Reaper's Wrath (Road to Salvation: A Last Rider's Trilogy, #2)

Weaving such a long back story for this couple, covering events linking their lives with all the other characters, was a brave decision. Regular readers of the Last Riders and affiliations having been desperately waiting for Gavins story and to have the two main characters finally meet in the last few pages has left a huge cliff hanger.

I absolutely love Jamie Begley's books, most importantly the Last Riders series, however I didn't need to read 465 pages about Gavin and Ginny's past. I understand this is a Trilogy, there is more to come with this couple, but I don't feel I needed to know every single detail about there past to get me to the last 2 minutes of the book, where they finally meet each other.

The Last Riders Series by Jamie Begley - Goodreads

An illusion that The Last Riders would always have his back. Now he was being forced to accept the man they had created. A man who didn't care about anything or anyone, living a life without reason, joy, or peace. A soul so broken that it couldn't be fixed, searching for the one reason to keep himself breathing.
