Mom Minus Dad

Sunday Times number one bestseller Joanna Trollope explores the issues at the heart of a modern family with her trademark wit and warmth, in Mum & Dad. 'What a mess, she thought now . . . what a bloody, unholy mess the whole family has got itself into.' It's been twenty-five years since Gus and Monica left England to start a new life in Spain, building a vineyard and wine business from the ground up. However, when Gus suffers a stroke and their idyllic Mediterranean life is thrown into upheaval, it's left to their three grown-up children in London to step in . . . Sebastian is busy running his company with his wife, Anna, who's never quite seen eye-to-eye with her mother-in-law. Katie, a successful solicitor in the City, is distracted by the problems with her long-term partner, Nic, and the secretive lives of their three daughters. And Jake, ever the easy-going optimist, is determined to convince his new wife, Bella, that moving to Spain with their eighteen-month-old would be a good idea. As the children descend on the vineyard, it becomes clear that each has their own idea of how best to handle their mum and dad, as well as the family business. But as long-simmering resentments rise to the surface and tensions reach breaking point, can the family ties prove strong enough to keep them together? 'Trollope writes about family relationships with intelligence and clear-eyed sympathy' - The Times

The Road

The not so serious guide to the stuff we're all fighting about. While a husband and wife's parenting styles may be worlds apart, they both have the same goal: to raise happy kids who feel unconditionally loved. Mom vs. Dad is packed with sidesplitting and vulnerable personal essays from the trenches of parenthood. In this book, Lucy and Tom Riles tackle relatable topics such as: Is bringing a toaster oven to a 5-star resort tacky or genius? Is it appropriate to lick your plate clean at a restaurant? Does the expiration date on food really matter? Illustrations of family life will also be included in this intimate and inspiring narrative about the challenges and triumphs of raising children. Mom vs. Dad is the perfect gift for anyone who

How To Download eBook Mom Vs Dad The Not So Serious Guide To The Stuff We're All Fighting About

needs a relatable couple to guide them through some of the toughest (and funniest) issues parents face today.

The Birth Guy's Go-To Guide for New Dads

The Male Mother book is first of a series of four that are designed to help men develop their feminine side. Men are largely unaware of their feminine side that has been ignored and denigrated by many in our modern world. This series of books The Real Men series because it addresses the need for men to become fully mature and effective adults. The Real Men series is about helping adult men develop and integrate their often-ignored feminine side. Otherwise, they are unable to meet many of the challenges of modern life, in general, and fatherhood, in particular. In order to meet these challenges, fathers need to acquire new skills in male mothering. One of the first challenges many adult men face is being able to be an effective father for their children. I have yet to meet a father who feels like he was well equipped for the job. This book presents a more complete picture of what mature adult fathers looks like. It is rare that fathers get this kind of information. Many men do not even know what a mature father looks like, because our culture paints men as macho, dominant, non-feeling critters. It also encourages men who have avoided and denigrated feminine aspects of their personality. This means being more in touch with their feelings and seeking committed, equalitarian, adult relationships. My research clearly suggests there is a rapidly emerging trend among younger men in our culture that supports being interested in developing and integrating their feminine side. This book presents a roadmap of the emerging feminine side of development for men to follow. Many men silently carry guilt and shame about what they did or did not do raising their children. This book shows fathers how to overcome their perceived failings as a father and describes the skills they need to help correct mistakes they may have made as a father. Fathers need to learn some of the following Male Mother skills:

- Display genuine empathy toward their children when they are experiencing deep emotions.
- Speak and act in ways that nurture their children.
- Show compassion toward their children even when they oppose their father's ideas or requests.
- Look their children in the eyes and connect with them as separate human beings.
- Forgive their children's failings without judgment.
- Give them emotional support, mirroring and unconditional love.
- Negotiate to get their needs met without diminishing the needs of their children.
- Create a lifestyle that models life-giving values, beliefs and behaviors toward humans, plants, animals and all creatures that are vulnerable and dependent.
- Access to the "wisdom of the heart" or intuition to guide his decisions.

