Unspoken

There was a time when I was a princess with no power. I had no choice but to run, because I wanted control over my own life. However, when you spend your life planning your next escape, you forget to do the living stuff. At least until the past comes back to remind you why you ran in the first place. Aside from my brother, there's only one other person from my past who could hold any power over me now. I just wasn't expecting him to have gotten so batshit crazy. Rush
The boy prospect who grew up into a scary killer with very little morality left inside him. I should be a little more terrified about how obsessed he seems to be with me, but I'm just warped enough to overlook the crazy. Mostly. It's not a real romance unless it starts with a kidnapping, right? Yeah, my life has always been a crazy house. The more things change, the more they stay the same***Warning: This is a dark romance and not a healthy, wholesome relationship. **Violence warning**Language warning**Can be read as a stand-alone.

Gorky Park

A special 25th anniversary edition of the extraordinary international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, The Alchemist has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

Gender and Sexuality in Twentieth-Century Chinese Literature and Society

Born into a Jewish ghetto in Hungary, as a child, Elie Wiesel was sent to the Nazi concentration camps at Auschwitz and Buchenwald. This is his account of that atrocity: the ever-increasing horrors he endured, the loss of his family and his struggle to survive in a world that stripped him of humanity, dignity and faith. Describing in simple terms the tragic murder of a people from a survivor's perspective, Night is among the most personal, intimate and poignant of all accounts of the Holocaust. A compelling consideration of the darkest side of human nature and the enduring power of hope, it remains one of the most important works of the twentieth century. New translation by Marion Wiesel, with a new introduction by Elie Wiesel.

Pearl Pink

A fable about the power of books and knowledge, “ finely balanced between pathos and comedy, ” from one of Czechoslovakia ’ s most popular authors (Los Angeles Times). A New York Times Notable Book

Ha t á has been compacting trash for thirty-five years. Every evening, he rescues books from the jaws of his hydraulic press, carries them home, and fills his house with them. Ha t á may be an idiot, as his boss calls him, but he is an idiot with a difference—the ability to quote the Talmud, Hegel, and Lao-Tzu. In this “ irresistibly eccentric romp, ” the author Milan Kundera has called “ our very best writer today ” celebrates the power and the indestructibility of the written word (The New York Times Book Review).

Succulent Wild Woman

I'm not all that special, really. Or uncommon. I'm sure there are a lot of girls with old gypsy blood who see the dead, have killer cults hunting their family, and turn into something that gets scary when they panic. Yep. Completely unoriginal, if I do say so myself. Move along. Nothing to see here. Nope. I'm just an ordinary girl. I wish people would believe that. I've been labeled as one thing or another for most of my life: Death Girl. Crazy Gypsy Girl. Gothic Chick. Monster. It took my mother's death for me to finally start getting answers about what's really been going on. Unfortunately, most of the answers come from men who aren't just men. Somehow, I've gone and landed myself in a world truly filled with monsters, and I'm starting to think this is where I should have been all along. Only I don't understand what's going on. I'm walking into the middle of a story that's thousands of years old, and I'm the new girl on the block who doesn't have a clue how this world even works. My only guides happen to be the most lethal of the bunch. They decide who lives or dies. They decide who gets stabbed or tortured. Yeah I've gone and drawn attention to myself, and the ones paying attention are the ones everyone else seems to fear. How do these things always happen to me? **Reverse Harem** Language warning **Sexual content** Dark Humor

Tales of the Gypsy Dressmaker

A young boy, abandoned by his parents during World War II, wanders alone from one village to another in Nazi-occupied Eastern Europe.

