## Prince of Wolves

Jacque Pierce was an ordinary 17-year-old girl getting ready to start her senior year in high school in Coldspring, TX when a mysterious foreign exchange student from Romania moves in across the street. Jacque and her two best friends Sally and Jen don't realize the last two weeks of their summer are going to get a lot more interesting. From the moment Jacque sets eyes on Fane, she feels an instant connection, a pull like a moth to a flame. Little does she know that the flame she is drawn too is actually a Canis Lupus, werewolf, and she just happens to be his mate, the other half of his soul. The problem is Fane is not the only wolf in Coldspring. Just as Fane and Jacque are getting to know each other, another wolf steps out to try and claim Jacque as his mate. Fane will now have to fight for the right to complete the mating bond, something that is his right by birth but is being denied him by a crazed Alpha. Will the love Fane has for Jacque be enough to give him the strength to defeat his enemy and will Jacque accept she is Fane's mate and complete the bond between them?

## Sacrifice and Self-interest in Seventeenth-Century France

As one evil falls, another rises in its place. The powerful witch, Desdemona, has finally been killed by an alliance of wolf, elf, and fae. But Reyaz, brother to Cypher the warlock king, has vowed retribution for a life that was taken from him. Now Cypher must decide not only how to protect his newfound mate and his people, but also how to destroy the only family he has left. Meanwhile, Jen's pregnancy progresses and the fateful due date draws ever nearer. The thought of losing Decebel's child constantly threatens to overwhelm her. With each passing day, Decebel grows more distant, causing Jen to wonder what toll the impending loss of their child is taking on him. Unbeknownst to Jen, in an act of desperation to protect his unborn child

and mate, Decebel strikes a deadly bargain with the Great Luna-his life in place of his child's. There is only one way for that to happen; the bond between he and Jen must be broken. As Jen and Decebel struggle through their darkness, another kind of darkness is infiltrating Fane's heart. Doubts and questions linger as he tries to cope with the emotions brought on in the aftermath of Desdemona's curse. He knows what happened wasn't real, but still he can't rid himself of the terrible images seared into his memory. Jacque is his light, the one who keeps the darkness at bay, yet he won't let her inside to do just that. Sally continues to learn what it means to be a gypsy healer and Costin struggles to protect her as she runs full speed ahead to help her wolves, heedless of her own safety. She sees her best friends struggling, each enduring their own trials. She's desperate to help them, but can she keep them safe? With all of these things hanging heavy over the heads of the Serbia and Romania packs, their attention is divided. The wolves do not even realize a threat has slowly infiltrated their midst. Will they recognize the threat in time to save the lives that precariously hang in the balance? Against this backdrop of darkness, choices will be made, fears will be confronted, and the ultimate sacrifice will be made. Will the wolves stand together to defeat the threats arrayed against them, both from within and without? Will love conquer all? Or will the beleaguered wolves finally succumb to their demons?

Wolf Liebeschuetz is one of the most distinguished, creative and best-liked of contemporary Ancient Historians. In his fifty-year career of teaching and publication Wolf, German-born and British-educated, has informed generations of scholars - collaborating, instructing, disputing and commenting on research. In this volume, coinciding with his eightieth birthday, twenty historians and archaeologists who have known Wolf as friends, colleagues and pupils acknowledge and celebrate his influence by presenting papers on topics related to his four monographs: *Antioch: City and Imperial Administration in the Later Roman Empire* (1972); *Continuity and Change in Roman Religion* (1980); *Barbarians and Bishops* (1990); and *The Decline and Fall of the Roman City* (2001). Four core sections cover: 'Law and Religion' (Duncan Cloud, Robert Markus, Karl Leo Noethlichs, John North, Benet Salway); 'Antioch and the East' (Hugh Elton, Geoffrey Greatrex, Doug Lee); 'Barbarians and Bishops' (Jonathan Barlow, John Drinkwater, Peter Heather, Neil McLynn); 'The City' (Simon Corcoran, Nick Henck, Luke Lavan, Andrew Poulter, Charlotte Roueché). The book opens with 'Modern Historiography' (Hartmut Leppin, Bryan Ward-Perkins) and closes with an 'Afterword' (Averil Cameron).

### **Twentieth-century Literary Criticism**

This book explores the character of the Eucharist as communion in and through sacrifice. It will stimulate discussion because of its controversial critique of the dominant paradigm for Eucharistic theology, its reclamation of St Thomas Aquinas's theology of the Eucharist, and its response to Pope John Paul II's *Ecclesia de Eucharistia*. Argues that the Eucharist cannot be separated from sacrifice, and rediscovers the biblical connections between sacrifice and communion. Timed to coincide with the Year of the Eucharist, proclaimed by Pope John Paul II. Reclaims the riches of St Thomas Aquinas's theology of the Eucharist, which had recently been reduced to a metaphysical defence of transubstantiation.