This book will help you perform four important "initiations" for your children that provide the secure foundation they need to become responsible, mature adults. The four initiations are:

- Cutting the Cord: Creating the Divine Family Triangle
- Facilitating the Completion of the Psychological Birth of Your Children.
- Helping Your Children Achieve Mastery of Everyday Tasks.
- Helping Your Children Learn To Negotiate to Get Their Needs Met and How to Cooperate with Others.

This book describes the essential skills and understandings you need to be effective as a father to your children. Even if your children are older, it is never too late to provide this support for them. Once you know what to do, you can find ways to fill in the developmental gaps in your children. One thing is for sure; they always will be your children no matter how old they are. It is never too late to for you to relate to your children or grandchildren as a Male Mother.

When Mom and Dad Divorce

If you are struggling with your children and want to be a better parent, A Brand New Child in 5 Easy Steps is the book for you. It is inspired by the amazing, child-transforming results which South Africa's 'Super Granny' Andalene Salvesen has gained from her home visits around the

How To Download eBook Mom Vs DadThe Not So Serious Guide To The Stuff Were All Fighting About

world, and shows that your child only changes when you become an empowered parent. Children are not born with boundaries and parents are often ill-equipped to enforce appropriate house rules. *A Brand New Child in 5 Easy Steps* will help parents to regain their authority so that children can once again just be children. It guides parents to choose creative ideas for discipline thereby eliminating today's epidemic of shouting and guilt-based parenting. Andalene covers all the childhood phases, from tots to teens, dealing with appropriate consequences for anything from tantrums to silent defiance. Andalene's five easy steps will empower every parent to achieve the desired results with their children. Parents will easily relate to Andalene's descriptions of her home visits - often humorous, sometimes emotional - and the problems she encounters in different homes. Parenting can be an exciting journey, and *A Brand New Child in 5 Easy Steps* is an excellent start to moving your family into a healthier, happier and more empowered direction.

The Male Mother

Family! Friendship! Adventure! Mystery! Roberta, Peter, and Phyllis have their lives turned upside down when their father mysteriously has to go away. The railway becomes the centre of their new life, but little do they know what wonders and changes it will bring to them - maybe even the answer to Father's disappearance . . . Oxford Children's Classics present not only the original and unabridged story of *The Railway Children* in a beautiful new edition, but also help you to discover a whole world of new adventures with a vast assortment of recommendations and activities.

We're Not Camping

Learn to start open, productive talks about money with your parents as they age As your parents age, you may find that you want or need to broach the often-difficult subject of finances. In *Mom and Dad, We Need to Talk: How to Have Essential Conversations with Your Parents About Their Finances*, you'll learn the best ways to approach this issue, along with a wealth of financial and legal information that will help you help your parents into and through their golden years. Sometimes parents are reluctant to address money matters with their adult children, and topics such as long-term care, retirement savings (or lack thereof), and end-of-life planning can be particularly touchy. In this book, you'll hear from others in your position who have successfully had "the talk" with their parents, and you'll read about a variety of conversation strategies that can make talking finances more comfortable and more productive. Learn conversation starters and strategies to open the lines of communication about your parents' finances Discover the essential financial and legal information you should gather from your parents to be prepared for the future Gain insight from others' stories of successfully talking money with aging parents Gather the courage, hope, and motivation you need to broach difficult subjects such as care facilities and end-of-life plans For children of Baby Boomers and others looking to assist aging parents with their finances, *Mom and Dad, We Need to Talk* is a welcome and comforting read. Although talking money with your parents can be hard, you aren't alone, and this book will guide you through the process of having fruitful financial conversations that lead to meaningful action.

Where's Daddy?

As family members braid, brush, twirl, roll, and tighten their hair before bedtime, putting on kerchiefs, wave caps, and other protective items, the little sister cannot find her bonnet.