The Mindf*ck Series

Truth According to Us, The

The five million copy bestseller and one of the bestselling books of the 21st Century. Chosen for the Richard and Judy Bookclub. I tattooed a number on her arm. She tattooed her name on my heart. In 1942, Lale Sokolov arrived in Auschwitz-Birkenau. He was given the job of tattooing the prisoners marked for survival - scratching numbers into his fellow victims' arms in indelible ink to create what would become one of the most potent symbols of the Holocaust. Waiting in line to be tattooed, terrified and shaking, was a young girl. For Lale - a dandy, a jack-the-lad, a bit of a chancer - it was love at first sight. And he was determined not only to survive himself, but to ensure this woman, Gita, did, too. So begins one of the most life-affirming, courageous, unforgettable and human stories of the Holocaust: the love story of the tattooist of Auschwitz. Don't miss Heather Morris's next book, Stories of Hope. Coming September 2020. ----- 'Extraordinary - moving, confronting and uplifting . . . I recommend it unreservedly' Greame Simsion 'A moving and ultimately uplifting story of love, loyalties and friendship amidst the horrors of war . . . It's a triumph.' Jill Mansell 'A sincere . . . moving attempt to speak the unspeakable' Sunday Times

Connectivity Hypothesis, The

An Ancient Power - a forbidden love. Smart-mouthed journalism student Freely is not your average 18-year-

old. Her best friend is a vampire, and they spend most weekends hiding bodies. But when she meets the handsome foreigner, Zan, a strange magic connects them that is older than time. Bound to him, ancient lore decrees she must learn her gypsy powers in time to protect him from the vampires who seek immortality through his blood. Can she betray her friend? Will she learn to see Zan as a fighting partner only, and ignore their mutual attraction? Can she allow him to continue his line, at the expense of her heart? Or will her love for him destroy them both?

The Tattooist of Auschwitz

I'm like a snowball rolling downhill. That's the first thing that pops into my mind when I try to explain my life. I don't know exactly 'what' I am, but I do know who I am. At least I did. Sometimes life sends things your way that upend everything you thought you knew, and then slings you in another direction without any sort of harness or warning. Sometimes it drops someone like me off in the path of four wildly different monsters, who all used to be best friends, but now sort of hate each other and compete over absolutely everything, including me. Life would be easier if I wasn't already attached to those four monsters, but they occasionally let their guard down around me, and I get a glimpse of what has to stay hidden under all those snowball layers, since they already rolled downhill a long time ago. I'm tired of losing people I care about. I'm tired of searching aimlessly for answers. I'm tired of not having the right questions to ask. I'm really tired of feeling like my vagina is cursed, but that's obviously lower on the list of priorities. But in my vagina's defense, it may not do tricks, but I keep it pretty. It shouldn't keep scaring men/monsters off so easily, and it's honestly starting to make me feel a little insecure. Anyway, I'm finally closer than ever to having all the answers. So long as no new secrets emerge. ****Reverse Harem Romance** Dark Humor**** Intended for mature audiences. ****Cannot be read as a stand-alone**** Language warning Previous books in the series: Gypsy Blood (book 1) Gypsy Freak (book 2)

Tom Brown's School Days

The Book of Trespass

Kami Glass is in love with someone she's never met - a boy the rest of the world is convinced is imaginary. This has made her an outsider in the sleepy English town of Sorry-in-the-Vale, but she doesn't complain. She runs the school newspaper and keeps to herself for the most part - until disturbing events begin to happen. There has been screaming in the woods and the dark, abandoned manor on the hill overlooking the town has lit up for the first time in 10 years. The Lynburn family, who ruled the town a generation ago and who all left without warning, have returned. As Kami starts to investigate for the paper, she finds out that the town she has loved all her life is hiding a multitude of secrets- and a murderer- and the key to it all just might be the boy in her head. The boy who everyone thought was imaginary may be real...and he may be dangerous.

Too Loud a Solitude

When his girlfriend is murdered, Dowdy Lewis tries to follow the trail, and comes up against mobsters, Hollywood moguls, and drug dealers in his pursuit of the killer

The Book Thief

Executive's Guide to E-Business

Only women and inferior men are difficult to deal with. Confucius Two thousand years after Confucius, the contributors to this book ask if Chinese women have succeeded in changing their status as the equivalent of inferior men. Gender and Sexuality in Twentieth-Century Chinese Literature and Society approaches the role of women in social change through analyzing literature and culture during the May Fourth and the Post-Cultural Revolution periods.

