Home to 33,000 Filipino American residents, Daly City, California, located just outside of San Francisco, has been dubbed “the Pinoy Capital of the United States.” In this fascinating ethnographic study of the lives of Daly City residents, Benito Vergara shows how Daly City has become a magnet for the growing Filipino American community. Vergara challenges rooted notions of colonialism here, addressing the immigrants’ identities, connections and loyalties. Using the lens of transnationalism, he looks at the “double lives” of both recent and established Filipino Americans. Vergara explores how first-generation Pinoys experience homesickness precisely because Daly City is filled with reminders of their homeland’s culture, like newspapers, shops and festivals. Vergara probes into the complicated, ambivalent feelings these immigrants have—toward the Philippines and the United States—and the conflicting obligations they have presented by belonging to a thriving community and yet possessing nostalgia for the homeland and people they left behind.

Famous Crimes Revisited

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. “Gaspingly funny and wonderfully inappropriate.”—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson’s long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Through Your Eyes

My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: "I am completely baffled as to how you can congratulate yourself for being a womanizer and a raging drunk, or think anyone cares about an idiot like you. Do you really

think that exploiting the insecurities of others while getting wasted is a legitimate thing to offer?" "Thank you, thank you, thank you--for sharing with us your wonderful tales of drunken revelry, for teaching me what it means to be a man, for just existing so I know that there is another option; I too can say 'screw the system' and be myself and have fun. My life truly began when I finished reading your stories. Now, when faced with a quandary about what course of action I should take, I just ask myself, 'What Would Tucker Do?'--and I do it, and I am a better man for it." "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist." "I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you." "You are the coolest person I can even imagine existing. If you slept with my girlfriend, it'd make me love her more."

New York Times bestselling author Ali Wentworth offers her hilarious and unique advice on surviving the absurdity of modern life in her third collection of laugh-out-loud comic vignettes. Ali Wentworth's first two books, *Ali in Wonderland* and *Happily Ali After*, were lauded by readers, critics, and fellow comedians alike. *Entertainment Weekly* included *Happily Ali After* on its "Must List" and hailed it as "hilarious. . . . Her glass isn't half full—it's "empty and cracked," while *Cosmopolitan* praised it as "razor-sharp." Chelsea Handler called *Ali in Wonderland* "truly hilarious," and Kathy Griffin christened it, "Chicken Soup for the Vagina." Alec Baldwin has described Ali as "funny and warm and crazy all at once. Like Barbara Eden. But on something. Like crystal meth," and Jerry Seinfeld has raved, "Everything that comes out of Ali Wentworth's mouth is funny!" At once endearing and hilarious, thoughtful and far-fetched, this third collection offers Ali at her wisest and wittiest as she delivers tips, pointers, and quips on a host of life's conundrums and sticky situations, including the funny, sometimes embarrassing yet unforgettable situations that have shaped her inimitable world view as a wife, mother, actress, comedian, and all around bon vivant. Thoroughly entertaining, *Go Ask Ali* is packed with thoughts and musings from "the girlfriend you want to have a glass of wine with, the one who makes you laugh because she sees the funny and the absurd in everything" (*Huffington Post*).

What is it like to be known as Mansoor Ali Khan Pataudi's daughter? Or to have a mother as famous as Sharmila Tagore? Or to be recognized as Saif Ali Khan's sister? Or as Kareena Kapoor's sister-in-law? And where do I stand among them? Actor Soha Ali Khan's debut book is at heart a brilliant collection of personal essays where she recounts with self-deprecating humour what it was like growing up in one of the most illustrious families of the country. With never before published photos from her family's archives, *The Perils of Being Moderately Famous* takes us through some of the most poignant moments of Soha's life—from growing up as a modern-day princess and her days at Balliol College to life as a celebrity in the times of social media culture and finding love in the most unlikely of places—all with refreshing candour and wit.

