Fall

We were never supposed to fall in love. We did it anyway. New York Times bestselling author, S.L. Scott, crafts her signature heartfelt style into an epic and emotional, second chance, standalone romance. I have three goals: graduate from an Ivy League university, get into medical school, and follow in my father's well-established footsteps. Everything was going exactly as planned until the local bad boy was delivered to my doorstep. Literally. From the moment we meet, my old life becomes unrecognizable, but I have no regrets. I'm utterly captivated by him. His smirk. His heart. His sharp wit. He pushes me to live, to be wild, to pursue the dream I've always hidden inside. To the rest of the world, we make no sense. Me, the girl from the gilded New England coast. Joshua, from the small city of New Haven. To us, we're destiny. Together, we had it all. Desperately. Madly. In love. Until we didn't. One tragic night changed everything.