Three trials. Three weeks. Three Royal Princes. It should have been an easy task, for a skilled mercenary like Rybet Waise. Simply break into the royal palace, and rescue her friend from the executioner's block. But when Rybet accidentally qualifies for the Trials, she finds herself with little choice but to see them through. A thin veil of etiquette, elegance and glamour hides the true nature of the Trials. Behind closed doors, they are brutal and bloody, and to fail means to forfeit her life. Thrust into the limelight and forced to compete with the Kingdom's elite sweethearts, unlikely allies emerge and bonds are formed. But someone will stop at nothing to see her fail. After all, she's nothing but a dirty pond-dweller. Rybet will do whatever it takes to survive until the Golden Ball, Princes be damned. ** IMPOSTER is book ONE of the ROYAL TRIALS trilogy, so does end with a cliffhanger. **

The Alchemist

" An outstanding book. " —The Wall Street Journal * " Gripping at every turn. " —Outside * " A gem of a book. " —The Guardian * " A hell of a ride. " —The Times (London) An extraordinary true story about one man ' s attempt to salve the wounds of war and save his own soul through an audacious adventure. In the 1930s, as official government expeditions set their sights on conquering Mount Everest, a little-known World War I veteran named Maurice Wilson conceives his own crazy, beautiful plan: he will fly a plane from England to Everest, crash-land on its lower slopes, then become the first person to reach its summit—all utterly alone. Wilson doesn ' t know how to climb. He barely knows how to fly. But he has the right plane, the right equipment, and a deep yearning to achieve his goal. In 1933, he takes off from London in a Gipsy Moth biplane with his course set for the highest mountain on earth. Wilson ' s eleven-month journey to Everest is wild: full of twists, turns, and daring. Eventually, in disguise, he sneaks into Tibet. His icy ordeal is just beginning. Wilson is one of the Great War ' s heroes, but also one of its victims. His hometown of Bradford in northern England is ripped apart by the fighting. So is his family. He barely survives the war himself. Wilson returns from the conflict unable to cope with the sadness that engulfs him. He begins a years-long trek around the world, burning through marriages and relationships, leaving damaged lives in his wake. When he finally returns to England, nearly a decade after he first left, he finds himself falling in love once more—this time with his best friend ' s wife—before depression overcomes him again. He emerges from his funk with a crystalline ambition. He wants to be the first man to stand on top of the world. Wilson believes

that Everest can redeem him. This is the tale of an adventurer unlike any you have ever encountered: complex, driven, wry, haunted, and fully alive. He is a man written out of the history books—dismissed as an eccentric, and gossiped about because of rumors of his transvestism. The Moth and the Mountain restores Maurice Wilson to his rightful place in the annals of Everest and tells an unforgettable story about the power of the human spirit in the face of adversity.

Sins of Sevin

Book 3 & 4 together Two Kingdoms I'm getting a little tired of completing my goals, only to have the bar raised too substantially for me to transition at a productive pace I started off as a sad little ghost with an impossible crush on four really hot, Gothic guys with some attitude problems. Now I'm The Apocalypse, they're the Four Horsemen, and Lucifer is my fucked up daddy. Now my additional goals look like this? Goal #9: Make a deal with the Devil without getting cheated, manipulated, or tricked. Goal #10: Make my boys love me and take over the world okay so maybe just that first part. That second part sounds like it could take too much ambition, and I just don't have the drive for that. Goal #11: Make cookies. Goal #12: Call dibs on my favorite color. Goal #13: Find out if my siblings or my father killed me and my boys**** One Apocalypse The life goals have stacked up since I started this journey as a sad, lonely little ghost. I'm not sure how things escalated so quickly from trying to be seen and heard, to bearing the weight of the world on my vain little shoulders. As a result, my goals have gotten a little more serious Goal #14: Learn to take a hit without breaking or suffering some type of death. Goal #15: Decide once and for all if I'm going to save or destroy the world. I'm not sure why people put this sort of responsibility on hell-spawn like me. Goal #16: Practice my evil laugh, because all hell-spawn need a good evil laugh. Goal #17: Find and kill all the unicorns. Mwahahahahaha. Goal #18: Live to enjoy forever with the guys I sacrificed all my memories to save. Goal #19: No matter what, they don't get to die. Or I really will be THE Apocalypse. We're the most screwed up collection of antiheroes the world has ever seen, because the only thing that makes me want to save the world is knowing I could lose my boys forever if I don't. It's one HELL of a love story, you know? **Sexual Content. **Language Warning. **Dark humor. **Reverse Harem. **Series FINALE. (Read in order: Four Psychos, Three Trials, Two Kingdoms, and One Apocalypse. This book cannot be read as a stand-alone.)