An engrossing, insider's account of how a teacher built one of the world's most valuable companies—rivaling Walmart & Amazon—and forever reshaped the global economy. In just a decade and half Jack Ma, a man from modest beginnings who started out as an English teacher, founded and built Alibaba into one of the world's largest companies, an e-commerce empire on which hundreds of

millions of Chinese consumers depend. Alibaba's \$25 billion IPO in 2014 was the largest global IPO ever. A Rockefeller of his age who is courted by CEOs and Presidents around the world, Jack is an icon for China's booming private sector and the gatekeeper to hundreds of millions of middle class consumers. Duncan Clark first met Jack in 1999 in the small apartment where Jack founded Alibaba. Granted unprecedented access to a wealth of new material including exclusive interviews, Clark draws on his own experience as an early advisor to Alibaba and two decades in China chronicling the Internet's impact on the country to create an authoritative, compelling narrative account of Alibaba's rise. How did Jack overcome his humble origins and early failures to achieve massive success with Alibaba? How did he outsmart rival entrepreneurs from China and Silicon Valley? Can Alibaba maintain its 80% market share? As it forges ahead into finance and entertainment, are there limits to Alibaba's ambitions? How does the Chinese government view its rise? Will Alibaba expand further overseas, including in the U.S.? Clark tells Alibaba's tale in the context of China's momentous economic and social changes, illuminating an unlikely corporate titan as never before.

The Day They Stole the Mona Lisa

Carmen West likes to paint. Art, she believes, makes up for the lack of light in her. Even if it comes in the form of a boy who carries the sun in his eyes. Asa San Román is afraid his looks are all that he'll be liked for. He's reckless, sometimes hotheaded, incredibly passionate and likes to drown himself in whatever takes the insecurities away. Carmen is satisfied living with her heart under wraps, but then she meets Asa, who wears his on his sleeve—and he reminds her that even after the darkest of nights, comes the breaking of light. Asa is fine with trying to erase parts of his identity, but then she meets Carmen, the girl with midnight hair and thundercloud eyes—who teaches him that beauty doesn't lie in the colour of his skin, but runs soul-deep instead. Asa and Carmen fall into place beside each other like two halves of a jigsaw puzzle—perfectly into place. But then one of them embarks on a journey of self-love while the other still struggles to admit they have too many open wounds that need healing. And when two people, regardless of the intensity of their feelings, are in completely different points of their lives—love really enough?

A Kirkus Reviews Best Middle Grade Book of 2019 “A big-hearted story that's as sweet as it is awesome.” —R.J. Palacio, author of *Wonder* In the tradition of *Wonder* and *Out of My Mind*, this big-hearted middle grade debut tells the story of an irrepressible girl with cerebral palsy whose life takes an unexpected turn when she moves to a new town. Ellie's a girl who tells it like it is. That surprises some people, who see a kid in a wheelchair and think she's going to be all sunshine and cuddles. The thing is, Ellie has big dreams: She might be eating Stouffer's for dinner, but one day she's going to be a professional baker. If she's not writing fan letters to her favorite celebrity chefs, she's practicing recipes on her well-meaning, if overworked, mother. But when Ellie and her mom move so they can help take care of her ailing grandpa, Ellie has to start all over again in a new town at a new school. Except she's not just the new kid—she's the new kid in the wheelchair who lives in the trailer park on the wrong side of town. It all feels like one challenge too many, until Ellie starts to make her first-ever friends. Now she just has to convince her mom that this town might just be the best thing that ever happened to them!