How To Download eBook Mom Vs Dad The Not So Serious Guide To The Stuff We're All Fighting About

A brand new child in 5 easy steps

The post-apocalyptic modern classic with an introduction by novelist John Banville. In a burned-out America, a father and his young son walk under a darkened sky, heading slowly for the coast. They have no idea what, if anything, awaits them there. The landscape is destroyed, nothing moves save the ash on the wind and cruel, lawless men stalk the roadside, lying in wait. Attempting to survive in this brave new world, the young boy and his protector have nothing but a pistol to defend themselves. They must keep walking. Winner of the Pulitzer Prize for Fiction, *The Road* is an incandescent novel, the story of a remarkable and profoundly moving journey. In this unflinching study of the best and worst of humankind, Cormac McCarthy boldly divines a future without hope, but one in which, miraculously, this young family finds tenderness. An exemplar of post-apocalyptic writing, *The Road* is a true modern classic, a masterful, moving and increasingly prescient novel.

Love Journal

Mommy and Me celebrates the love between mothers and their children, with stunning illustrations from Sydney Hanson and sweet, rhyming text by Tiya Hall. Join baby bear as she plays, explores, and learns with her mommy, and share lots of hugs along the way! This cuddly, rhyming board book is ideal for all young children - and their parents!

Media Moms & Digital Dads

Jon pensait avoir largement de répondre au dernier sms de sa femme. Mais alors qu'il prend son petit-déjeuner dans le hall de l'Hotel Sixième en Suisse après une conférence, le monde se rappelle à lui avec d'atroces nouvelles. Washington DC a été effacée par une bombe nucléaire. Plus de nouvelles de New-York. Londres s'est éteinte. Berlin aussi. Voilà ce qu'il a le temps de comprendre avant que les médias et les réseaux sociaux ne soient coupés à leur tour. Avant que le ciel ne se couvre de nuages oranges. Deux mois plus tard, ils sont vingt survivants réfugiés dans cet hôtel connu pour son histoire teintée de suicides et de meurtres. Jon et ses compagnons d'infortune essaient de maintenir un semblant de quotidien. Jusqu'au jour où ils découvrent le corps d'une petite fille. Les provisions s'amenuisent, les tensions s'affutent. Et si finalement le danger n'était pas à l'extérieur? Vingt survivants. Un hôtel. Un meurtre.

Rich Dad Poor Dad

A heartwarming and enlightening collection of advice, wisdom, and practical skills featuring an all-star cast of fathers from the popular online community Life of Dad. Becoming a dad gives men a VIP pass into the greatest club on earth: fatherhood. Its rewards are unmatched, its challenges, uncharted. The experience can reach euphoric highs and gut-punching lows. For those moments (and everything in between), *The Life of Dad* has your back. *The Life of Dad* is an all-encompassing, entertaining distillation of the full dad experience, through a collection of interviews, podcasts, online chats, Facebook Lives, and more, dispensing collective wisdom from dads who have been in the trenches. From Shaquille O'Neal explaining how he's taught his kids to be grateful, or Michael Strahan highlighting the importance of accountability, or Jim Gaffigan discussing the challenges of having a house full of kids, *The Life of Dad* has it all. Including thoughts from Ice Cube, Henry Winkler, Chris Jericho, Denis Leary, Freddie Prinze Jr, Charles Tillman, Mark Feuerstein, and many, many more, you'll find plenty of camaraderie

How To Download eBook Mom Vs DadThe Not So Serious Guide To The Stuff Were All Fighting About

in the hardest—but most rewarding—job of your life!

Hatchet

Some things are easier to say with pictures. When parents decide to separate or divorce, children need ways to sort through all the feelings, thoughts, and worries they are facing. This drawing book encourages kids to explore their inner world through both pictures and words, helping them to understand themselves and feel better during a difficult time of change. A "Note for Parents" discusses the impact of separation and divorce on the family, and describes the value of art therapy in coping with stressful emotions and experiences.

Mom, Dad. I'm Gay

Domestic violence exists. That is a simple disturbing fact. It isn't something that should be ignored or swept under the rug. It is imperative to face this problem, acknowledge its existence and do our best to aid those who are exposed to it. Children, all too often, are susceptible to accepting responsibility for their parent's bad behavior. They need to understand that they are not responsible for the violence. This book attempts to explain a very complicated issue to young children. It is focused on pre-school to middle school children. It is not designed as a panacea, merely an attempt to help them understand what is going on in their lives.

