: slumming. In this captivating book, Seth Koven paints a vivid portrait of the practitioners of slumming and their world: who they were, why they went, what they claimed to have found, how it changed them, and how slumming, in turn, powerfully shaped both Victorian and twentieth-century understandings of poverty and social welfare, gender relations, and sexuality. The slums of late-Victorian London became synonymous with all that was wrong with industrial capitalist society. But for philanthropic men and

women eager to free themselves from the starched conventions of bourgeois respectability and domesticity, slums were also places of personal liberation and experimentation. Slumming allowed them to act on their irresistible "attraction of repulsion" for the poor and permitted them, with society's approval, to get dirty and express their own "dirty" desires for intimacy with slum dwellers and, sometimes, with one another. Slumming elucidates the histories of a wide range of preoccupations about poverty and urban life, altruism and sexuality that remain central in Anglo-American culture, including the ethics of undercover investigative reporting, the connections between cross-class sympathy and same-sex desire, and the intermingling of the wish to rescue the poor with the impulse to eroticize and sexually exploit them. By revealing the extent to which politics and erotics, social and sexual categories overflowed their boundaries and transformed one another, Koven recaptures the ethical dilemmas that men and women confronted--and continue to confront--in trying to "love thy neighbor as thyself."

### **The Super Swooper Dinosaur**

In 2014, France lost part of the control of its nuclear power plants to the United States. Frédéric Pierucci, former senior executive of one of Alstom's power company subsidiaries, found himself at the heart of this state scandal. His story goes to the very core of how he plotted the key features of the secret economic war that the United States is waging in Europe. And after being silenced for a long time, he has decided, with the help of journalist Matthieu Aron, to reveal all. In April 2013, Frédéric Pierucci was arrested in New York by the FBI and accused of bribery. The US authorities imprisoned him for more than two years - including fourteen months in a notorious maximum-security prison. In doing so, they forced Alstom to pay the biggest financial penalty ever imposed by the United States. In the end, Alstom

also gave up areas of control to General Electric, its biggest American competitor. Frédéric's story unpacks how the United States is using corporate law as an economic weapon against its own allies. One after the other, some of the world's largest companies are being actively destabilised to the benefit of the US, in acts of economic sabotage that seem to be the beginning of what's to come

### **Dirty Games**

'Makes Game of Thrones look like Jackanory' Independent on The Traitor The Tyrant is a sweeping fantasy of empire and intrigue – the third book in Seth Dickinson's powerful, critically acclaimed fantasy quartet Masquerade. After years of service to the corrupt Imperial Republic of Falcrest, Baru Cormorant finally knows how to destroy it. She's discovered a deadly, weaponized blood plague. And if she releases it, the epidemic will kill millions . . . not just in Falcrest, but worldwide. As her divided mind turns on itself, Baru's enemies close in. She must choose between genocidal retribution and a harder path. All she has to do is defeat a conspiracy of kings, spies and immortals, manipulate the outcome of two great wars, and steal the greatest riches in the world. If Baru triumphs, she can force Falcrest to abandon its colonies and make right its crimes. But does she want a slim chance at justice — or certain revenge? The Tyrant follows The Traitor and The Monster in this extraordinary quartet, and is published as The Tyrant Baru Cormorant in the US.

### **How to Survive a Horror Movie**

An illywhacker is a confidence trickster, and Herbert Badgery, the 139-year-old narrator of this dazzling comic novel, may be the king of them all. Vagabond and charlatan, aviator and car salesman, seducer and patriarch, Badgery travels across the Australian continent and a century in a picaresque novel full of outlandish encounters and dangerous characters. Overflowing with magic, jokes and inventions, *Illywhacker* is a contemporary classic.

### **Get Your Hands Dirty**

In the third volume of his Proof series, New York Times bestselling author Seth Abramson takes readers on a deep dive into the Ukraine scandal, revealing it to be more sinister, complex, and transnational than previously thought. Abramson's research on Trump administration corruption positions the Ukraine scandal as the foreseeable culmination of years of clandestine machinations involving scores of players, from Beijing to Budapest, Ankara to Caracas, Warsaw to Jerusalem, Kyiv to Riyadh, and Moscow to D.C. While many know about the July 2019 telephone call that ignited the Ukraine scandal, most don't know about the concurrent attempts by members of Trump's inner circle to take over Ukraine's national gas company and bolster dangerous pro-Kremlin Ukrainian oligarchs—moves that would have benefited Putin and destabilized Ukraine's government and economy. In Beijing, Trump's dealings with the Chinese government not only enriched him and his family, but also culminated in him successfully seeking 2020 election interference from Xi Jinping in the form of closely held information about Joe Biden. In Venezuela, many of the actors involved in the Ukraine scandal engaged in similarly secretive, Kremlin-friendly negotiations that undermined U.S. policy. In Syria and Iraq, Trump's personal indebtedness to autocrats in Turkey, Israel, Saudi Arabia, and the UAE cost untold lives. And Abramson

brings the story back to an increasingly fractured and depleted United States, where the COVID-19 pandemic exposes the staggering domestic consequences of the Trump administration's foreign machinations. In *Proof of Corruption*, Seth Abramson lays bare Trump's decades-long pattern of corruption. This globe-spanning narrative is an urgent warning about the unprecedented threat posed by a corrupt president and his administration.