The Great Scavenger Hunt

NEW YORK TIMES BESTSELLER Power couple Marlo Thomas and Phil Donahue have created a compelling and intimate collection of intriguing conversations with famous couples about their enduring marriages and how they have made them last through the challenges we all share. What makes a marriage last? Who doesn't want to know the answer to that question? To unlock this mystery, iconic couple Marlo Thomas and Phil Donahue crisscrossed the country and conducted intimate conversations with forty celebrated couples whose long marriages they've admired--from award-winning actors, athletes, and newsmakers to writers, comedians, musicians, and a former U.S. president and First Lady. Through these conversations, Marlo and Phil also revealed the rich journey of their own marriage. What Makes a Marriage Last offers practical and heartfelt wisdom for couples of all ages, and a rare glimpse into the lives of husbands and wives we have come to know and love. Marlo and Phil's frequently funny, often touching, and always engaging conversations span the marital landscape--from that first rush of new love to keeping that precious spark alive, from navigating hard times to celebrating triumphs, from balancing work and play and family to growing better and stronger together. At once intimate, candid, revelatory, hilarious, instructive, and poignant, this book is a beautiful gift for couples of every age and stage. The Perils of Being Moderately Famous

In the spirit of Mindy Kaling's bestseller *Is Everyone Hanging Out Without Me?* or Judd Apatow's *Sick in the Head*, a collection of humorous, autobiographical essays from Kunal Nayyar, best known as Raj on CBS's #1 hit comedy *The Big Bang Theory*. Of all the charming misfits on television, there's no doubt Raj from *The Big Bang Theory*—the sincere yet incurably geeky Indian astrophysicist—ranks among the misfittingest. Now, we meet the actor who is every bit as loveable as the character he plays on TV. In this revealing collection of essays written in his irreverent, hilarious, and self-deprecating voice, Kunal Nayyar traces his journey from a little boy in New Delhi who mistakes an awkward first kiss for a sacred commitment, gets nosebleeds chugging Coca-Cola to impress other students, and excels in the sport of badminton, to the confident, successful actor on the set of TV's most-watched sitcom since *Friends*. Going behind the scenes of *The Big Bang Theory* and into his personal experiences, Kunal introduces readers to the people who helped him grow, such as his James Bond-loving, mustachioed father. Kunal also walks us through his college years in Portland, where he takes his first sips of alcohol and learns to let loose with his French, 6'8" gentle-giant roommate, works his first-ever job for the university's housekeeping department cleaning toilets for minimum wage, and begins a series of romantic exploits that go just about as well as they would for Raj. (That is, until he meets and marries a former Miss India in an elaborate seven-day event that we get to experience in a chapter titled "My Big Fat Indian Wedding.") Full of heart, but never taking itself too seriously, this witty collection

of underdog tales follows a young man as he traverses two continents in search of a dream, along the way transcending culture and language (and many, many embarrassing incidents) to somehow miraculously land the role of a lifetime.

Half Baked Harvest Super Simple

Winner of numerous literary awards including the Baileys Women's Prize for Fiction, the Geoffrey Faber Memorial Prize and the Goldsmiths Prize, Eimear McBride's debut novel *A Girl is a Half-formed Thing* plunges us into the psyche of a girl with breathtaking fury and intimacy. 'Eimear McBride is a writer of remarkable power and originality.' *Times Literary Supplement* 'An instant classic.' *Guardian* Adapted for the stage by Annie Ryan for *The Corn Exchange*, Eimear McBride's *A Girl is a Half-formed Thing* premiered at the Dublin Theatre Festival 2014. 'Unflinching magnificent The narrative transposes effortlessly to the stage, as if this is where it belongs.' *Guardian* 'One of the best stage adaptations of a novel you're likely to see.' *Sunday Times*

Alice's Adventures in Wonderland

Healthier Together is all about nourishing and cooking for your body and your soul--and the best way to accomplish that is with another person. Food writer and health blogger Liz Moody once followed trendy diets and ate solely for fuel, not for flavor. That changed when she met her soon-to-be-boyfriend and they started cooking nutrient- and vegetable-rich meals. She not only fell in love with food again, but she also discovered that setting goals and sticking to them is easier and more gratifying when paired with someone else. Mincing garlic and sautéing onions together eventually led the couple to marriage--proving that good food really is the universal connector! These 100+ flavor-packed recipes are designed to be cooked and enjoyed by two people, plus they're all gluten-free, dairy-free, and plant-centered. They include homemade alternatives for all the foods you love to share, such as brunch, takeout, and sweet treats. Indulge in Cardamom Banana Bread Pancakes with Candied Coffee Walnuts, Cornflake "Fried" Chicken, General Tso's Cauliflower, and Chocolate Tahini Brownie Bites. Pick your partner--near or far--and get ready to get healthy.