Mum & Dad

Born into a Jewish ghetto in Hungary, as a child, Elie Wiesel was sent to the Nazi concentration camps at Auschwitz and Buchenwald. This is his account of that atrocity: the ever-increasing horrors he endured, the loss of his family and his struggle to survive in a world that stripped him of humanity, dignity and faith. Describing in simple terms the tragic murder of a people from a survivor's perspective, *Night* is among the most personal, intimate and poignant of all accounts of the Holocaust. A compelling consideration of the darkest side of human nature and the enduring power of hope, it remains one of the most important works of the twentieth century. New translation by Marion Wiesel, with a new introduction by Elie Wiesel.

Mommy's Black Eye

Celebrate the thirtieth anniversary of the Newbery Honor-winning survival novel *Hatchet* with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. *Hatchet* has also been nominated as one of America's best-loved novels by PBS's *The Great American Read*. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

The Name of this Book is Secret

It's been a few weeks since we started to camp. Things got hard when we were denied food stamps. The truth you see is harder to say. Foreclosure happens. When mortgage we can't pay. Mom and dad are so sorry we lied. Camping we're not. So swallow your pride. Tent city will now be our permanent base. Now wipe that miserable look off your face. Homelessness is not as hard as it seems. Just try to get used to the hobo screams. Dumpster diving will be your new favorite sport. And you'll have to spend time waiting in court. Things have to change because we're so poor. Your mother's becoming a bus station where

Hero

Hailed as "the heir to Roald Dahl" by The Spectator, the UK's #1 bestselling children's author, David Walliams, will have fans of Jeff Kinney and Rachel Renee Russell in stitches! David Walliams burst on to the American scene with his New York Times bestseller Demon Dentist, and now he's bringing his signature humor to this raucous tale of prison breaks and heists gone wrong in Bad Dad. Frank's dad was a champion hot-rod racer, Gilbert the Great. But when a terrible accident sees him go from hero to zero, Frank and Gilbert are left with nothing—and in the grips of a wicked crime boss and his henchmen. After Gilbert is thrown in prison, only Frank can come to his rescue. . .

Bad Dad

Mom and Dad, We Need to Talk

Is social media ruining our kids? How much Internet activity is too much? What do FOMO (Fear of Missing Out), sexting, and selfies mean for teens? Are you curious about what research says about how media and technology are affecting childhood? Supported by academic research focused on technology, *Media Moms & Digital Dads* breaks down complex issues in a friendly, accessible fashion, making it a highly useful and, ultimately, reassuring read for anyone who worries about the impact that media might be having on young minds. Each chapter delves into a different issue related to kids and media so parents can easily find their particular issue of concern. Dr. Uhls ends each chapter with quick takeaways, in the form of tips and guidance for parents. Dr. Uhls' expertise as a former Hollywood film executive and as a current expert on child development and the media gives her a unique and important perspective. As a trained scientist she understands the myriad studies conducted by researchers, and as a mom of digital teens, she knows what actually works and can relate to the reality of being a parent in the 21st century. Dr. Uhls also describes the primary research she conducted at UCLA, including whether extensive screen time impacts non-verbal emotional understanding, which has been covered in the *New York Times*, *Time* magazine, and on National Public Radio. There are few more important issues for parents today than helping children safely navigate the digital world in which we live, a world that provides immense opportunity for learning and connecting yet also puts kids in a position to make mistakes and even cause harm. Knowing what the facts are and when and how to get involved is perhaps one of the most challenging aspects of modern parenting. *Media Moms & Digital Dads* offers parents reassuring and fact-based guidance on how best to manage screens and media for their children.

Dear Mom and Dad

like responsibility, cooperation, determination, respect and love. The characters are a fun-loving family of dogs and are presented in a colorful and whimsical way.

