The Written

Based on first-hand accounts from Roma communities, Romaphobia is an examination of the discrimination faced by one of the most persecuted groups in Europe. Well-researched and informative, it shows that this discrimination has its roots in the early history of the European nation-state, and the ways in which the landless Roma have been excluded from national communities founded upon a notion of belonging to a particular territory. Romaphobia allows us to unpick this relationship between identity and belonging, and shows the way towards the inclusion of Roma in society, providing vital insights for other marginalized communities.

her. Quasimodo, the deformed bell ringer of Notre-Dame Cathedral, having fallen in love with the kindhearted Esmeralda, tries to save her by hiding her in the cathedral's tower.

Signs of Cupidity

Three Men in a Boat published in 1889, is a humorous account by English writer Jerome K. Jerome of a two-week boating holiday on the Thames from Kingston upon Thames to Oxford and back to Kingston. The book was initially intended to be a serious travel guide, with accounts of local history along the route, but the humorous elements took over to the point where the serious and somewhat sentimental passages seem a distraction to the comic novel. One of the most praised things about Three Men in a Boat is how undated it appears to modern readers - the jokes have been praised as fresh and witt

Worth It

You'd think that basically being in charge of love would be an epic job, right? Wrong. Sure, I can blow some Lust into people's faces and watch the show, but I can't actually participate. It gets old, trust me. Same goes for love. I can pass it out like sugar-free lollipops at a dentist's office, but I can't get any love for myself. It totally sucks. I used to consider myself a hopeless romantic, so why wouldn't I choose to become a cupid? Sounds like a good idea, right? Wrong again. They don't call us stupid cupids for nothing. I'm stuck in this never-ending afterlife where I'm invisible, lonely, and bitter as hell. And yeah, I'm probably responsible for some terrible matchmaking out there. Sorry, not sorry. All my bad cupid'ing might be why I was exiled from the human realm. You can only do so much before the cupid bosses get all huffy. Unfortunately, my bitterness carried over into the new realm, and then I attacked a fae prince with Love Arrows. Accidentally. Okay, not accidentally. But hey, he deserved it. What I didn't expect was for him to retaliate and hit my ass with some crazy magic mojo strong enough to push me into the physical realm. Whoa. That's right. This cupid just got a real body. And you know what that means Now, it's my turn to get some. Love, I mean. Get your head out of the gutter. Wink, wink bitches. Author's Note: This is a medium-burn reverse harem story. It includes explicit language and sexual situations. Intended for audiences 18 years and older. As this is a series, there will be a cliffhanger.

More Than Words

'I needed to get to the stopping places, so I needed to get on the road. It was the road where I might at last find out where I belonged.' Damian Le Bas grew up surrounded by Gypsy history. His great-grandmother would tell him stories of her childhood in the ancient Romani language; the places they worked, the ways they lived, the superstitions and lores of their people. In a bid to better understand his heritage, Damian sets out on a journey to discover the stopping places - the old encampment sites known only to Travellers. Through winter frosts and summer dawns, from horse fairs to Gypsy churches, Damian lives on the road, somewhere between the romanticised Gypsies of old, and their much-maligned descendants of today. 'A beautiful writer who seems born to tell this fascinating story' Amy Liptrot Winner of the Somerset Maugham Award Shortlisted for the Edward Stanford Travel Writing Award Longlisted for the Wainwright Prize

The Paris Bath and Beauty Book

Across Europe, Roma and Gypsies are suffering increasing intolerance and hostility. A new populist politics, that seeks political meaning in collective experiences and values forms of solidarity rooted in town, class, community or nation, finds in the Roma a suitable target population to which 'ordinary citizens fears and frustrations can be attached. This politics draws on a rising tide of xenophobia; a feeling of loss of sovereignty and democratic oversight; disillusionment with political elites; frustrations with the failure of welfare programmes; the presentation of social and political conflicts as cultural issues; and a growing rejection of the ideal of a trans-national European order. The Gypsy Menace's fifteen chapters range geographically from Belfast to Sofia, via Paris, Rome, Prague and Budapest. They show how, in their reactions to the presence of ten million or so Romany persons in their midst, some Europeans are testing the limits of the 'social imaginary' and beginning to flesh out new ways of thinking about the ties that bind and connect citizens in Europe - and those that can be severed. The authors, who include political scientists, sociologists and anthropologists from across the continent, set the rapid shifts in political debate regarding Roma against the background of huge social and economic changes in the past thirty years, the recent, frightening resurgence of populist politics, and a noticeable increase in inter-ethnic violence and hate crimes. This book resets the agenda for thinking about Europe's largest minority, analysing not only the challenges a liberal, tolerant politics confronts but also suggesting ways of acting against the new xenophobia.