The Growing Classroom

Alice's Adventures in Wonderland (1865) is a novel written by English author Charles Lutwidge Dodgson, better known under the pseudonym Lewis Carroll. It tells the story of a girl named Alice who falls down a rabbit-hole into a fantasy world populated by peculiar and anthropomorphic creatures. The tale is filled with allusions to Dodgson's friends (and enemies), and to the lessons that British schoolchildren were expected to memorize. The tale plays with logic in ways that have made the story of lasting popularity with adults as well as children. It is considered to be one of the most characteristic examples of the genre of literary nonsense, and its narrative course and structure has been enormously influential, mainly in the fantasy genre.

New York Times bestselling author and social media expert Gary Vaynerchuk shares hard-won advice on how to connect with customers and beat the competition. A mash-up of the best elements of *Crush It!* and *The Thank You Economy* with a fresh spin, *Jab, Jab, Jab, Right Hook* is a blueprint to social media marketing strategies that really works. When managers and marketers outline their social media strategies, they plan for the “right hook”—their next sale or campaign that’s going to knock out the competition. Even companies committed to jabbing—patiently engaging with customers to build the relationships crucial to successful social media campaigns—want to land the punch that will take down their opponent or their customer’s resistance in one blow. Right hooks convert traffic to sales and easily show results. Except when they don’t. Thanks to massive change and proliferation in social media platforms, the winning combination of jabs and right hooks is different now. Vaynerchuk shows that while communication is still key, context matters more than ever. It’s not just about developing high-quality content, but developing high-quality content perfectly adapted to specific social media platforms and mobile devices—content tailor-made for Facebook, Instagram, Pinterest, Twitter, and Tumblr.

All Praise is due to Allah, the Lord of the Worlds, the [One Who] Sustains the Heavens and Earths, Director of all that is created, who sent the Messengers (may the peace and blessings of Allah be upon all of them) to rational beings, to guide them and explain the religious laws to them with clearproofs and undeniable arguments. I praise Him for all of His bounties. I ask Him to increase His Grace and Generosity. I bear witness that there is none worthy of worship except Allah alone, who has no partner, the One, Who Subdues, the Generous, the Forgiving. I bear witness that our leader Muhammad is His servant and Messenger, His beloved and dear one, the best of all creation. He was honoured with the

Glorious Qur'an that has been an enduring miracle throughout the years. He was also sent with his guiding Sunnah that shows the way for those who seek guidance. Our leader Muhammad has been particularised with the characteristic of eloquent and pithy speech, and simplicity and ease in the religion. Alibaba

A blazingly funny, heartfelt memoir from the daughter of the larger-than-life woman who ran *Sticky Fingers Brownies*, an underground bakery that distributed thousands of marijuana brownies per month and helped provide medical marijuana to AIDS patients in San Francisco—for fans of Armistead Maupin and Patricia Lockwood. During the '70s in San Francisco, Alia's mother ran the underground *Sticky Fingers Brownies*, delivering upwards of 10,000 illegal marijuana edibles per month throughout the circus-like atmosphere of a city in the throes of major change. She exchanged psychic readings with Alia's future father, and thereafter had a partner in business and life. Decades before cannabis went mainstream, when marijuana was as illicit as heroin, they ingeniously hid themselves in plain sight,

parading through town--and through the scenes and upheavals of the day, from Gay Liberation to the tragedy of the Peoples Temple--in bright and elaborate outfits, the goods wrapped in hand-designed packaging and tucked into Alia's stroller. But the stars were not aligned forever and, after leaving the city and a shoulda-seen-it-coming divorce, Alia and her mom returned to San Francisco in the mid-80s, this time using Sticky Fingers' distribution channels to provide medical marijuana to friends and former customers now suffering the depredations of AIDS. Exhilarating, laugh-out-loud funny, and heartbreaking, Home Baked celebrates an eccentric and remarkable extended family, taking us through love, loss, and finding home.

