### The Listener

Throughout the United States, there is no single major metropolitan area more closely connected to organized crime ' s rapid ascendancy on a national scale than New York City. In 1920, upon the advent of Prohibition, Gotham ' s shadowy underworld began evolving from strictly regional and often rag-tag street gangs into a sophisticated worldwide syndicate that was—like the chocolate egg cr è me—incubated within the confines of its five boroughs. New York City Gangland offers an unparalleled collection of rarely circulated images, many appearing courtesy of exclusive law enforcement sources, in addition to the private albums of indigenous racketeering figures such as Charles “ Lucky ” Luciano, Al “ Scarface ” Capone, Joe “ The Boss ” Masseria, “ Crazy ” Joe Gallo, and John Gotti.

## Ancient Gonzo Wisdom (Large Print 16pt)

When the most hated landlord in San Francisco takes an unexpected jump off the roof of his own building, it isn't too hard to find suspects. But the police want to call it a suicide, since both the Mayor and press are complaining about the dismal closure rate for homicide investigations. But *ex-cop* Sam McGowan knows it was

murder. He also knows that anyone living on the top floor of the building should be a suspect, including himself. So Sam decides to get to know his neighbors: A lonely jazz singer more than willing to confess to any crime, past or present; Two young women paying for graduate school by operating a website that reveals a lot more than their SAT scores; The B-movie producer with a swollen prostate and shrinking bank balance; And the brothers at the end of the hall, who just quit their day jobs to sell marijuana for the Mexican mob. The only thing they have in common is a general agreement that their dead landlord got what he deserved - and that one of them is probably responsible. As more bodies surface and alliances shift, Sam finds himself jumping back and forth between his old life as a cop and his new one as a murder suspect, unable to decide where he really belongs.

## Jump the Shark

Gelatin Silver Print is a metaphor for the memories we save in our heads as scenes, intertwined with the emotions that we live and breathe. Told in a unique style of prose and poetry , it is the story of a writer named Scott Theseus who experiences first hand John Lennons famous quote, Life is what happens while you are busy making other plans. Scott faces loss and despair, and learns through hard lessons that life is about the joy of following your dreams, even if it is at the expense of happiness.

Arriving at a deserted lake house to investigate an aborted call to police, Deputy Anna McCafferty walks into the middle of a heinous crime and is deprived of her weapon, car, and phone, forced to flee, along with the twenty-five-year-old daughter of the murdered couple, into the surrounding forest to escape the perpetrators who must eliminate any potential witnesses.

## The Adventures of Emanuel

### Survival

The Royal Delmar family is bound by an oath to protect the people and the island of Isola di Squalo. A legendary beast ensures they do. Dylan Murphy only came to the Mediterranean to study sharks, but an early run-in with Princess Terra Delmar destroys his plans and entangles him in her family's mystery. A simple swim off the island's coast puts him face to face with a giant shark and changes his destiny. The return of the beast means trouble for the Delmars. How far will Dylan go to help them?

## The Bodies Left Behind (Large Print)

### Guide to Marine Life

This genre-bending national bestseller is “ a horror-dystopic-philosophical mash-up, drawing comparisons to Borges, The Matrix and Jaws ” (The New York Times Magazine). Eric Sanderson

wakes up in a house he doesn't recognize, unable to remember anything of his life. A note instructs him to call a Dr. Randle, who informs him that he is undergoing yet another episode of memory loss, and that for the last two years—since the tragic death of his great love, Clio, while vacationing in Greece—he's been suffering from an acute dissociative disorder. But there may be more to the story, or it may be a different story altogether. With the help of allies found on the fringes of society, Eric embarks on an edge-of-your-seat journey to uncover the truth about himself and escape the predatory forces that threaten to consume him. Moving with the pace and momentum of a superb thriller, exploring ideas about language and information, as well as identity, this is ultimately a novel about the magnitude of love and the devastating effect of losing that love. “ Paced like a thriller, it reads like a deluge . . . Herman Melville meets Michael Crichton, or Thomas Pynchon meets Douglas Adams. ” —San Francisco Chronicle “ Rousingly inventive. ” —The Washington Post “ Unforgettable fiction. ” —Playboy “ A thriller that will haunt you. ” —GQ “ Sharp and clear . . . Writing on the edge of the form. ” —Los Angeles Times “ Huge fun, and I gleefully recommend it. ” —Audrey Niffenegger, international – bestselling author of *The Time Traveler's Wife* “ Fast, sexy, intriguing, intelligent. ” —Toby Litt

### The Raw Shark Texts

First published in 1995, this award-winning novel, written from the epicentre of the AIDS crisis, is a bold, achingly honest story set in the "rat bohemia" of New York City, whose huddled masses include gay men and lesbians who bond with one another in the wake of loss. Navigating the currents of the city is Rita Mae, a rat exterminator who holds the optimism of all true bohemians - those who stand outside of the prevailing social apparatus. She and her friends seek new ways to be truthful and honest about their lives as others around them avert their glances. Inspired by *A Journal of the Plague Year* by Daniel Defoe, *Rat Bohemia* is an expansive novel about coping with loss and healing the wounds of the past by reinventing oneself in the city. *Rat Bohemia* won the Ferro-Grumley Award for Lesbian Fiction, and was named one of the "100 Best Gay and Lesbian Novels of All Time" by the Publishing Triangle.
