The Glass Queen

Eight stories of supernatural romance. Four New York Times bestselling authors. One supernaturally seductive town where "Desperate Housewives meets Charmed" (Fresh Fiction). Welcome to Mysteria, Colorado, home to a vegan vampire, a neighborly werewolf, a pair of sisterly witches, a demon nanny, and many more creatures that go bump in the night. Passions run high in this hot two-in-one omnibus edition of Mysteria and Mysteria Lane.

The Satanic Verses

His followers called him Mahasamatman and said he was a god. He preferred to drop the Maha- and the -atman, however, and called himself Sam. He never claimed to be a god, but then he never claimed not to be a god. A holy war rages across the heavens and mankind's fate hangs in the balance.

Mysteria

It's the beginning of summer break, and high school English teacher Shannon Parker is ready to relax poolside with some red wine and a good book. She's friggin' earned it! But first—a little shopping, a la fancy estate auction. Surrounded by old folks and even older artifacts, Shannon never expects to find something that shocks her down to her very core: an ancient vase, complete with a beautiful painting of a goddess that looks just like her. And just as she's stealing away with her seriously suspicious purchase, she's magically thrown into the world of Partholon, where not only has she taken the place of Rhiannon, Goddess Incarnate and Epona's Chosen, but she's due to be married to a surly (but oh-so-handsome) High Shaman centaur, Clan Fintan. But serving as Epona's Chosen isn't just luxury baths and buff horse-guys. A dark power grows in the wastelands to the north,

and Rhiannon will need much more than just the favor of Epona to protect the land—and the man—she's grown to love.

The Goddess Is in the Details

Pea Chamberlain needs help. Her shoes, hair, clothes, make-up are all disasters and she really needs a makeover - especially if she wants to attract sexy fireman Griffin DeAngelo at the firemen's masked ball. And who better to coax Pea out of her pod than the Goddess of Love, whom she invokes when she gets her hands on a book of enchantments. Sure enough, Venus works her magic on Pea, which is what she has been doing for eons - helping others find love. But who will help the Goddess of Love when she finds herself falling head over heels for the same sexy fireman she is trying to land for Pea? Could it be that Venus needs a love makeover herself?

American Demon

Eternal salutations to Sri Durga, to Sri Kali, the boundless ocean of spiritual Wisdom who is the Divine Mother of the Universe. This ever-present Goddess epitomizes both the bliss of unlimited Awareness and the enthralling play of universal projection. She manifests countless beings abiding in an infinite set of worlds, seen and unseen, gross and subtle, hidden and exposed. Her existence is confirmed by the holy scriptures, for She is perceived intellectually by means of the Six Darshanas, Her perpetually flowing streams of eternal spiritual knowledge. She is approached and contacted by the devotees through intense sadhana, spiritual disciplines prescribed by the guru, and She is accessible through contemplation and meditation. Ultimately, She is realized as the essence of limitless Consciousness, infinite, indivisible, all-pervading and absolute. The Twenty-Four Aspects of Mother Kali, then, represent in book form an attempt to remind humanity of their divine parentage, of their divine nature, of their source of origin. It is hoped that those who are still asleep to this supreme verity called the Divine Mother of the Universe will have their inherent spirituality awakened; that those who have fallen into complacency or despondency will have their commitment to this non-dual Truth of existence rekindled; that those who are already abiding in this Truth will further exult in this sublime Essence of pure Being and continue to spread the pure light of Timeless Awareness to all inhabitants sporting consciously or unconsciously in the boundless ocean of the Universal Mother's ineffable Grace.

The Odyssey of Homer

Celebrating Seasons of the Goddess restores the original vision of celebrating cultural and natural landmarks from the perspective of Goddess feminist activism. By taking such categories as time, seasons, nature and the female divine as a point of departure, this book brings modern minds out of patriarchal holiday conventions and invites the reader to join the sobering chorus, led by our 35 authors-writers, researchers, poets, artists, ritualists, photographers and activists from around the world. At an individual level, this book presents a wide range of theological expressions in 88 chapters that are self-transcending and metamorphic. Its Goddess Spirituality, which may be called Engaged Goddess Spirituality, is characterized by the impetus to derail the cultural and spiritual paradigm of patriarchal religions. In other words, this book, fueled by the commitment to feminist social change, undertakes the task of undercutting the main nerve of patriarchal advancements that peril the terrestrial community at an ever-magnifying scale. However, *Celebrating Seasons of the Goddess* does not stop there. Summoning the time/space of the Primordial Mother, *HERE/NOW*, it re-channels seemingly isolated spiritual practices of the world to the consciousness of WE in S/HE.

In short, it is a multi-faceted practical book that accompanies one's process of awakening and commitment to Engaged Goddess Spirituality. This book aims at the following: Discovering and owning Nature's female rhythms Personalizing cosmic time Riding Earth's seasons Countering foreground patriarchal propagandas Politicizing female experiences as salvific Commemorating Goddesses and gynocentric cultures Befriending non-human members of the terrestrial community Supporting Indigenous struggles Exploring nature-based lifestyles Engaging spirituality with feminist activism Awakening the deep memory of WE Cultivating the primordial consciousness of the Creatrix Section titles are: Section One: Time, Nature and the Goddess Section Two: The Chorus in Poetry, Art and Ritual Section Three: The Wheel of Seasons Section Four: A New Beginning, Winter Solstice Sections One, Three, and Four follow thematic categories, while Section Two is a collection of such genres as poetry, prose, art, and photography, which therefore stands as an autonomous booklet that contains the themes of the other three sections. Readers may opt to read this book perennially (Section One, Two, and Three) and seasonally (Section Four for Winter Solstice).

WARNING: Please read this warning before you proceed to call upon Kali. Kali is fierce. Meaning, when you use her mantra you are invoking a fierce energy. Her energy is not subtle. The results can be rather dramatic, Kali, the dark mother of the Hindu pantheon is oft the most misunderstood Goddess in all human spiritual endeavor. Her images often depict her as being an evil and demonic force that few should ever dare call upon whilst others worship her as benign Goddess whom bestows blessings upon her supplicants. She is, in fact, both of these . Kali will challenge the stuffiness and properness you have acquired in this life. She will challenge who you think you are. She will spit in your face, she will push your buttons and will humble you. She will make you face your demons. Cut away your pride. She will make you grow whether you feel you're ready or not. All for the sake of breaking you out of your shell, a shell you so readily hide in. Kali will throw you into your challenges raw. Thus, letting you learn on your own. She would be the one to push you into the deep end of the pool so you can learn to swim. She will show you the futility of your overly valued words and notions of yourself to which we all idolatrously worship. If you are ready to call Upon Kali then this book is for you.

After drinking too much champagne, she recites a divine invocation to revive her humdrum life. But how is she to know the spell actually works? When her plane crashes into the ocean, CC's life changes forever. She awakens, bewildered, to find herself in a legendary time and place ruled by magic - and in the body of the mythical mermaid Undine. But danger lurks in the water, ready to swallow CC whole. Taking pity on her, the goddess Gaea turns CC into a damsel so that she might seek shelter on land. When a dashing knight comes to CC's rescue, instead of falling for this dream-come-true, she aches for the sea and the darkly sexy merman who's stolen her heart . . .

Goddess Of Legend

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, *The New York Times*). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Club, Christian Science Monitor, Refinery 29, BuzzFeed, Paste, Audible, Kirkus, Publishers Weekly, Thrillist, NYPL, Self, Real Simple, Goodreads, Boston Globe, Electric Literature, BookPage, the Guardian, Book Riot, Seattle Times, and Business Insider.
