"More Than Just Food is an utterly compelling and intellectually satisfying discussion of the historical and contemporary relevance of food justice concerns to any serious conversation about racism, community organizing, and social justice more generally. Garrett M. Broad has written a powerful account of how and why the politics of healthy food access and activism can shed new and valuable light on questions of inclusion, fairness, and inequality in an interconnected and neoliberal world

Hunger in the UK isn ' t about food. It ' s about not having enough money for the essentials. Because of this, we support and encourage our food banks to provide compassionate, practical support to people in crisis so that they can tackle the issues they ' re facing and won ' t need to use a food bank again in the future.
