Shadow Study

From New York Times Bestselling Author Maria V. Snyder The apprenticeship is over—now the real test has begun. When word that Yelena is a Soulfinder—able to capture and release souls—spreads like wildfire, she faces mistrust and fear in Sitia. What's more, she keeps discovering new, unusual sides of her abilities. As the Council debates Yelena's fate, she receives a disturbing message: a plot is rising against her homeland, led by a murderous sorcerer she has defeated before... The road to Ixia is fraught with peril, and sets Yelena on a path that will test the limits of her skills. But the hope of reuniting with her beloved spurs her onward. Along the way, she'll encounter allies, enemies, lovers and would-be assassins, each of questionable loyalty, and be forced to confront an impossible choice as whispers of war emerge. Yelena will have but one chance to prove herself—and save the lands she holds dear. Previously published. Final Voyage of the Remora (Demonstone Chronicles #2)

From New York Times Bestselling Author Maria V. Snyder Beyond Ixia, the roots of magic run deep... After the discovery of her magical abilities leads to an execution order, Yelena has no choice but to flee to Sitia, her long-lost birthplace. There, she has the chance to meet the family she never knew. But Sitia is unfamiliar, and she's treated with suspicion and even hatred by the people she thought she could trust—including her own brother. Then Yelena is given the chance to travel to Sitia's capital. In the Citadel, she'll have the chance to hone her magical abilities under the tutelage of master magicians. As she learns the laws of magic—Yelena also discovers those who will do anything to break them. And when a rogue magician who targets young female victims emerges, Yelena must put her life at risk to stop him. Will her newfound magic save Yelena—or will it be her downfall? Night Study (The Chronicles of Ixia, Book 8)

Journeys to the end of the world, fantastic creatures, and epic battles between good and evil -- what more could any reader ask for in one book? The book that has it all is the lion, the witch and the wardrobe, written in 1949 by C. S. Lewis. But Lewis did not stop there. Six more books followed, and together they became known as The Chronicles of Narnia. For the past fifty years, The Chronicles of Narnia have transcended the fantasy genre to become part of the canon of classic literature. Each of the seven books is a masterpiece, drawing the reader into a world where magic meets reality, and the result is a fictional world whose scope has fascinated generations. This edition presents all seven books -- unabridged -- in one

impressive volume. The books are presented here according to Lewis's preferred order, each chapter graced with an illustration by the original artist, Pauline Baynes. This edition also contains C. S. Lewis's essay "On Three Ways of Writing for Children," in which he explains precisely how the magic of Narnia and the realm of fantasy appeal not only to children but to discerning readers of all ages. Deceptively simple and direct, The Chronicles of Narnia continue to captivate fans with adventures, characters, and truths that speak to all readers, even fifty years after the books were first published.

The Martian Chronicles

"Ever since being kidnapped from the Illiais Jungle as a child, Yelena Zaltana's life has been fraught with peril. But the recent loss of her Soulfinding abilities has endangered her more than ever before. As she desperately searches for a way to reclaim her magic, her enemies are closing in, and neither Ixia nor Sitia is safe for her anymore. Especially since the growing discord between the two countries and the possibility of a war threatens everything Yelena holds dear"--Page 4 of cover.

Storm Glass

Setting out to reconstruct a murder that took place 27 years earlier, this moving chronicle moves backwards and forwards in time, through the contradictions of memory and moments lost in the mists of time

The Chronicles of Narnia (adult)

For thousands of years the High Born Elves have languished in the chains of slavery, their great strength gone, their extra keen senses dulled, and their immortality broken. Somehow, in spite of their harsh master's efforts, the royal line managed to survive. Now, with the aid of a deadly assassin, the heir is about to shake off the chains of slavery, expose the lies, and bring her people to freedom. And she has no idea the magnitude of the task she has undertaken.

