Prepping 101 – Prepper Food Storage. By Pat Henry February 16, 2013. When you start to consider prepping, one of the first things you need to start prepping for is your prepper food storage. Simply put, food is one essential you need to live and your family must have a sufficient supply of food on hand to keep you fed should any emergency strike. Because of our just in time supply chain model, most grocery stores do not have more than 3 days' worth of food stocked.
