## You Can Be Happy

Although no one has ever said that growing old is a zany laugh riot, humor certainly eases the path to and through one's golden years. And here is a heaping dose of jokes and anecdotes (anecdotes for one's anecdote, you might say) to lighten and brighten the day of anyone who's reached that certain age. You and the special senior in your life will laugh at jokes about a wide range of subjects, including . . . One-Liners: "I've learned that life is like a roll of toilet paper. The closer it gets to the end, the faster it goes." —Andy Rooney Memory: A senior citizen driving on the highway received a cell phone call from his wife. "Herman, be careful! I just heard on the radio that there was a madman driving the wrong way on Route 280!" The husband replied, "I know, but there isn't just one—there are hundreds!" Sex and the Senior: An eighty-two-year-old man went to his doctor for a physical. A few days later the doctor saw him walking down the street with a gorgeous young woman on his arm. Several days later the doctor spoke to his patient and commented, "You're really doing great, aren't you?" The man replied, "I'm just doing what you said, Doc—'Get a hot mamma and be cheerful.'" The doctor said, "I didn't say that. I said, 'You've got a heart murmur. Be careful.'" Belly Laughs is a "lode" of fun for the young at heart of all ages, especially the golden age. Remember this bit of sage advice: "If you laugh a lot, when you get older your wrinkles will be in the right places."

What is it about lawyers that has made them the butt of hundreds and hundreds of jokes over the centuries? Whatever the reason, everyone—including lawyers and judges themselves—has had a hearty chuckle over attorney-aimed humor. Hilarious Lawyer Jokes pokes the most fun (and malice) at a profession that has been targeted with humorous jabs for centuries. From this single hilarious source, with full-color illustrations, get your one-liners (Q: How many lawyer jokes are there? A: Only three. The rest are true stories.), your historical and literary quotations (Litigation: A machine that you go into as a pig and come out of as a sausage—Ambrose Bierce: The Devil ' s Dictionary), and all the lengthier, fun-to-share forensic funnies you can handle, such as: A lawyer was driving his big BMW down the highway, singing to himself, “ I love my BMW, I love my BMW. ” Focusing on his car, not his driving, he smashed into a tree. He miraculously survived, but his car was totaled. “ My BMW! My BMW! ” he sobbed. A good Samaritan drove by and cried out, “ Sir, sir, you ' re bleeding. And, my god, your left arm is gone! ” The lawyer looked down and screamed, “ My Rolex! My Rolex! ” In summation, you must find Hilarious Lawyer Jokes guilty of disorder in court and sentence all who read this perfect gift for any lawyer, client, judge, law student, or wannabe attorney to many hours of laughter.

### Joyce in the Belly of the Big Truck; Workbook

Look at me. Do you see me? Do you see me in my olive-green uniform, beret, and shiny black boots? Do you see the assault rifle slung across my chest? Finally! I am the badass Israeli soldier at the side of the road, in sunglasses, forearms like bricks. And honestly -- have you ever seen anything quite like me? Joel Chasnoff is twenty-four years old, an American, and the graduate of an Ivy League university. But when his career as a stand-up comic fails to get off the ground, Chasnoff decides it's time for a serious change of pace. Leaving behind his amenity-laden Brooklyn apartment for a plane ticket to Israel, Joel trades in the comforts of being a stereotypical American Jewish male for an Uzi, dog tags (with his name misspelled), and serious mental and physical abuse at the hands of the Israeli Army. The 188th Crybaby Brigade is a hilarious and poignant account of Chasnoff's year in the Israel Defense Forces -- a year that he volunteered for, and that he'll never get back. As a member of the 188th Armored Brigade, a unit trained on the Merkava tanks that make up the backbone of Israeli ground forces, Chasnoff finds himself caught in a twilight zone-like world of mandatory snack breaks, battalion sing-alongs, and eighteen-year-old Israeli mama's boys who feign injuries to get out of guard duty and claim diarrhea to avoid kitchen work. More time is spent arguing over how to roll a sleeve cuff than studying the mechanics of the Merkava tanks. The platoon sergeants are barely older than the soldiers and are younger than Chasnoff himself. By the time he's sent to Lebanon for a tour of duty against Hezbollah, Chasnoff knows everything about why snot dries out in the desert, yet has never been trained in firing the MAG. And all this while his relationship with his tough-as-nails Israeli girlfriend (herself a former drill sergeant) crumbles before his very eyes. The lone American in a platoon of eighteen-year-old Israelis, Chasnoff takes readers into the barracks; over, under, and through

political fences; and face-to-face with the absurd reality of life in the Israeli Army. It is a brash and gritty depiction of combat, rife with ego clashes, breakdowns in morale, training mishaps that almost cost lives, and the barely containable sexual urges of a group of teenagers. What's more, it's an on-the-ground account of life in one of the most embattled armies on earth -- an occupying force in a hostile land, surrounded by enemy governments and terrorists, reviled by much of the world. With equal parts irreverence and vulnerability, irony and intimacy, Chasnoff narrates a new kind of coming-of-age story -- one that teaches us, moves us, and makes us laugh.