I'm not all that special, really. Or uncommon. I'm sure there are a lot of girls with old gypsy blood who see the dead, have killer cults hunting their family, and turn into something that gets scary when they panic. Yep. Completely unoriginal, if I do say so myself. Move along. Nothing to see here. Nope. I'm just an ordinary girl. I wish people would believe that. I've been labeled as one thing or another for most of my life: Death Girl. Crazy Gypsy Girl. Gothic Chick. Monster. It took my mother's death for me to finally start getting answers about what's really been going on. Unfortunately, most of the answers come from men who aren't just men. Somehow, I've gone and landed myself in a world truly filled with monsters, and I'm starting to think this is where I should have been all along. Only I don't understand what's going on. I'm walking into the middle of a story that's thousands of years old, and I'm the new girl on the block who doesn't have a clue how

this world even works. My only guides happen to be the most lethal of the bunch. They decide who lives or dies. They decide who gets stabbed or tortured. Yeah I've gone and drawn attention to myself, and the ones paying attention are the ones everyone else seems to fear. The Gypsy Game

"The eviction at Dale Farm in the UK in 2011 brought the conflicting issues relating to Gypsy and Traveller accommodation to the attention of the world's media. However, as the furore surrounding the eviction has died down, the very pressing issues of accommodation need, inequality of access to education, healthcare and employment, and exclusion from British (and European) society is still very much evident. This topical book examines and debates a range of themes facing Gypsies and Travellers in British society, including health, social policy, employment and education. It also looks at the dilemmas faced in representing disadvantaged minority groups in media and political discourse, theories on power, control and justice and the impact of European initiatives on inclusion. Gypsies and Travellers: Empowerment and Inclusion in British Society will be of interest to students, academics, policy makers, practitioners, those working in the media, police, education and health services, and of course to Gypsies and Travellers themselves." --Publisher's website.

Bend Me Over

I'm like a snowball rolling downhill. That's the first thing that pops into my mind when I try to explain my life. I don't know exactly 'what' I am, but I do know who I am. At least I did. Sometimes life sends things your way that upend everything you thought you knew, and then slings you in another direction without any sort of harness or warning. Sometimes it drops someone like me off in the path of four wildly different monsters, who all used to be best friends, but now sort of hate each other and compete over absolutely everything, including me. Life would be easier if I wasn't already attached to those four monsters, but they occasionally let their guard down around me, and I get a glimpse of what has to stay hidden under all those snowball layers, since they already rolled downhill a long time ago. I'm tired of losing people I care about. I'm tired of searching aimlessly for answers. I'm tired of not having the right questions to ask. I'm really tired of feeling like my vagina is cursed, but that's obviously lower on the list of priorities. But in my vagina's defense, it may not do tricks, but I keep it pretty. It shouldn't keep scaring men/monsters off so easily, and it's honestly starting to make me feel a little insecure. Anyway, I'm finally closer than ever to having all the answers. So long as no new secrets emerge. **Reverse Harem Romance** Dark Humor **Intended for mature audiences. **Cannot be read as a stand-alone** Language warning Previous books in the series: Gypsy

Prince of Wolves

The Hunchback of Notre Dame (French: Notre-Dame de Paris) is an 1831 French novel written by Victor Hugo. It is set in 1482 in Paris, in and around the cathedral of Notre Dame de Paris. The book tells the story of a poor barefoot Gypsy girl (La Esmeralda) and a misshapen bell-ringer (Quasimodo) who was raised by the Archdeacon (Claude Frollo). The book was written as a statement to preserve the Notre Dame cathedral and not to 'modernize' it, as Hugo was thoroughly against this. The story begins during the Renaissance in 1482, the day of the Festival of Fools in Paris. Quasimodo, the deformed bell ringer, is introduced by his crowning as Pope of Fools. Esméralda, a beautiful 16-year-old gypsy with a kind and generous heart, captures the hearts of many men but especially Quasimodo's adopted father, Claude Frollo. Frollo is torn between his lust and the rules of the church. He orders Quasimodo to get her. Quasimodo is caught and whipped and ordered to be tied down in the heat. Esméralda seeing his thirst, offers him water. It saves her, for she captures the heart of the hunchback.

