To Seduce a Witch's Heart

In a lightless world, only darkness can drive out darkness. My name is Ethan Drake and I'm a police detective and I got plenty darkness to give. So does my partner, who's a demon, and frankly, a royal pain in my ass. But occult investigators are in short supply in the PD, so what are you going to do? Anyway, we just caught a bodysnatching case that has the stench of occult workings all over it. Seems someone wants to summon something bad into this world, something that threatens the very fate of humanity. I could care less about the fate of humanity myself, but hey, when it's your job, you gotta do something, right? Only my job has been made harder by a demon who's decided it wants me as a vessel, and will stop at nothing until it gets what it wants. Internal affairs are also gunning for my badge over the murder of some guy who deserved it, and on top of that, I'm trying to solve the murders of my ex-wife and daughter. Oh, and don't even get me started on the snarkiest Hellicorn in the known universe. You know that thing threatening all of humanity? I might just let it succeed. To Enthrall the Demon Lord

I'm a killer and I'm good at it. It's not something you can put on a resume or bring up during a date -- but we all have our secrets. The visions I see at night are part of mine. The Elders send me visions of my new targets -- chosen by them -- for me to kill. I don't determine if they are good or bad -- just that their fate is to die by my hand. Questioning the Elders is suicide. I am just a monster for them to direct. One night my vision features four sinfully yummy men. They seem to find me delicious as well. When my life gets thrown into chaos, these men are the only ones I can trust. What happens when I am not the monster I've always believed myself to be? I went from being the killer to the target. One thing is for sure, I don't plan on remaining anyone's prey. *Infernally Mine* is the first book in a paranormal RH/#whychoose romance series with assassins, shifters, and a succubus. Intended for mature audiences (18+). Contains MM, foul language, and violence.

I watched one murder my father eight months ago, and even though they tried to convince me it didn't happen -- that I'd lost touch with reality due to the trauma, I know what I saw was real. Hollow Hills is now the place I call home. It was supposed to be my chance at a normal life. My chance to bury my secret and start over. But everyone around me is keeping their own secrets, whispering lies into my ears like promises, and one of them is about to turn my entire world upside down. I thought I had it all figured out. I thought I had the answers. I thought I knew who I was. The truth is, I didn't even know the half of it. There's a reason these vampires are still after me. Bright of the Moon

Welcome to The Slaughtered Lamb Bookstore and Bar. I'm Sam Quinn, the werewolf book nerd in charge. I run my business by one simple rule: Everyone needs a good book and a stiff drink, be they vampire, wicche, demon, or fae. No wolves, though. Ever. I have my reasons. I serve the supernatural community of San Francisco. We've been having some problems lately. Okay, I'm the one with the problems. The broken body of a female werewolf washed up on my doorstep. What makes sweat pool at the base of my spine, though, is realizing the scars she bears are identical to the ones I conceal. After hiding for years, I've been found. A protection I've been relying on is gone. While my wolf traits are strengthening steadily, the loss also left my mind vulnerable to attack. Someone is ensnaring me in horrifying visions intended to kill. Clive, the sexy vampire Master of the City, has figured out how to pull me out, designating himself by personal bodyguard. He's grumpy about it, but that kiss is telling a different story. A change is taking place. It has to. The bookish bartender must become the fledgling badass. I'm a survivor. I'll fight fang and claw to protect myself and the ones I love. And let's face it, they have it coming.

The Infernal Devices

For there to be light, you must first suffer the darkness. The end came at me jagged and skewed like

puzzle pieces to a game I didn't know I was playing. There was a distinct method to the madness, every move propagated to force my hand, to lure me out of hiding with the sweet promise of finality. I took solace in knowing that something better waited for me on the other side, something as pure and deep as the ocean itself. But there was no end in sight. No peace to be found. The end was only the beginning. INQUITOUS is the heart-pounding third installment in The Marked saga, a fast-paced YA paranormal romance that grapples with love, loss, and self-discovery in a unique supernatural world filled with vampires, witches, shifters, and angels. This book is part of a series and ends in a cliff-hanger. INFERNAL (The Marked Book 4) will be available this summer 2017.

