Following the success of *Go the F\*\*k to Sleep*, *Confessions of a Scary Mommy*, and *Ketchup Is a Vegetable*, a collection of funny, warm, and charmingly profane tales from the frontlines of parenthood by the author of the popular *Baby Sideburns* blog. Once upon a time you and your partner had a perfect life: dinners out, weekend mornings cuddling in bed, brunch with friends. Then you gave birth to a poop machine (or two). Now, it's all about the pediatrician, breast pumps, princess dresses, and minivans. And discovering that your pride and joy is actually a little A-hole. When your son wakes you up at 3:00 A.M. because he wants to watch *Caillou*, he's an a-hole. When your daughter outlines every corner of your living room with a purple crayon, she's an a-hole. When your rug rats purposely paint the kitchen ceiling with their smoothies, they're a-holes. At times like these, it's only natural to want to kill them (or yourself). But it's against the law (and there's the suicide hotline). Plus, there's that whole loving them more than anything in the whole world thing. In *I Heart My Little A-Holes*, Karen Alpert shares hilarious stories, lists, and deep thoughts on the joys and horrors of raising children. Accompanied by cheery illustrations and photos *I Heart My Little A-Holes* will make you laugh so hard you'll wish you were wearing a diaper.

"The drawings aren't very good, Mama." –Crappy Boy, age 5 Of course you love being a parent. But sometimes, it just sucks. I know. I'm Amber Dusick and I started my blog Parenting: Illustrated with Crappy Pictures because I needed a place to vent about the funny (and frustrating) day-to-day things that happened to me as a parent. Turns out, poop is hilarious! At least when you're not the one wiping it up. This book won't make your frustrating moments any less crappy. But these stories about my Crappy Baby, Crappy Boy and my husband, Crappy Papa, will hopefully make you laugh. Because you're not alone. And sometimes the crappiest moments make the best memories. Parenting is wonderful! And also, well, you know.

Since its first edition, in 1964, Dixon and Godrich's Blues and Gospel Records has been dubbed 'the bible' for collectors of pre-war African-American music. It provides an exhaustive listing of all recordings made up to the end of 1943 in a distinctively African-American musical style, excluding those customarily classed as jazz (which are the subject of separate discographies). The book covers recordings made for the commercial market (whether issued at the time or not) and also recordings made for the Library of Congress Archive of Folk Song and similar bodies -- about 20,000 titles in all, by more than 3,000 artists. For each recording session, full details are given of: artist credit, accompaniment, place and date of recording, titles, issuing company and catalogue numbers, matrix numbers and alternate takes. There are also short accounts of the major 'race labels', which recorded blues and gospel material, and a complete list of field trips to the south by travelling recording units. Howard Rye has joined the original compilers for this thoroughly revised fourth edition. The scope has been enlarged by the addition of about 150 new artists, in addition to newly discovered recordings by other artists. Early cylinder recordings of gospel music, from the 1890s, are also included for the first time. Previous editions of this work were applauded for their completeness, accuracy, and reliability. This has now been enhanced by the addition of new information from record labels and from record company files, and by listening to a wide selection of titles, and detailed cross-checking.

My Little Heart, Ruthie is the story of a wounded heart living alone in a cold, icy cell with only her harp for company. One day a warm breeze blows into her small space and so startles Ruthie that she gathers her courage and goes to see what this beautiful feeling is all about, nearly breaking free of her confinement. The breeze turns out to be a fellow heart warming up on his trumpet. This jazz guy named Clyde turns out to be a friend with whom Ruthie can share her darkest secrets. Their conversation, told both musically and in rhyme, leads Ruthie to realize that her sadness can heal, and that she has the