HAWKEYE TWO: BEND ME OVER Protecting sexy and uptight professor Aimee takes an interesting turn when Trace Romero discovers she has a secret passion for BDSM. Aimee's not ready to trust a tall, dark, gorgeous stranger with her body "or" her life. She would send him on his way, if her sister weren't so concerned about the break in at her house, and if she hadn't threatened protective custody. But protective custody might have been slightly less overwhelming than Trace demanding her complete capitulation, mind and body, and more -- her total trust. But that trust may be the only thing standing between her and a madman determined to kill her. HAWKEYE THREE: MAKE ME Competent and in control, Ms. Inamorata, Hawkeye's righthand woman, has the perfect relationship with hunky fellow operative Wesley Lowell. Several times a week, she shows up at his house, has fabulous sex, meaningless conversation, and then returns home and to her regular life. Hawkeye operative Wesley Lowell wants sexy, mysterious Ms. Inamorata in his life and his bed. Fed up with Inamorata's "here for the sex and gone in the morning" terms, he bends her over the bed, and

takes her the way he wants to: hard, fast, dominating. Against her own wishes, Inamorata responds to his more heated sexual demands. For the first time since they've been together, he makes her beg for an orgasm, and beg she does. This oh-so-sexy man turns her life upside down, until she realizes she needs him not only as a demanding lover, but needs him by her side to solve a case that causes past and present to collide. "Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: BDSM theme and elements."

The Glass Castle

From the New York Times bestselling author of Stepbrother Dearest, comes a new forbidden STANDALONE romance. What happens when the one you want is the only one you can't have? It was set in stone. Elle and I were getting married. After years of rebelling against everything

good and wholesome, I finally gave in and took up with a nice girl. After a long-distance relationship, I moved into her family's guesthouse so we could spend time together in the months before the wedding. Elle was unlike anyone I'd ever been with. She was so innocent, and I had to respect her choice to wait until after we were married to have sex. I'd accepted that as my fate--even learned to control my desires. Until I met her...the one. That was when restraint became a problem...especially since "the one" wasn't Elle. It was her sister, Evangeline. And I was screwed. Told in alternating points of view, *Sins of Sevin* is a full-length standalone novel.

Play with Me

The post-apocalyptic modern classic with an introduction by novelist John Banville. In a burned-out America, a father and his young son walk under a darkened sky, heading slowly for the coast. They have no idea what, if anything, awaits them there. The landscape is destroyed, nothing moves save the ash on the wind and cruel, lawless men stalk the roadside, lying in wait. Attempting to survive in this brave new world, the young boy and his protector have nothing but a pistol to defend themselves. They must keep walking. Winner of the Pulitzer Prize for Fiction, *The Road* is an incandescent novel, the story of a remarkable and profoundly moving journey. In this unflinching study of the best and worst of humankind, Cormac McCarthy boldly divines a future without hope, but one in which, miraculously, this young family finds tenderness. An exemplar of post-apocalyptic writing, *The Road* is a true modern classic, a masterful, moving and increasingly prescient novel.

Gypsy Blood

The kids from *The Egypt Game* are back. What game will they play next? The answer is *Gypsies*. While April plunges in with her usual enthusiasm, the more Melanie learns, the more something seems to be holding her back. The Road

Kami Glass is in love with someone she's never met - a boy the rest of the world is convinced is imaginary. This has made her an outsider in the sleepy English town of Sorry-in-the-Vale, but she doesn't complain. She runs the school newspaper and keeps to herself for the most part - until disturbing events begin to happen. There has been screaming in the woods and the dark, abandoned manor on the hill overlooking the town has lit up for the first time in 10 years. The Lynburn family, who ruled the town a generation ago and who all left without warning, have returned. As Kami starts to investigate for the paper, she finds out that the town she has loved all her life is hiding a multitude of secrets- and a murderer- and the key to it all just might be the boy in her head. The boy who everyone thought was imaginary may be real...and he may be dangerous.

The Hula-Hoopin' Queen

When I fell, I fell hard. After refusing to choose between good and evil, high or low, Heaven or Hell, I was exiled and fell from my pedestal and landed in a cesspit that was Earth. Stripped of my wings, and left with only two of the five gifts that I was gifted with from Him, I've been forced to live my immortal life amongst the humans. Make no mistake, as much as a punishment for choosing neither side this was supposed to be, it's become my sanctuary, my haven. Although a disaster when I landed, Earth has become my home, a place where I can blend with the humans, live my endless life moving from one place to another. That is until my home is invaded by four angels, all hell bent on making me to choose a side. They're in for a sure surprise when they realise my choice will forever and always be the same: humanity. A foreign concept to any angel. Well, any angel but me, it seems. Yes, humanity have their flaws, but so do I. I'll choose my perfectly imperfect life, and there's not a damn thing any angel can do to change that. So, yeah, I fell hard. But I fell for the flaws of being human even harder. *This is a Reverse Harem novel!

Unspoken

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West

Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