Inspiralyze Everything

"Hilarious. . . . Her glass isn't half full—it's 'empty and cracked.'"—Entertainment Weekly (the Must List) Moved by a particularly inspirational tweet one day, Ali Wentworth resolves to live by the pithy maxims she discovers in her feeds. What begins as a sort of self-help project quickly turns into something far grander—and increasingly funnier—as the tweets she once viewed with irony become filled with growing metaphysical importance. And thus begins her "Unhappiness Project." It's not all that long before Ali expands her self-improvement quest to include parenting, relationships, fitness (or lack thereof), and dieting advice. The results are painfully (at times literally) clear: when it comes to self-help, sometimes you should leave it to the professionals. "Razor-sharp."—Cosmopolitan "Irresistible. . . . Sharply observant and incisively funny."—Library Journal

Ten Strategies of a World-Class Cyber Security Operations Center conveys MITRE's accumulated expertise on enterprise-grade computer network defense. It covers ten key qualities of leading Cyber Security Operations Centers (CSOCs), ranging from their structure and organization, to processes that best enable smooth operations, to approaches that extract maximum value from key CSOC technology investments. This book offers perspective and context for key decision points in structuring a CSOC, such as what capabilities to offer, how to architect large-scale data collection and analysis, and how to prepare the CSOC team for agile, threat-based response. If you manage, work in, or are standing up a CSOC, this book is for you. It is also available on MITRE's website, www.mitre.org.

A Girl is a Half-Formed Thing

Ally was at a breaking point when she woke up in a psych ward at the age of eighteen. She couldn't put a sentence together, let alone take a shower, eat a meal, or pick up a phone. What had gone wrong? In recent years, she had produced a feature film, a popular reality show for a major network, and had acted in an off-Broadway play. But now, Ally was pushed to a psychotic break after struggling since she was seven years old with physical symptoms that no doctor could explain; everything from joint pain, to night sweats, memory loss, nausea, and brain fog. A doctor in the psych ward was finally able to give her the answers her and her family had desperately been searching for, and the diagnosis that all the previous doctors had missed. She learned that she had Lyme disease-and finally had a breakthrough. What she didn't know was that this diagnosis would lead her down some of the most excruciating years of her life before beginning her journey to recovery from eleven years of misdiagnosis and physical pain. She would need to find her courage to heal physically, mentally, and emotionally, and become the survivor she is today. Set against the backdrop of the fast-paced fashion and entertainment industries, *BITE ME* shares the heartbreaking and hilarious stories that moved Ally forward on her journey from sickness to health. Its themes will be familiar to more than 300,000 Americans diagnosed with Lyme disease each year, many of whom, like Ally, wondered for years what was wrong with them. *BITE ME* offers readers hope and ideas for how one can transition from victim to survivor, and shares the spiritual principles and actions that have contributed to her wholeness as a human, mother, and international spokesperson against Lyme disease.

The Four

This “extraordinary” novel of one man’s border crossing reveals “a human history of sorrow and suffering, all of it beginning with the thirst to be free” (NPR). Héctor is trapped. The water truck, sealed to hide its human cargo, has broken down. The coyotes have taken all the passengers’ money for a

