Amazon.com: Customer reviews: Postmodern Winemaking

In Postmodern Winemaking, Clark Smith shares the extensive knowledge he has accumulated in engaging, humorous, and erudite essays that convey a new vision of the winemaker's craft--one that credits the crucial roles played by both science and art in the winemaking process. Smith, a leading innovator in red wine production techniques, explains how traditional enological education has led many winemakers astray--enabling them to create competent, consistent wines while putting exceptional

Postmodern Winemaking: Rethinking the Modern Science of an

Postmodern Winemaking is a book for professional winemakers. Amateurs may struggle with it. It helps to know your wine (and other) history, because the author makes numerous offhand references to both as well as technical references that probably only old pro's would pick up on (I was clueless at times).