The Stormbringer

A teenage girl moves to Spring Valley, Illinois and ends up with neighbors, a family of Divisa's, half-demon, half-human people. Before long, ugly, nasty beings from Hell are on her trail and out to get her.

Saving Angel

A BANSHEE. A DEATH REAPER. LOVE TRANSCENDING. War is coming. The veil between the living and the dead no longer exists. Evil is running rampant and the universe's symmetry balances on my fingertips. No big deal. Of course, nobody knows how or when the hallows will strike, or who among us is a traitor. Hordes of vengeful spirits are multiplying by the minute, closing in ranks. Zane is poised to strike, but it's going to take more than his killer instincts, more than swords and shadows to vanquish the hallows back where they belong. Stakes are higher than ever, yet I am determined to protect those I care about-to save the world. Restoring the veil isn't as easy as a snap of my fingertips. Nothing worth fighting for ever is. Friendship and loyalties are tested to the limit, sacrifices of unimaginable proportions are made, but in the end, all that matters is whether I succeed or fail.

Djinn Unleashed

A War of Magic. A Legend of Three Elves. Darkness Threatening to Return. Elves were supposed to be gone, defeated in the great war. Magic is practiced behind closed doors, and only by the elites. All I was trying to do was survive, maybe with a bit more curiosity about my master's magic than I should've allowed. He caught me snooping, and sent me on a quest to steal a magic scroll. A quest that would change my life. Soon I found myself caught up in a whirlwind journey that involved elves, monsters, and more than one hottie in my bed. I was terrified. I was challenged. I was pleased beyond belief. I was loving every second of it, and now get to share that journey with you. Harem elements, though more so in book 2 and 3. The spicy sort, with detail.

To Win a Demon's Love

Warning: Contains a hero who's Tall, Dark, and Possessive, and may melt your heart as well as your reading device. Handle with care and a bucket of ice water nearby. And maybe some tissues. His hunger for power knows no bounds—until she binds his heart. To keep an ill-fated bargain, witch Maeve MacKenna surrenders herself to the scheming Demon Lord Arawn. He's dangerous, arrogant, ruthless, and dominant — everything she should dread in a male, especially since another demon's torture left scars on her body and soul. She should tremble with terror in Arawn's presence. So why does he make her shiver for entirely different reasons? And awaken parts of her body she believed numb after her assault? Arawn gets what Arawn wants. But when the witch he's been coveting — for the ancient magic bound inside her — walks into his lair, what should have been simple and straightforward becomes uncomfortably complicated as his interest in her shifts. A dance of power and attraction begins amid a looming outside threat — because Maeve is not the only one with an age-old force stirring inside her, and the Demon Lord's rivals are all-too eager to seize that kind of power.

guts, now Travis has decided to go all demon-zoid on us. I could hardly blame him though; he had lost the girl of his dreams--again. After everything that we have endured, I am not the same girl anymore. Not since the day I met Chase. The icing on the cake--there is a new player in town, and he is not human. Hell has decided to pay Spring Valley a visit, and Chase and I are their first stop. Our quiet little town [is] about to shatter. Of course there is also our rare bond to factor into all of this, and the pesky last piece. Or maybe it isn't as pesky as it is combustible. Soul. Heart. Body. Oh dear God"--Page 4 of cover.

Chasing Angel

In *To Seduce a Witch's Heart*, witch Merle MacKenna summons a demon to find her kidnapped sister--only to find out said demon is a hot mess intent on charming his way into her pants. Warning: Includes lots of witty banter and snarky humor, as well as a delightfully disrespectful demon hero who's hot enough to melt panties with a look. In *To Win a Demon's Love*, witch Lily Murray is turned into a demon by dark magic--and attracts the eager help of a male of her new demon species to show her the ropes--and just how irresistible he is. Warning: Includes a kick-ass heroine who loves to snark and curse, a demon hero who is as stubbornly determined to win his female as he is heart-stoppingly hot, and lots of laugh-out-loud moments and sexy action.
