## The Illustrated Compendium of Amazing Animal Facts

(Book Jacket Status: Jacketed) When it was published in 1955, "Lolita" immediately became a cause célèbre because of the freedom and sophistication with which it handled the unusual erotic predilections of its protagonist. But Vladimir Nabokov's wise, ironic, elegant masterpiece owes its stature as one of the twentieth century's novels of record not to the controversy its material aroused but to its author's use of that material to tell a love story almost shocking in its beauty and tenderness. Awe and exhilaration-along with heartbreak and mordant wit-abound in this account of the aging Humbert Humbert's obsessive, devouring, and doomed passion for the nymphet Dolores Haze. Lolita is also the story of a hypercivilized European colliding with the cheerful barbarism of postwar America, but most of all, it is a meditation on love-love as outrage and hallucination, madness and

transformation. With an Introduction by Martin Amis "From the Hardcover edition."

### Animals of a Bygone Era

With an enduring grasp of human nature, Dale Carnegie 's How to Win Friends and Influence People teaches his readers how to handle people without letting them feel manipulated, how to make people feel important without inspiring resentment, how win people over to your point of view without causing offence, and how to make a friend out of just about anyone. Published in 1937, Carnegie 's How to Win Friends and Influence People, was originally written as a companion book to his lectures on how to be a good salesperson. However, what began as a basic sales primer, quickly exploded into an overnight success, eventually selling more than 15 million copies worldwide, and pioneering an entire genre of self-help and personal success books. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library.

### Beyond Words

Made by nature. Drawn by Brooke Barker, these animal facts in carton form are equal parts hilarious and heartbreaking. From a mininum wage for honeybees, to the television habits of dogs and the acrobatic prowess of elephants, you'll never see animals in quite the same way again. Perfect for anyone that's ever spent their entire lunch break looking at funny animal videos.

### Amazing Animal Facts Postcards

Synopsis coming soon.

## Sad Animal Facts

A beautifully illustrated collection of fascinating, surprising, and funny facts about extinct animals. In the past, amazing and strange animals roamed the earth, including giant sea scorpions, tiny horses, enormous sloths, and fierce "terror birds." These and many more fantastic extinct animals are illustrated in this whimsical collection by Swedish artist Maja S ä fstr ö m.

## The Secret Garden

Baby animals don't play with toys. They don't have favourite colours. And they don't learn songs unless for self-defence. In this beautifully illustrated compendium of sweet and sad facts, Brooke Barker takes us into the world of baby animals and shows us just how complicated and adorable their creation and fight for survival can be, from the moose who try to mate with cars, to the single parrots who talk to blenders and the newborn elephants who can't control their trunks. If you already think you ' d like to hug a baby animal Sad Animal Facts: Baby Talk will make you realize just how much they need it.

## Rewild Yourself

We're not just losing the wild world. We're forgetting it. We're no longer noticing it. We've lost the habit of looking and seeing and listening and hearing. But we can make hidden things visible, and this book features 23 spellbinding ways to bring the magic of nature much closer to home. Mammals you never knew existed will enter your world. Birds hidden in treetops will shed their cloak of anonymity. With a single movement of your hand you can make reptiles appear before you. Butterflies you never saw before will bring joy to every sunny day. Creatures of the darkness will enter your consciousness. And as you take on new techniques and a little new equipment, you

## Read Book Online Sad Animal Facts

will discover new creatures and, with them, new areas of yourself that had gone dormant. Once put to use, they wake up and start working again. You become wilder in your mind and in your heart. Once you know the tricks, the wild world begins to appear before you. For anyone who wants to get closer to the nature all around them and bring it back into focus, this is the perfect read.

### The Photo Ark

Presents a controversial history of violence which argues that today's world is the most peaceful time in human existence, drawing on psychological insights into intrinsic values that are causing people to condemn violence as an acceptable measure.

### Lolita

This special edition of the #1 New York Times bestselling Wings of Fire series soars back in time to give readers a glimpse of Pyrrhia through new eyes. For decades dragons have wondered how three small scavengers managed to kill Queen Oasis. Until now. Travel back to before the War of SandWing Succession, and experience Pyrrhia as we've never seen it before -- through the eyes of humans.

### They Can Talk

New York Times Bestseller! A delightful and quirky compendium of the Animal Kingdom 's more unfortunate truths, with over 150 hand-drawn illustrations. Ever wonder what a mayfly thinks of its one-day lifespan? (They 're curious what a sunset is.) Or how a jellyfish feels about not having a heart? (Sorry, but they 're not sorry.) This melancholy menagerie pairs the more unsavory facts of animal life with their hilarious thoughts and reactions. Sneakily informative, and wildly witty, SAD ANIMAL FACTS will have you crying with laughter.

### WINNIE-THE-POOH THE HONEY TREE.

"Did you know that giraffes can lick their ears? Or that ostriches can't walk backwards? These and many more charming quirks about the animal kingdom (ants never sleep! starfish don't have brains!) are detailed in this visually sophisticated and appealing gift book.