Adrenaline Rush

Her lips have the power to boost. Her love can grant power unparalleled. In an ongoing conflict against ravishingly beautiful beings from another dimension, Aurora Haddix's abilities allow her to turn the tide of the battle. Born a Natch, one of the population naturally endowed with superhuman powers at birth, Aurora tries to make the right choice. Her handsome, overprotective best friend and her tortured, grizzled mentor want her to use her powers for good. Kiss a Natch and they become more powerful for a few minutes. Allow one inside her and their powers are intensified for a full day. She wants to help, but she can't get their roguish, virile former comrade out of her mind—and he wants her to join his underground band of Renegades. Then there's the dark elf king, the leader of the otherworldly Nelians determined to infiltrate Earth—Aurora's number one target and the most devastatingly gorgeous man she's ever seen. Aurora's body makes her the most sought-after Natch in a war that might end on her say-so. Only with the way her inner passion ignites at each touch, she's not so sure of her true reasons for pursuing the four alluring men who seek to possess her. Fans of speculative fiction fantasy and science fiction Reverse Harem romances from Ava Mason, Mila Young, Meg Xuemei X, Jasmine Walt, and Emma Stark will love this superpowers-meets-elven-high-fantasy love story.

Friends With The Monsters

The “ gripping, romantic, and dazzlingly original ” (Cosmopolitan) Arkady Renko book that started it all:

the #1 bestseller *Gorky Park*, an espionage classic that begins the series, by Martin Cruz Smith, “ the master of the international thriller ” (The New York Times). It begins with a triple murder in a Moscow amusement center: three corpses found frozen in the snow, faces and fingers missing. Chief homicide investigator Arkady Renko is brilliant, sensitive, honest, and cynical about everything except his profession. To identify the victims and uncover the truth, he must battle the KGB, FBI, and the New York City police as he pursues a rich, ruthless, and well-connected American fur dealer. Meanwhile, Renko is falling in love with a beautiful, headstrong dissident for whom he may risk everything. “ Brilliantthere are enough enigmas within enigmas within enigmas to reel the mind ” (The New Yorker) in this wonderfully textured, vivid look behind the Iron Curtain. “ Once one gets going, one doesn ’ t want to stopThe action is gritty, the plot complicated, and the overriding quality is intelligence ” (The Washington Post). The first in a classic series, *Gorky Park* “ reminds you just how satisfying a smoothly turned thriller can be ” (The New York Times Book Review).

Gypsy Boy

Mike Woodhouse had everything- an engineering business, a wine bar, a home, a Range Rover and a boat. Then he caught a group of travellers stealing from his warehouse. A car chase, petrol bombing and court case later, and everything had changed. A marked man, Mike was forced to leave everything behind and move to the Peak District for a fresh start. But his old life was never far behind and when he fell for Rhoda, a Romany Gypsy, kin to the very people he was hiding from, he knew he wouldn't be safe for much longer . . . The Gypsy is a story of secret identity, revenge and forbidden love that's perfect for fans of *Running with the Firm*, *Undercover* and *Soldier Spy*.

HAWKEYE TWO: BEND ME OVER Protecting sexy and uptight professor Aimee takes an interesting turn when Trace Romero discovers she has a secret passion for BDSM. Aimee's not ready to trust a tall, dark, gorgeous stranger with her body "or" her life. She would send him on his way, if her sister weren't so concerned about the break in at her house, and if she hadn't threatened protective custody. But protective custody might have been slightly less overwhelming than Trace demanding her complete capitulation, mind and body, and more -- her total trust. But that trust may be the only thing standing between her and a madman determined to kill her. **HAWKEYE THREE: MAKE ME** Competent and in control, Ms. Inamorata, Hawkeye's righthand woman, has the perfect relationship with hunky fellow operative Wesley Lowell. Several times a week, she shows up at his house, has fabulous sex, meaningless conversation, and then returns home and to her regular life. Hawkeye operative Wesley Lowell wants sexy, mysterious Ms. Inamorata in his life and his bed. Fed up with Inamorata's "here for the sex and gone in the morning" terms, he bends her over the bed, and takes her the way he wants to: hard, fast, dominating. Against her own wishes, Inamorata responds to his more heated sexual demands. For the first time since they've been together, he makes her beg for an orgasm, and beg she does. This oh-so-sexy man turns her life upside down, until she realizes she needs him not only as a demanding lover, but needs him by her side to solve a case that causes past and present to collide. "Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: BDSM theme and elements."