With the challenge complete and the corrupt Alpha of Coldspring defeated Fane is now free to complete the mate bond with Jacque and perform the Blood Rites. Although the challenge is done, the effects are far-reaching. Once it is known that Vasile one of the strongest Alphas in the world is in America, specifically Coldspring, TX, there is one Alpha who cannot overlook the significance of this. An Alpha who happens to share Jacque's DNA, but is this the one she needs to fear? With her mom driving and her two best friends, Jen and Sally in tow, Jacque set off for her happily ever after. She will soon realize a plan has been put in motion that will change her course and possibly tear her from Fane's grasp forever. It will take a wolf pack, her mother's love, her two best friend's unrelenting determination, her own will to survive and the undying love of her mate to bring her home. The question remains, if she fights, if she endures, who will she be, what will be left once she is back in her mate's arms?

### **Sacrifice of Love**

Sacrifice Your Love develops the idea that sacrifice is a mode of enjoyment--that our willingness to sacrifice our desire is actually a way of pursuing it. Fradenburg considers the implications of this idea for various problems important in medieval studies today and beyond.

### **The Holy Bible, in the Authorized Version: The Book of the Prophet Isaiah (2nd ed., 1869)**

Second novel by this chart topping author! #1 Crime Thriller #1 Conspiracies Thriller "A great spy thriller! MI5 don't know what's hit them, nor does a nation impacted by a sudden disaster. What one critic said: "I wish I could write a review as well as the author wrote this book to do it justice. Another magnificent literature masterpiece from Tim Heath. I really enjoy the concept of the story-line which I must recommend to anybody into thrillers and high tech espionage. The frightening thing about it is this could actually be fact one day!" The back cover text: "John awakes to find himself in a hospital bed with no memory of how he got there. Then the visions start. Destruction and death. A last chance. The only one who can save millions of people. He is no hero. Could he do what was being asked of him?" If you like your British thriller, boiling with espionage as various secret service teams move around a damage but not defeated London, this is the one for you! Book 1 in the 'Shadow Man' series of thrillers. Book 2 ('The Shadow Man') is due out at Nov 2016. Here are some of the reviews for The Last Prophet; "Thrillers don't normally encourage you to ask such questions: Is this all there is to life? Can there be hope despite the certainty of death? Once bad, always bad - but can a person perhaps change? Is it possible to redeem oneself - perhaps through a heroic act or through one's love for others? Can one person sacrifice himself for everyone? Is it ethical for the community to sacrifice one person's life for everyone else's survival? Is it ethical to lie or even to build a web of lies in order to save many from destruction? And yet despite - or perhaps because of? - these deep philosophical questions we are kept in suspense until the last page." "I have to say that I massively enjoyed this book from beginning to end. I enjoyed the plot, the characters, the ideas, the developing urgency of the story and the underlying theme of sacrifice. I enjoyed the mixture of covert teams operating against each other and the ensuing

action well researched and thought through .In fact I can actual see something like this taking place one day-who knows, this may well be a Prophetic book!" "International espionage and sneaky twists provide the backdrop to some heart-wrenching decisions for the people we meet along the way. Not afraid to ask the big questions, The Last Prophet foretells a journey none of us would ever wish to make. If you like your thrillers with a dash of apocalypse and a side order of sacrifice, check this one out!" "Very good read. Couldn't put it down. Brilliant from beginning to end and very thought provoking. We are going to read it at our Book Cub next time. Thank you Tim." "This is an exciting fast moving story. Just as you are beginning to understand what is going on, a new factor comes into play and new complexities appear. Right up to the end it is not clear which way it will go and I couldn't put the book down." "A thriller in the traditional sense, but with an edgy provoking setting. The use of tension and revelation perfectly balanced to keep you turning pages late into the night. Political intrigue, together with subtly revealed plot twists keep the reader alert and motivated to uncover the truth ahead of its telling. 3D characters challenge you to examine human nature and personal boundaries. A satisfying read with refreshingly strong female characters." "A Riveting Spy Thriller! MI5, MI6, the South African Secret Service, and the Chinese-what more could you ask for in an international spy thriller. You have shadow governments, or rogue governments-or is this really the normal operating procedures for nations who want to take down their enemies, in revenge for spying on them? I highly recommend this book."
