The Living Age

The English Cyclopædia

On May 4, 1964, Congress designated bourbon as a distinctive product of the United States, and it remains the only spirit produced in this country to enjoy such protection. Its history stretches back almost to the founding of the nation and includes many colorful characters, both well known and obscure, from the hatchet-wielding prohibitionist Carry Nation to George Garvin Brown, who in 1872 created Old Forester, the first bourbon to be sold only by the bottle. Although obscured by myth, the history of bourbon reflects the history of our nation. Historian Michael R. Veach reveals the true story of bourbon in *Kentucky Bourbon Whiskey*. Starting with the Whiskey Rebellion of the 1790s, he traces the history of this unique beverage through the Industrial Revolution, the Civil War, Prohibition, the Great Depression, and up to the present. Veach explores aspects of bourbon that have been ignored by others, including the technology behind its production, the effects of the Pure Food and Drug Act, and how Prohibition contributed to the Great Depression. The myths surrounding bourbon are legion, but Veach separates fact from legend. While the true origin of the spirit may never be known for certain, he proposes a compelling new theory. With the explosion of super-premium bourbons and craft distilleries and the establishment of the Kentucky Bourbon Trail, interest in bourbon has never been higher. Veach shines a light on its pivotal place in our national heritage, presenting the most complete and wide-ranging history of bourbon available.

The Army in Bourbon Mexico, 1760-1810

Kentucky Bourbon: The Early Years of Whiskeymaking tells the story of bourbon's evolution, debunking many popular myths along the way. Back in print for the first time in twenty five years, *Kentucky Bourbon* looks at a variety of subjects from the role of alcohol in colonial America and in the lives of frontiersmen to the importance of the Kentucky product in the Revolutionary War. Like a fine liquor, the book has aged well in its elegance and complexity.

The Monday review

The Book of Bourbon and Other Fine American Whiskeys

The distinctive beverage of the Western world, bourbon is Kentucky's illustrious gift to the world of spirits. Although the story of American whiskey is recorded in countless lively pages of our nation's history, the place of bourbon in the American cultural record has long awaited detailed and objective presentation. Not a recipe book or a barman's guide, but a fascinating and informative contribution to Americana, *The Social History of Bourbon* reflects an aspect of our national cultural identity that many have long suppressed or overlooked. Gerald Carson explores the impact of the liquor's presence during America's early development, as well as bourbon's role in some of the more dramatic events in American history, including the Whiskey Rebellion, the scandals of the Whiskey Ring, and the "whiskey forts" of the fur trade. *The Social History of Bourbon* is a revealing look at the role of this classic beverage in the development of American manners and culture.

Bourbon Street Black

Like wine lovers who dream of traveling to Bordeaux or beer enthusiasts with visions of the breweries of Belgium, bourbon lovers plan their pilgrimages to Kentucky's bourbon country. And what a country it is! Some of the most famous distilleries are tucked away in the scenic countryside of the Bluegrass region, stretching between Louisville, Bardstown, and Lexington. Locals and tourists alike seek out the finest flavors of Kentucky as interest in America's only native spirit continues to grow. In *Kentucky Bourbon Country*, Susan Reigler offers essential information and practical advice to anyone considering a trip to the state's distilleries or to the restaurants and bars on the Urban Bourbon Trail. Featuring more than 150 full-color photographs and a bourbon glossary, the book is organized by region and provides valuable details about the Bluegrass -- including attractions near each distillery and notes on restaurants, lodging, shopping, and seasonal events in Kentucky's beautiful historic towns. In addition to providing knowledge about each point of interest, *Kentucky Bourbon Country* weaves in little-known facts about the region's best-kept secrets, such as the historic distillery used as a set in the movie *Stripes* and the surprising ingredient in the mint juleps served at the Kentucky Derby. Whether you're interested in visiting the place where your favorite bourbon is made or hoping to discover exciting new varieties, this handy and practical guide discovering the best of bourbon.

The Constable de Bourbon

Blanche de Bourbon, [and other poems].

There is no right or wrong way to drink bourbon—in a cocktail, straight up, on the rocks, or with a splash of soda. You will never know which is your way until you try them all, and *How to Be a Bourbon Badass* will guide you on the path of your own bourbon adventure. In *How to Be a Bourbon Badass*, Linda Ruffenach tells the story of her own personal journey with bourbon and shares behind-the-scenes tales from bourbon industry experts and rock stars. She captures the storied history of America's native spirit, explains the process of making liquid gold, and offers top-notch cocktail, dinner, and dessert recipes for the novice and connoisseur alike. From tales of legendary master distillers to stories of women whose lives were changed through newfound bourbon badass confidence, and from recipes for classics like the bourbon highball to fresh twists like strawberry bourbon lemonade with rosemary, Linda Ruffenach will redefine your perceptions of bourbon and those who savor it. Your journey to

becoming a bourbon badass begins here.