Deafening Silence

"Annie Barrows, celebrated co-author of the global bestseller *The Guernsey Literary and Potato Peel Pie Society*, once again evokes the charm and eccentricity of a small town filled with extraordinary characters. In the summer of 1938, Layla Beck is forced out of the lap of luxury and sent by her Senator father to work on the Federal Writers' Project, a New Deal jobs program. Assigned to cover the history of the little mill town of Macedonia, West Virginia, Layla envisions a summer of tedium. However, once she secures a room in the

home of the unconventional Romeyn family, she is completely drawn into their complex world. At the Romeyn house, twelve-year-old Willa is desperate to acquire her favourite virtues of ferocity and devotion, but her search leads her into a thicket of mysteries, including the questionable business that occupies her charismatic father and the reason her adored aunt Jottie remains unmarried. Layla's arrival strikes a match to the family's veneer, bringing to light buried secrets that will tell a new tale about the Romeyns and their deep entanglement in Macedonia's history. As Willa peels back the layers of her family's past, and Layla delves deeper into town legend, everyone involved is transformed and their personal histories completely rewritten. Quirky, loveable, and above all human, this novel of small-town life in the 1930s is an immersive experience that will leave readers reeling and wanting more. 'Annie Barrows leaves no doubt that she is a storyteller of rare caliber, with wisdom and insight to spare . . . Barrows is at her best here. Every page rings like a bell' Paula McLain, author of *The Paris Wife* 'A jewel . . . poignant and keenly observed . . . a small masterpiece' People on The Guernsey Literary and Potato Peel Pie Society "

Succubus Lips

A brilliant anthology of modern true-crime writing that illustrates the appeal of this powerful and popular genre, edited and curated by Sarah Weinman, the award-winning author of *The Real Lolita* The appeal of true-crime stories has never been higher. With podcasts like *My Favorite Murder* and *In the Dark*, bestsellers like *I ' ll Be Gone in the Dark* and *Furious Hours*, and TV hits like *American Crime Story* and *Wild Wild Country*, the cultural appetite for stories of real people doing terrible things is insatiable. Acclaimed author of *The Real Lolita* and editor of *Women Crime Writers: Eight Suspense Novels of the 1940s & 50s* (Library of America) and *Troubled Daughters, Twisted Wives* (Penguin), Sarah Weinman brings together an exemplary collection of recent true crime tales. She culls together some of the most refreshing and exciting contemporary journalists and chroniclers of crime working today. Michelle Dean ' s " *Dee Dee Wanted Her Daughter To Be Sick* " went viral when it first published and is the basis for the TV show *The Act* and Pamela Colloff ' s " *The Reckoning*, " is the gold standard for forensic journalism. There are 13 pieces in all and as a collection, they showcase writing about true crime across the broadest possible spectrum, while also reflecting what makes crime stories so transfixing and irresistible to the modern reader.

The Royal Trials: Imposter

Nine years she suffered, but no more. Her new name is Mia Harlow, and she is ready to live again. It took a near death experience, but Mia got away. She's rebuilt her life from the ground up, and after three long years, she's found a reason to live again. Everything is going great until her neighbor is attacked, and the past threatens to engulf Mia again. Just when she thinks all is lost, three amazing men waltz into her life. Their complementary personalities and differing strengths bind the broken pieces that her ex-husband left behind. While Mia is healing and learning what love is supposed to be, a serial killer is on the prowl. Molly Manhunter stalks the city looking for rapists. She ensnares them with the one thing they've been accused of abusing - sex, and uses it to extinguish their lives. Molly is determined to fight against the silence that gets swept under the rug of justice, and Mia is caught up in the search for her neighbor's abuser. Will the two women cross paths? When push comes to shove, will Mia's newfound bonds weather the storm? The Gypsy Code