### **The Dirty Dozen**

Porn is more mainstream than ever witness recent bestsellers by Jenna Jameson, Traci Lords, *The Vivid Girls*, and Pamela Anderson. Continuing this fine tradition is *The Big Book of Porn* a friendly, funny celebration of adult movies. Chapters include: - *Know Your Classics: The 25 most important adult films.* - *Great Moments in Porn History: From the first stag movie to the invention of the VCR.* - *The Pantheon of Porn: These mini-bios of mega-stars like Seka and Ron Jeremy are filled with surprising trivia.* - *It's a Porn World, After All: Adult movies from Canada, Japan, even Afghanistan.* - *Make Your Own Porno: All you need is a video camera, a willing partner, and these simple pointers ("Tell a story," "Start with a bang," "Parody a real film title").* Best of all, *The Big Book of Porn* is illustrated with classic posters, stills, and production shots from the smutty '70s to the present day. Provocative, authoritative, and laugh-out-loud funny, *The Big Book of Porn* is a proud celebration of history's most scandalous art form.

## **Wicked: A Rockstar Romance Series**

This book explores a range of biohealth and biosecurity threats, places them in context, and offers responses and solutions from global and local, networked and pyramidal, as well as specialized and interdisciplinary perspectives. Specifically covering bioterrorism, emerging infectious diseases, pandemic disease preparedness and remediation, agroterrorism, food safety, and environmental issues, the contributors demonstrate that to counter terrorism of any kind, a global, networked, and multidisciplinary approach is essential. To be successful in biosecurity, this book argues it is necessary to extend partnerships, cooperation, and co-ordination between public health, clinical medicine, private business, law enforcement and other agencies locally, nationally and internationally. Internationally, a clear understanding is needed of what has happened in past epidemics and what was accomplished in past bioprograms (in Britain, South Africa, Russia, for example). This book also assesses how, with the right technology and motivation, both a state and a non-state actor could initiate an extremely credible biothreat to security at both local and national levels. This book will be of much interest to students, researchers and practitioners of security studies, public health, public policy and IR in general. Peter Katona is Associate Professor of Clinical Medicine at the David Geffen School of Medicine at UCLA in Infectious Diseases. He is co-founder of Biological Threat Mitigation, a bioterror consulting firm. John P. Sullivan is a lieutenant with the Los Angeles Sheriff's Department. He is also a researcher focusing on terrorism, conflict disaster, intelligence studies, and urban operations. He is co-founder of the Los Angeles Terrorism Early Warning (TEW) Group. Michael D. Intriligator is Professor of Economics at the University of California, Los Angeles (UCLA). He is also Professor of Political Science, Professor of Public Policy in the School of Public Policy and Social Research, and Co-Director of the Jacob

Marschak Interdisciplinary Colloquium on Mathematics in the Behavioral Sciences, all at UCLA.

## **Fresh Fruit, Broken Bodies**

Trump/Russia is the greatest political scandal in American history. It's also the most complex. In this remarkable and necessary work, novelist Greg Olear weaves the loose threads of Trump/Russia into a short, easy-to-follow narrative. Dirty Rubles is an ideal primer for those new to the story, a useful review for those already in the know, and a guidebook for the agnostic #MAGA fan--a compelling overview of Trump/Russia that every American should read.

## **Hicks, Tribes, and Dirty Realists**

Chronicles the evolution of the joke from the comics of ancient Athens to the performers of today, in an account that profiles famous comic figures and includes a history of the development of racial, political, and sexual humor.

## **Dirty Words in Deadwood**

Modern pinup Master Chas Ray Krider delivers an enthralling body of work with this high quality collection of sex noir imagery. Gorgeous girls dressed up in vintage lingerie, posing shamelessly behind closed doors in slick retro settings; full of exciting interplays between light and shadow which transport

you to a world of love, lust and desire. Highly dirty and highly arty at the same time. Be prepared to be blown away! Dirty Rendezvous is a sensual masterpiece. Provocative, sexy and absolutely classy.

### **Dirty War**

This volume brings together a decade of reflection at the intersection of culture, economics, and theology. Addressing topics ranging from the family to work, politics, and the church, Jordan J. Ballor shows how the Christian faith calls us to get involved deeply and meaningfully in the messiness of the world. Drawing upon theologians and thinkers from across the great scope of the Christian tradition, including Augustine, Thomas Aquinas, Martin Luther, Abraham Kuyper, and Dietrich Bonhoeffer, and engaging a variety of current figures and cultural phenomena, these essays connect the timeless insights of the Christian faith to the pressing challenges of contemporary life.

### **Dirty Like Me**

During the past fifty years, documentary photography and architecture have become increasingly interdependent, blurring the disciplinary boundary between the two. Seamless looks at the work of a new generation of European photographers and architects working together to produce images of architecture made from fragments of reality. At the same time, it investigates how shared digital technologies influence the creation of architecture and its photographic representation through images. Based on a series of interviews, Seamless discusses the collaborations between Filip Dujardin and Jan De Vylder,

Philipp Schaerer and Roger Boltshauser, and Bas Princen and OFFICE Kersten Geers David van Severen. Each of the three sections is illustrated with a series in images that form parallel narratives within the book. In the concluding essay, architect Jesús Vassallo pulls together the treads of the conversations to investigate questions about the impact of digital technology on the value assigned to images, how shared technological platforms enhance the influence photographers and architects have on each other, and why they have often chosen to focus on the dirty realism of the urban spaces.
