The Dark Side of Creativity

New York Magazine

The Villa Gardener

Impotence in the Male

The Mothers' friend, ed. by Ann Jane

New Observations

Cassell's library of English literature, selected, ed. and arranged by H. Morley

In Renaissance and early modern Europe, various constellations of phenomena - ranging from sex scandals to legal debates to flurries of satirical prints - collectively demonstrate an increased concern with cuckoldry, impotence and adultery. Deploying analytical tools from a range of disciplines, these essays interrogate and explore those phenomena to reveal the central importance of sexuality and sexual metaphor for our understanding of European history, politics and culture.

Impotence

Confronting Autism: The Aurora on the Dark Side of Venus

The Lamp [ed. by T.E. Bradley].

Essays by Jeff Fleming, Takashi Murakami and Susan Lubowsky Talbott.
Foreword by Judith Richards,

British Paperbacks in Print

"Nebel shows us too how aware some artists are of the discrepancy between what they see in their imagination and what they are able to produce. . . . The accounts of the emotions of these people and the anecdotes are very readable and it is interesting to learn why some artists feel they have to destroy their work."BRITISH JOURNAL OF AESTHETICS

Putting Impotence to Bed

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Overcoming Impotence

The independent voice of the visual arts.

The Family friend [ed. by R.K. Philp].

Political correctness, idealizing the oppressed, and an affinity for authoritarian and charismatic leaders are all parts of what Ellis calls "the dark side of the left."

Good words, ed. by N. Macleod

Shedding Light on Our Dark Side

New Art Examiner

Cumulative Book Index

The Dark Side of Knowledge

The development of deeply learned philological analysis in the service of elucidating widely applicable human concerns makes this book a relative rarity in the field of Classics, a work of hard scholarship that informs a human sensibility toward matters of the heart.

Consumers and the Market

Latin American Writers

Erectile dysfunction can affect all age groups. Numerous physical and emotional risk factors may contribute to the problem. These risk factors can range from chronic diseases and medications to psychological factors. In the U.S. alone, it has been estimated that 18 to 30 million men suffer from erectile dysfunction. This number has increased significantly as awareness of the disorder has heightened. Researchers and health care professionals now have a better understanding of what causes erectile dysfunction and the effective medications and non-medication treatments used to treat the condition. Comprehensive and state-of-the-art, Contemporary Treatment of Erectile Dysfunction: A Clinical Guide synthesizes the literature and covers all aspects of treating erectile dysfunction and other related male sexual dysfunctions. This invaluable title offers all physicians, residents, and fellows -- and even medical students and other health

professionals such as nurse practitioners and physician assistants - an essential reference for enhancing diagnosis and treatment of this debilitating disorder.

The Dark Side of the Moon

An Epitaph and an Elegy for a Prostate (Incontinence, Impotence and Artificial Urinary Sphincter), Part I

Discusses the psychological, physical, and emotional effects impotence has on men and women; explains the mechanics of sexuality and the causes of impotence; and includes information on treatment options

Love by the Numbers

Caveat Emptor!

Ed. of The Englishman's guide-book &c. . Ed. of 1884

Impotence in the Making

This Bible study guide brings some of today's tough issues out of the closet for an honest, sensitive look from a biblical perspective. The lessons address what Christians can do when sin rears its ugly head and threatens to break relationship with God.

The Dark Side of the Left

The Dark Side of Mercy

Presents critical essays and reference information on Latin American authors.

The Impotence of Language and the Language of Impotence

The Dark Side of the Mountain

The Crystal palace, an essay, descriptive and critical, 2nd ed

Volk, Nation, Degeneration

AN EPITAPH AND AN ELEGY FOR A PROSTATE is a record (8 years so far) of the author's experience with the effects of a prostatectomy (RP). Salient among these effects are incontinence, impotence and almost 5 year experience with the use of an artificial urinary sphincter (AMS Sphincter 800 Urinary Prosthesis). In addition to being a record of a life-changing experience, AN EPITAPH AND AN ELEGY expresses the author's belief that writing about a traumatic event like a prostatectomy can become a form of control, especially control over one's response to trauma and an answer to the insistent question, "Why Me?" The author believes also that AN EPITAPH AND AN ELEGY will be useful to readers in making a decision, if the need arises, about the treatment of prostate cancer. Where to find information about such treatment appears in the book in the form of web-sites, books, and articles from medical journals. AN EPITAPH AND AN ELEGY carries, as one of its sub-titles, Part 1. This is meant to hold open the possibility of a Part 2, Part 3 and so on. But in all these matters, the author stays with the opinion, best expressed by Jonathan Swift, that "Fortune turns on a Wheel."

Contemporary Treatment of Erectile Dysfunction

Men who deny their impotence and fail to seek treatment often set into motion a destructive cycle of emotional and sometimes physical effects that can devastate a marriage or relationship. "Impotence: The Dark Side" discusses the author's own experience with a man whose denial not only destroyed the marriage, but nearly destroyed her life. This firsthand account examines the phases of denial, common signs of physical and emotional abuse, and presents resources where readers can obtain help for themselves and their partners.

Uarda, from the Germ. by C. Bell. Copyright ed

It's a bird! It's a plane! It's a complete guide to over 50 years of superheroes on screen! This expanded and updated edition of the 2004 award-winning encyclopedia covers important developments in the popular genre; adds new shows such as Heroes and Zoom; includes the latest films featuring icons like Superman, Spiderman and Batman; and covers even more types of superheroes. Each entry includes a detailed history, cast and credits, episode and film descriptions, critical commentaries, and data on arch-villains, gadgets, comic-book origins and super powers, while placing each production into its historical context. Appendices list common superhero conventions and cliches; incarnations; memorable ad lines; and the best, worst, and most influential productions from 1951 to 2008.