The Last

A must-have baby shower gift for expectant dads! In this one-of-a-kind guide, dad, doula, and certified lactation counselor Brian Salmon and perinatal mental health and relationship expert Kirsten Brunner offer practical, modern-day survival tips for expectant dads and birth partners. Gone are the days when fathers would nervously pace the waiting room while their partners gave birth. Dads are participating in childbirth now more than ever before. However, if you're like many men, you may feel unprepared, uncomfortable, or even unwelcome in the birth room. For you, this book offers battle-tested tips to help you get in the game and prepare for one of the most incredible adventures of your life. Based on the author's Rocking Dadschildbirth course, this book will teach you everything you need to know about supporting your partner through birth, breastfeeding, and beyond. In this guide, you'll discover pointers and advice you won't find in any other childbirth or breastfeeding guide, including: A list of items to pack for the hospital that will help mom's labor go more smoothly Stealth communication skills that you can utilize during early labor to support mom and keep her in a positive state of mind How to write a birth plan that the labor and delivery nurses will actually pay attention to What to say and do—and what not to say and do—when mom is in active labor and feeling all the feelings A detailed account of what to expect in the delivery room as a birth partner, and how to navigate the unknown terrains when things don't go as planned How to help mom achieve proper nipple latch when she attempts breastfeeding for the first time Finally, and perhaps most importantly, you'll find tips for maintaining a strong relationship with your partner before, during, and after the birth so that you feel closer than ever when you launch into the wild yet wonderful world of parenthood.

Retire Before Mom and Dad: The Simple Numbers Behind A Lifetime of Financial Freedom

"Your go-to gift for new fathers." — Dave Ramsey, New York Times bestselling author, motivational speaker, and radio host Whether you know it or not, if you're a dad, you're a hero—that's the message of bestselling author and pediatrician Meg Meeker. Even if you're struggling with all the demands of fatherhood, let Dr. Meeker reassure you: every man has it within him to be the hero father his children need. With simple step-by-step instructions and drawing on long experience—including her work with the NFL's Fatherhood Initiative—Dr. Meeker shows you how to be the father you want to be and your children need you to be. Discover why fathers are even more important to their children than their mothers are; why your children want you to be their hero—even if their relationship with you has been strained or distant; and secrets that can help divorced dads, widowed dads, and stepfathers maintain—or rebuild—a strong relationship with their children As Dr. Meeker writes, "If you want what is best for your children—if you want what is best for you—you should strive to be a hero father. In this book, I hope to show you how."

Mommy and Me

"Set over the course of one school year in 1986, this is the story of two star-crossed misfits--smart enough to know that first love almost never lasts, but brave and desperate enough to try"--

Eleanor & Park

Before Barack Obama became a politician he was, among other things, a writer. *Dreams from My Father* is his masterpiece: a refreshing, revealing portrait of a young man asking the big questions about identity and belonging. The son of a black African father and a white American mother, Obama recounts an emotional odyssey. He retraces the migration of his mother's family from Kansas to Hawaii, then to his childhood home in Indonesia. Finally he travels to Kenya, where he confronts the bitter truth of his father's life and at last reconciles his divided inheritance.

A Mom's and Dad's Guide to Basketball

Celebrate the true meaning of Christmas through the seven words God spoke to seven different people around the time of Christ's birth, bringing hope and change to our world for eternity. In *Seven Words of Christmas*, bestselling author and pastor Robert Morris explains each word of prophecy: an inspired utterance of a prophet, the words of God through man. He illustrates the story of Jesus surrounding the word, and applies the prophecy to our modern lives. Find the words of: Salvation through Zacharias, Favor through Mary, Blessing through Elizabeth, Guidance through Joseph, Joy through the Shepherds, Redemption through Anna, and Peace through Simeon. Even now, thousands of years later, the eternal Word of God has numerous applications to modern life. This Christmas, discover salvation, blessings, peace, and more with Pastor Morris.

Bedtime Bonnet

As mainstream America becomes more aware of the needs and concerns of the nonheterosexual community, gay, lesbian, transgendered, and bisexual teenagers are revealing their sexual identities to their parents at a younger age than ever before. Drawing from over 150 original interviews with teenagers, the author separates fact from fiction in this survey of coming out experiences. Drawing from existing developmental research, the wide range of family reactions and factors that determine how parents come to terms with the disclosure over time is illustrated. The author reveals that the coming out experience is greatly influenced by gender, and chapters highlight common mother-daughter, mother-son, father-daughter, and father-son dynamics. Tips on how parents can be helped to negotiate the coming out process and learn to support their child's emerging sexual identity are suggested at the end of the book. (PsycINFO Database Record (c) 2004 APA, all rights reserved).