Night Study

Elizabeth's Grandchildren read the Chronicles of Marigold, inherit their Grandmother's magic rings, and have an adventure in the world of Septumus Sevusere. Traveling through different worlds, they discover and learn about their illustrious birthright. Kai and Elaine finds themselves on a quest to change a mystical world they never knew really existed and grew closer to their own noble destiny. Book Four to this epic adventure contains elements of all grand quests, with heroic archetypes that will keep fans of King Arthur tales engaged till the final battle in this series.

dangerous that power can be in the wrong hands. Yet did he know all there was to know about the Cube's magic? When his dreams are invaded through magic, Danny begins a journey to search for the meaning of those dreams. He finds himself intercepted and taken prisoner, but that is just the first step in a journey full of discoveries that the young man had never dreamed of. Meanwhile his sister Susan travels back to the planet where their adventures began years ago, to enlist the aid of Daynan Trevalia to search for Danny. They start a sequence of events that lead them on a quest far more dangerous than they could have imagined.

best urban fantasy in years." –A.V. Club Quentin Coldwater is brilliant but miserable. A high school math genius, he's secretly fascinated with a series of children's fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite, secret college of magic, it looks like his wildest dreams have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more dangerous than he ever could have imagined. . . . The prequel to the New York Times bestselling book *The Magician King* and the #1 bestseller *The Magician's Land*, *The Magicians* is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of Narnia and Harry Potter should miss this breathtaking return to the landscape of the imagination.

Spy Glass

New York Times bestselling author Maria V. Snyder brings her Poison Study series to its exhilarating conclusion. Despite the odds, Yelena and Valek have forged an irrevocable bond--and a family--that transcends borders. Now, when their two homelands stand on the brink of war, they must fight with magic and cunning to thwart an Ixian plot to invade Sitia. Yelena seeks to break the hold of the insidious Theobroma that destroys a person's resistance to magical persuasion. But the Cartel is determined to keep influential citizens and Sitian diplomats in thrall--and Yelena at bay. With every bounty hunter after her, Yelena is forced to make a dangerous deal. With might and magic, Valek peels back the layers of betrayal surrounding the Commander. At its rotten core lies a powerful magician and his latest discovery. The fate of all rests upon two unlikely weapons. One may turn the tide.

The other could spell the end of everything.

Fate Defied

The Dream Fighters are growing up. They've succeeded in their first task. Now, they must face a new enemy, and a new set of challenges. This entry vastly expands the Dream Fighter universe, bringing exciting elements to the forefront. 'The Nowhere Kids' are Dream Fighters who the academy has lost contact with. No one knows for sure what happened to them, just that they vanished in the Dream World. It turns out they hadn't gone very far and they plan to destroy the academy and the Dream Fighters. Just as the Dream Fighters started to enjoy peace after the war with Sarlak and the Gorgons, things start to heat up again. Jillian has a vision of a bridge collapse and is told she must stop it from happening. Danny hears voices, taunting him, saying they are coming for him. He decides to investigate. Where the old academy once stood a new one has sprung up. This one looks more modern, with incredible technology. Danny has been named Headmaster, a title he is very uncomfortable with, after Sarlak's defeat and Uncle Johnny's retirement. At a young age he must decide if he will act as the Dream Fighters' leader or savior, and decides he must save them from the coming attack. Even with his immense powers, he is defenseless

against this force. When the Dream Fighters discover Danny has been captured, they launch a rescue mission, unaware that a large, technologically advanced enemy awaits them. Braden assumes control of the rescue force, and must somehow figure out how to beat an enemy that clearly outnumbers him in both fighters and machines. This fourth installment in the Dream Fighter Chronicles shows the fighters growing up and facing serious decisions with dangerous consequences. Enemies old and new will appear, along with a class of new recruits with unique powers. In investigating the Nowhere Kids, the Dream Fighters discover many secrets, including who Allie (the Academy Library Learning Intelligence) really is. Packed with action and excitement, The Nowhere Kids will keep readers turning pages as several plots come together in an ending no one could see coming. Can the Dream Fighters figure out how to defeat an enemy clearly superior to them?
