Hungry For You

After seven hundred years of life, Marguerite Argeneau finally has a career. Well, the start of one, anyway. She's training to be a private investigator, and her first assignment is to find an immortal's mother. It seemed simple enough, until Marguerite wakes up one evening to find herself at the wrong end of a sword. Now she realizes she's in way over her head. Julius Notte wants to protect Marguerite, and not because someone just tried to take her head off. She doesn't know it yet, but she's his lifemate and he's determined to woo her. It's been over five hundred years since he last courted a woman, but surely the techniques haven't changed. Now if only he can keep her alive - so to speak - so they can have that happily-ever-after.

New York Times bestselling author Gena Showalter's paranormal

novel features the return of her sexy breed of alien huntresses. Devyn is a warrior, and an unrepentant collector of women, able to charm anyone. Anyone except Bride McKells. Uneducated in the ways of the vampire, Bride is not even sure if other vampires exist. Seductive Devyn has the answers she craves, and he can take her to the dark underground of her people. But Bride's blood might hold the key to saving Devyn's friends, so he's loath to let her go. Especially when he begins to crave her more than he's ever craved another. Together they enter the seedy world of slave auctions, battle a powerful alien queen whose diseased blood turns humans into cannibals, and discover a passion unlike any other. But in the end, Bride must choose between the man she's come to love and the family she's always longed for.

Dr Danielle McGill doesn't know if she can trust the man who just saved her life. There are too many questions, such as what is the secret organization he says he's part of, and why do his wounds hardly bleed? However, with her sister in the hands of some dangerous men, she doesn't have much choice but to trust him. Except now Decker's talking about life mates and awakening a passion that's taking Dani beyond anything she's ever known. Being undead may not be half-bad especially if it means spending forever with a man who would love her with his mind, body, and immortal soul.

Academy Of Beasts I

Roundhouse Publishing editor Kate C. Leever's first letter to her new

author was meant to impress upon him the growing demand for vampire romances. And even though he'd expressed little-to-no desire for any publicity, book tours, or similar, it was clear this was an author just waiting to be broken out - despite himself, if necessary. When she suggested attending a romance convention his response - unusually quick to arrive - was succinct: 'No.' But Kate was adamant: Mr Lucern Argeneau was going to attend a romance convention and meet his fans. By hook or by crook, despite his reclusive nature and odd sleep patterns, the surly yet handsome author would attend. And she was sure that, once there, he would reveal himself to be a true charmer. Of course, that was before she realised that his 'romances' were more like biographies, and it's literally her neck on the line SINGLE WHITE VAMPIRE is a hilarious romantic comedy where a vampire finds his habits of a lifetime overturned and an unlikely romance blooms.

Seduce the Darkness

Inez Urso is beginning to have her doubts. Her business associate Thomas Argeneau has some interesting traits, like an allergic reaction to the sun, excellent night vision, and not much of an appetite for food. Well, if not forever, at least two hundred years. Inez is the most beautiful woman he's seen in centuries.