Which Fork Do I Use with My Bourbon?

A good bottle of bourbon should be enjoyed in good company. During their travels in bourbon country and beyond to conduct tastings and seminars, entertainment experts Peggy Noe Stevens and Susan Reigler often heard the question, "How do I do this in my home?" This book is their definitive answer. *Which Fork Do I Use with My Bourbon?* offers a step-by-step guide to hosting a successful bourbon-tasting party -- complete with recipes, photos, and tips for beginners and experienced aficionados alike. From decorations to glassware, this one-stop resource will guide readers from the day they mail invitations to the moment they welcome guests through the door. Alongside their favorite snack, entrée, dessert, and cocktail recipes, Stevens and Reigler offer expert tips and tricks from the trade on how to set up a bar, arrange tables, and pair recipes with specific bourbons. Once readers are ready, Stevens and Reigler move on to advanced pairings for the bourbon foodie and present two innovative examples of tasting parties -- a bourbon cocktail soiree and, of course, the traditional Kentucky Derby party. Inspired by the hosting traditions of five Kentucky distilleries, this book promises to motivate bourbon lovers to start their own bourbon-tasting traditions and to expand the expertise of longtime bourbon enthusiasts.

The History of the Consulate and the Empire of Napoleon

Proclaimed a masterwork when it was originally published in 1995, *The Book of Bourbon and Other Fine American Whiskeys* by Gary Regan and Mardee Haidin Regan runs the gamut of American whiskey. This widely acclaimed work contains details on every aspect of American whiskey up to the mid-1990s. This landmark book contains a concise look at how whiskey in America evolved from the time of the Pilgrims, right through to the end of the twentieth century. Every distillery that was around at that time is comprehensively covered. The vast majority of American whiskeys on the market are described. There are cocktail recipes, recipes for appetizers, entrees, and desserts, all containing whiskey. There's even a chapter that offers guidance to aficionados visiting Kentucky and Tennessee.

The Country Gentleman

Bourbon Lilies

Over the past decade, the popularity of cocktails has returned with gusto. Amateur and professional mixologists alike have set about recovering not just the craft of the cocktail, but also its history, philosophy, and culture. *The Shaken and the Stirred* features essays written by distillers, bartenders and amateur mixologists, as well as scholars, all examining the so-called 'Cocktail Revival' and cocktail culture. Why has the cocktail returned with such force? Why has the cocktail always acted as a cultural indicator of class, race, sexuality and politics in both the real and the fictional world? Why has the cocktail revival produced a host of professional organizations, blogs, and conferences devoted to examining and reviving both the drinks and habits of these earlier cultures?

Bourbon at the Border

Littell's Living Age

Saturday Review

A journal for the farm, the garden, and the fireside, devoted to improvement in agriculture, horticulture, and rural taste; to elevation in mental, moral, and social character, and the spread of useful knowledge and current news.

The Bourbon Prince

Harper's Magazine made its debut in June 1850, the brainchild of the prominent New York book-publishing firm Harper & Brothers. Harper's Magazine, the oldest general-interest monthly in America, explores the issues that drive our national conversation, through long-form narrative journalism and essays, and such celebrated features as the iconic Harper's Index. With its emphasis on fine writing and original thought Harper's provides readers with a unique perspective on politics, society, the environment, and culture.

The Shaken and the Stirred

The Pall Mall Budget

American soldiers, sailors, airmen, and marines carried whiskey at Yorktown, Gettysburg, Manila, and Da Nang. It bolstered their courage, calmed their nerves, and treated their maladies. As a serious American whiskey drinker, John C. Tramazzo noticed how military service and whiskey went hand in hand during his service as a commissioned officer in the U.S. Army. In *Bourbon and Bullets* Tramazzo reveals the rich and dramatic connection between bourbon and military service in America. Although others have discussed whiskey's place in military history, *Bourbon and Bullets* explores the relationship between military service and some of the most notable whiskey distillers and executives working today. American servicemen Weller, Handy, Stagg, Van Winkle, and Bulleit all experienced combat before they became household names for American whiskey enthusiasts. In small towns and big cities across America, veterans of armed conflict in Panama, Somalia, Haiti, Iraq, and Afghanistan cook mash, operate stills, and push the booming industry to new heights. *Bourbon and Bullets* delves into the lives and military careers of these whiskey distillers and tells the story of whiskey's role on the battlefield and in the American military community.
