### Midnight's Daughter

A breathtaking epic fantasy adventure from the bestselling Patricia Briggs, author of the Mercy Thompson novels. After an upbringing of proper behaviour and oppressive expectations, Aralorn fled her noble birthright for a life of adventure as a mercenary spy. But her latest mission involves more peril than she ever imagined. Agents of Sianim have asked her to gather intelligence on the increasingly popular and powerful sorcerer Geoffrey ae'Magi. Soon Aralorn comes to see past the man's striking charisma - and into a soul as corrupt and black as endless night. And few have the will to resist the sinister might of the ae'Magi and his minions. So Aralorn, aided by her enigmatic companion, Wolf, joins the rebellion against the ae'Magi. But in a war against a foe armed with the power of illusion, how do you know who the true enemy is - or where he will strike next? This omnibus edition contains the two titles MASQUES and WOLFSBANE. Seraph is among the last of the Travelers, those who strive to destroy the dark magic released by their ancestors' mistakes. Seraph tried to escape her

people ' s duty and live a quiet life, until evil found her...and her family. A cunning new force for darkness called the Shadowed stalks the land, feeding on death, destruction, and the sleeping Stalker ' s power. He plans to wake the Stalker, wreaking untold havoc, but he needs those who bear the Travelers ' magic to release the dark god...and he has his sights set on Seraph and her family.

### Your Lion Eyes

An alpha werewolf meets his match in this sizzling paranormal romance from USA Today bestselling author Terry Spear **THERE'S A NEW WOLF PACK IN SILVER TERRITORY** Wolf shifter and park ranger Eric Silver is committed to his job policing spectacular San Isabel National Forest, and he's hot on the scent of some mysterious wolves who are up to no good. When Eric's investigation leads him to cross paths with forester Pepper Grayling, he's fascinated to learn this she-wolf is her pack's leader-strong, independent, and definitely not looking for a mate. **AND THIS TIME THE LEADER'S A SHE** With unknown dangers on the prowl, Pepper is tempted to give in to her attraction to Eric and align her pack with his. But Pepper's been pursued by many an alpha male out to take over her pack and gain her hard-won territory-and Eric is a born leader. How does Eric earn the trust of a she-wolf who's been betrayed so often in the past? Praise for *Silence of the Wolf*: "The outstanding and gripping plot will appeal to paranormal fans, and romance junkies will take delight in the red-hot love story embedded within." -RT Book Reviews, 4 stars "Nobody does werewolf romances like Terry Spear. The romance sizzles, the plot boils, the mystery intrigues, and the characters shine." -The Royal Reviews

### Alpha Warrior

Born in 1842, Camille Flammarion was a French astronomer who wrote many popular books about science and astronomy, together with a number of novels which we would now consider to be science fiction. He was a contemporary of H. G. Wells and Jules Verne, though his works never achieved their level of popularity. *Omega: The Last Days of the World* is an English translation of Flammarion ' s novel *La Fin du Monde*, published in 1893. The book ' s fictional premise is the discovery of a comet on a collision course with the Earth in the 25th century. However, this is mostly a pretext on which Flammarion can hang his interesting scientific speculations about how the world will end, together with philosophical thoughts about war and religion. Much of the scientific description he uses in the book, while accurately representing the knowledge and thinking of his time, has today been superseded by modern discoveries. For example, we now know the source of the Sun ' s energy to be nuclear fusion rather than being due to gravitational contraction and the constant in-fall of meteorites. When talking about the ills of society, however, Flammarion could well be talking about today ' s world. For example, he excoriates the vast waste of society ' s resources on war, and demonstrates how much more productive each nation ' s economy would be without it. He also depicts the media of his future world as having been entirely taken over by commercial interests, publishing only what will excite the greatest number of readers rather than serving the public interest. *Omega* ranges over a vast period of time, from prehistory through to millions of years in the future when mankind has been reduced to the last two doomed individuals. Nevertheless, the book ends on a hopeful and inspiring note. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