Everything, Everything

Everything, Everything is now a major motion picture starring Amanda Stenberg from *The Hunger Games* and Love Simon's Nick Robinson. A #1 New York Times Bestseller! The Glass Castle

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

The Book Thief

Discover this wise, blackly funny, radically imaginative novel that has sold over 10 million copies worldwide — A superb achievement. He is a wise and bleakly funny writer with rare gifts of empathy — Ian McEwan, Sunday Times bestselling author of *Atonement* It was 7 minutes after midnight. The dog was lying on the grass in the middle of the lawn in front of Mrs Shears' house. Its eyes were closed. It looked as if it was running on its side, the way dogs run when they think they are chasing a cat in a dream. But the dog was not running or asleep. The dog was dead. This is Christopher's story. There are also no lies in this story because Christopher can't tell lies. Christopher does not like strangers or the colours yellow or brown or being touched. On the other hand, he knows all the countries in the world and their capital cities and every prime number up to 7507. When Christopher decides to find out who killed the neighbour's dog, his mystery story becomes more complicated than he could have ever predicted. ****ONE OF THE GUARDIAN'S 100 BEST BOOKS OF THE 21st CENTURY****

The Curious Incident of the Dog in the Night-time

An Instant NEW YORK TIMES BESTSELLER A LOS ANGELES TIMES, BOSTON GLOBE, WALL STREET JOURNAL, and NATIONAL INDIE BESTSELLER Named A BEST BOOK OF THE YEAR by **Elle** **Real Simple** **Kirkus Reviews** **BookPage** "Memoir gold: a profound and exquisitely rendered exploration of identity and the true meaning of family." --People Magazine "Beautifully written and deeply moving--it brought me to tears more than once."--Ruth Franklin, The New York Times Book Review From the acclaimed, best-selling memoirist, novelist and host of the hit podcast *Family Secrets*, comes a memoir about the staggering family secret uncovered by a genealogy test: an exploration of the urgent ethical questions surrounding fertility treatments and DNA testing, and a profound inquiry of paternity, identity, and love. In the spring of 2016, through a genealogy website to which she had casually submitted her DNA for analysis, Dani Shapiro received the stunning news that her beloved deceased father was not her biological father. Over the course of a single day, her

How To Download eBook Mom Vs DadThe Not So Serious Guide To The Stuff Were All Fighting About

entire history--the life she had lived--crumbled beneath her. Inheritance is a book about secrets. It is the story of a woman's urgent quest to unlock the story of her own identity, a story that had been scrupulously hidden from her for more than fifty years. It is a book about the extraordinary moment we live in, a moment in which science and technology have outpaced not only medical ethics but also the capacities of the human heart to contend with the consequences of what we discover. Dani Shapiro's memoir unfolds at a breakneck pace--part mystery, part real-time investigation, part rumination on the ineffable combination of memory, history, biology, and experience that makes us who we are. Inheritance is a devastating and haunting interrogation of the meaning of kinship and identity, written with stunning intensity and precision.

My Mom and Dad Don't Live Together Anymore

Much has been written both about and by people who feel they were assigned the wrong body at conception, exploring the struggles and too often the tragedies that result from that mismatch of nature. Very little has been written, however, to chronicle the lifelong struggle of people to understand and come to terms with two distinct sets of emotions, one male and one female -- a single soul, at times divided, at times united, by two clearly identifiable spirits. Dear Mom and Dad: You Don't Know Me, But traces the life of George through the eyes of Georgia, the female half of their soul, from early childhood in the post war Texas oil fields through the innocence of his early school years in northeastern Oklahoma. With the onset of puberty, Georgia watches the omnipresent feeling of not being normal cast a destructive pall over nearly everything George attempts. After the collapse of his lifelong dream, George begins again with hopes, new dreams and the love they've both longed for. Georgia finally emerges, but understanding her part in their soul comes slowly and is complicated by a tragedy of profound proportion. Dear Mom and Dad considers the ultimate understanding of God's will for both George and Georgia and its unusual conclusion, sharing a story of struggle and self-acceptance.