An Eye-Opening Memoir of Growing Up Gypsy Mikey Walsh was born into a Romany Gypsy family. They

live in a secluded community, and little is known about their way of life. After centuries of persecution, Gypsies are wary of outsiders, and if you choose to leave you can never come back. This is something Mikey knows only too well. Growing up, he didn't go to school, he seldom mixed with non-Gypsies, and the caravan became his world. It was a rich and unusual upbringing, but although Mikey inherited a vibrant and loyal culture, his family's legacy was bittersweet, with a hidden history of violence and grief. Eventually Mikey was forced to make an agonizing decision--to stay and keep secrets, or escape and find somewhere to belong. Gypsy Boy shows, for the first time, what life is really like among the Romany Gypsies. A surprise #1 bestseller in Great Britain, this is a one-of-a-kind memoir of a little-seen world, one both fascinating and heartbreaking.

Bend Me Over

Recounts the adventures of a young English boy at Rugby School in the early nineteenth century.

The Painted Bird

Grace Reinhart Sachs is living the only life she ever wanted for herself. Devoted to her husband, a pediatric oncologist at a major cancer hospital, their young son Henry, and the patients she sees in her therapy practice, her days are full of familiar things: she lives in the very New York apartment in which she was raised, and sends Henry to the school she herself once attended. Dismayed by the ways in which women delude themselves, Grace is also the author of a book *You Should Have Known*, in which she cautions women to really hear what men are trying to tell them. But weeks before the book is published a chasm opens in her own life: a violent death, a missing husband, and, in the place of a man Grace thought she knew, only an ongoing chain of terrible revelations. Left behind in the wake of a spreading and very public disaster, and horrified by the ways in which she has failed to heed her own advice, Grace must dismantle one life and create another for her child and herself.

The Dark Side: Books 3 And 4

Klutzy but sweet Tamako develops a crush on no-nonsense Kanji and tries hard to get him to return her feelings, but as Tamako's mother is the top actress at Kanji's father's talent agency, Tamako must conceal her identity to help her mother save face.

Gypsy Origins

From the New York Times bestselling author of *Stepbrother Dearest*, comes a new forbidden STANDALONE romance. What happens when the one you want is the only one you can't have? It was set in stone. Elle and I were getting married. After years of rebelling against everything good and wholesome, I finally gave in and took up with a nice girl. After a long-distance relationship, I moved into her family's guesthouse so we could spend time together in the months before the wedding. Elle was unlike anyone I'd ever been with. She was so innocent, and I had to respect her choice to wait until after we were married to have sex. I'd accepted that as my fate--even learned to control my desires. Until I met her...the one. That was when restraint became a problem...especially since "the one" wasn't Elle. It was her sister, Evangeline. And I was screwed. Told in alternating points of view, *Sins of Sevin* is a full-length standalone novel.

Succubus Heart

A meditation on the fraught and complex relationship between land, politics and power, this is England

through the eyes of a trespasser. The vast majority of our country is entirely unknown to us because we are banned from setting foot on it. By law of trespass, we are excluded from 92 per cent of the land and 97 per cent of its waterways, blocked by walls whose legitimacy is rarely questioned. But behind them lies a story of enclosure, exploitation and dispossession of public rights whose effects last to this day. The Book of Trespass takes us on a journey over the walls of England, into the thousands of square miles of rivers, woodland, lakes and meadows that are blocked from public access. By trespassing the land of the media magnates, Lords, politicians and private corporations that own England, Nick Hayes argues that the root of social inequality is the uneven distribution of land. Weaving together the stories of poachers, vagabonds, gypsies, witches, hippies, ravers, rambles, migrants and protestors, and charting acts of civil disobedience that challenge orthodox power at its heart, The Book of Trespass will transform the way you see England.

Belle Prater's Boy

Gather round close, for I have a secret to tell. Late at night, while everyone is sleeping, dreaming of white knights and fairytales. I'm making friends with the monsters.