mechanic and have not returned. Héctor finds a name in his friend César's phone: AnniMac. A name with an American number. He must reach her, both for rescue and to pass along the message César has come so far to deliver. But are his messages going through? Over four days, as water and food run low, Héctor tells how he came to this desperate place. His story takes us from Oaxaca—its rich culture, its rapid change—to the dangers of the border, exposing the tangled ties between Mexico and El Norte. And it reminds us of the power of storytelling and the power of hope, as Héctor fights to ensure his message makes it out of the truck and into the world. Both an outstanding suspense novel and an arresting window into the relationship between two great cultures, *The Jaguar's Children* shows how deeply interconnected all of us are. "This is what novels can do—illuminate shadowed lives, enable us to contemplate our own depths of kindness, challenge our beliefs about fate. Vaillant's use of fact to inspire fiction brings to mind a long list of powerful novels from the past decade or so: *What is the What* by Dave Eggers; *The Map of Love* by Ahdaf Soueif; *The Storyteller* by Jodi Picoult." —Amanda Eyre Ward, *The New York Times Book Review* "[A] heartbreaker . . . Wrenching . . . with a voice fresh and plangent enough to disarm resistance." —*The Boston Globe* "Fearless." —*The Globe and Mail*

'Ruth is one of our greatest storytellers. No one writes as warmly and engagingly about the all-important intersection intimate journey told through recipes, as only Ruth can do.' - Alice Waters *My Kitchen Year* follows the change of seasons as Ruth Reichl heals through the simple pleasures of cooking after the abrupt closing of *Gourmet* magazine. Each dish Reichl prepares for herself - and for her family and friends - represents a life's passion for food: a blistering ma po tofu that shakes Reichl out of the blues; slow-cooked beef, wine and onion stew that fills the kitchen with rich aromas; a rhubarb sundae to signal the arrival of spring. Part cookbook, part personal narrative, part paean to the household gods, *My Kitchen Year* reveals Reichl's most treasured recipes, to be shared over and over again with those we love.

The Jaguar's Children

In his highly provocative first book, Scott Galloway pulls back the curtain on exactly how Amazon, Apple, Facebook, and Google built their massive empires. While the media spins tales about superior products and designs, and the power of technological innovation, Galloway exposes the truth: none of these four are first movers technologically - they've either copied, stolen, or acquired their ideas. Readers will come away with fresh, game-changing insights about what it takes to win in today's economy. Print run 125,000.

Yes, My Accent Is Real

This publication contains practical guidance on the design, implementation and evaluation of appropriate

food fortification programmes. They are designed primarily for use by nutrition-related public health programme managers, but should also be useful to all those working to control micronutrient malnutrition, including the food industry. The guidelines are written from a nutrition and public health perspective, and topics discussed include: the concept of food fortification as a potential strategy for the control of micronutrient malnutrition; the prevalence, causes, and consequences of micronutrient deficiencies, and the public health benefits of micronutrient malnutrition control; technical information on the various chemical forms of micronutrients that can be used to fortify foods; regulation and international harmonisation, communication, advocacy, consumer marketing and public education.

Ali in Wonderland

The 'Global Report on Human Settlements' demonstrates that to meet the UN millennium goals of significantly improving the lives of 100 million slum dwellers by 2020, policies must go beyond traditional infrastructural approaches to create livelihoods, and hope, for the urban poor.

The Challenge of Slums

A collection of hilarious personal essays, poems and even amusement park maps on the subjects of insecurity, fame, anxiety, and much more from the charming and wickedly funny creator of Crazy Ex-Girlfriend. "It's nice to know someone as talented as Rachel is also pretty weird. If you're like me and love Rachel Bloom, this hilarious, personal book will make you love her even more." - Mindy Kaling "Rachel is one of the funniest, bravest people of our generation and this book blew me away." - Amy Schumer Rachel Bloom has felt abnormal and out of place her whole life. In this exploration of what she thinks makes her 'different', she's come to realise that a lot of people also feel this way; even people who she otherwise thought were 'normal'. In a collection of laugh-out-loud funny essays, all told in the unique voice (sometimes singing voice) that made her a star, Rachel writes about everything from her love of Disney, OCD and depression, weirdness, and female friendships to the story of how she didn't poop in the toilet until she was four years old. It's a hilarious, smart, and infinitely relatable collection (except for the pooping thing).
