### **Arcadia**

Part of a small demon lair in Las Vegas, tattooist Harper Wallis lives a pretty simple life. That changes overnight when she discovers that her psychic mate, or 'anchor', is a guy who's rumoured to be the most powerful demon in existence. Compelling, full of secrets and armed with raw sexuality, Knox Thorne is determined to claim her as his anchor, creating a psychic bond that will prevent their inner demons from ever turning rogue. The billionaire also wants Harper in his bed. She's not so sure she wants either of those things. No one seems to know what breed of demon Knox is, only that he's more dangerous than anything she's ever before encountered. But he refuses to walk away.

And when an unknown danger starts closing in on Harper, it seems that Knox is the only one who can keep her safe. As Prime of his Las Vegas lair and a successful businessman, Knox Thorne is used to being in control. He's also used to people fearing and obeying him. Harper does neither, which unexpectedly amuses him. Unpredictable, elusive and complex, she draws Knox and his inner demon like nothing ever has. Knox is used to getting what he wants, and he wants Harper. He'll have her, and he'll keep her safe from the threat that looms over her. Because Knox protects what's his. He won't allow anyone to take her from him. Even if it will mean letting the demon inside him rise and wreak the havoc it was created to make.

### **Breaking Mr. Cane**

Half-shifter Shaya may hold a submissive role in her wolf pack, but she refuses to let an Alpha male interfere in her life. When Nick refuses to claim her as his mate, she runs off to hide among the humans. Nick can barely control his urges for Shaya, but knows his degenerative brain condition will ultimately destroy him. Yet when she runs away he pursues her-- and discovers Shaya's feisty and passionate side in the process.

## Shadows

They may not be made for each other, but animal instincts are impossible to ignore. Madisyn Drake is a rare breed of cat shifter a loner, unpredictably wild, and emotionally distant. A recent betrayal has left her ready to sharpen her claws on the next man she sees until a prowling wolf with steel-gray eyes and a brooding dark edge challenges her distrust. No matter how fully he satisfies her touch-hunger, Madisyn's not ready to open up again, even if it is oh so gratifying. Bracken Slater has earned his reputation as an indomitable predator. Once broken by grief and guilt, Brack is feeling alive again, thanks to the heady scent of this independent feline. Convincing her that they're meant for each other is going to take more than branding Madisyn's beautiful neck. She's not interested in joining an unfamiliar pack, much less answering to an alpha. But when threats from both their pasts take shape, their unexpected destiny may be the only thing that can save them.