Illustrator Maja Sofstr m's entrancing illustrations bring these captivating facts to life-making The Illustrated Compendium of Amazing Animal Facts a must-have for animal and art lovers both young and old."

### The Ankh-Morpork City Watch Discworld Journal

Finalist for the National Book Award for Nonfiction \* New York Times Bestseller \* Starred Booklist and Library Journal Editors ' Spring Pick \* A Huffington Post Notable Nonfiction Book of the Year \* One of the Best Books of the Month on Goodreads \* Library Journal Best Sci-Tech Book of the Year \* An American Library Association Notable Book of the Year " Sy Montgomery ' s The Soul of an Octopus does for the creature what Helen Macdonald ' s H Is for Hawk did for raptors. " —New Statesman, UK " One of the best science books of the year. " —Science Friday, NPR Another New York Times bestseller from the author of The Good Good Pig, this " fascinating...touching...informative...entertaining " (Daily Beast) book explores the emotional and physical world of the octopus—a surprisingly complex, intelligent, and spirited creature—and the remarkable connections it makes with humans. In pursuit of the wild, solitary, predatory octopus, popular naturalist Sy Montgomery has practiced true immersion journalism. From New England aquarium tanks to the reefs of French Polynesia and the Gulf of Mexico, she has befriended octopuses with strikingly different personalities—gentle Athena, assertive Octavia, curious Kali, and joyful Karma. Each creature shows her cleverness in myriad ways: escaping enclosures like

an orangutan; jetting water to bounce balls; and endlessly tricking companions with multiple “ sleights of hand ” to get food. Scientists have only recently accepted the intelligence of dogs, birds, and chimpanzees but now are watching octopuses solve problems and are trying to decipher the meaning of the animal ’ s color-changing techniques. With her “ joyful passion for these intelligent and fascinating creatures ” (Library Journal Editors ’ Spring Pick), Montgomery chronicles the growing appreciation of this mollusk as she tells a unique love story. By turns funny, entertaining, touching, and profound, *The Soul of an Octopus* reveals what octopuses can teach us about the meeting of two very different minds.

### Dog Man: Grime and Punishment: From the Creator of Captain Underpants (Dog Man #9)

Critically acclaimed when it was first published, *Tuck Everlasting* has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at *Tuck Everlasting* twenty-five years later. What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family ’ s property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks ’ secret—and whether or not to join them on their never-ending journey. Praise for *Tuck Everlasting* by Natalie Babbitt: “ A fearsome and beautifully written book that can't be put down or forgotten. ” —The New York Times “ Exciting and excellently written. ” —The New York Times Book Review “ With its serious intentions and light touch the story is, like the Tucks, timeless. ” —Chicago Sun-Times “ Probably the best work of our best children's novelist. ” —Harper's “ Natalie Babbitt's great skill is spinning

## Read Book Online Sad Animal Facts

fantasy with the lilt and sense of timeless wisdom of the old fairy tales. . . It lingers on, haunting your waking hours, making you ponder. ”  
—The Boston Globe “ This book is as shapely, crisp, sweet, and tangy as a summer-ripe pear. ” —Entertainment Weekly This title has Common Core connections.

### Heidi

"Housed in a keepsake box and arranged, much like a recipe box or card catalog, in tabbed sections (air, forest, sea, etc) this new format postcard box lets the user share all the curious knowledge and amazing artwork that makes Maja's book so special. From the Otters (they hold hands when they sleep in the water so they don't float away from each other!) to the elephant (mother elephant pregnancies last two years!) each postcard presents a unique look at the animal kingdom that will delight and astound. 50 postcards; 25 designs repeating, printed on toothy uncoated stock, with the animal's biological classification on the back."

### Bad Bug Book

Food safety is a complex issue that has an impact on all segments of society, from the general public to government, industry, and academia. The second edition of the Bad Bug Book, published by the Center for Food Safety and Applied Nutrition, of the Food and Drug Administration (FDA), U.S. Department of Health and Human Services, provides current information about the major known agents that cause foodborne illness. The information provided in this handbook is abbreviated and general in nature, and is intended for practical use. It is not intended to be a comprehensive scientific or clinical reference. Under the laws administered by FDA, a food is adulterated if it contains (1) a poisonous or otherwise harmful substance that is not an inherent natural constituent of the food itself,

in an amount that poses a reasonable possibility of injury to health, or  
(2) a substance that is an inherent natural constituent of the food itself;  
is not the result of environmental, agricultural, industrial

### The Truth About Animals

This lush book of photography represents National Geographic's Photo Ark, a major cross-platform initiative and lifelong project by photographer Joel Sartore to make portraits of the world's animals—especially those that are endangered. His powerful message, conveyed with humor, compassion, and art— to know these animals is to save them. Sartore intends to photograph every animal in captivity in the world. He is circling the globe, visiting zoos and wildlife rescue centers to create studio portraits of 12,000 species, with an emphasis on those facing extinction. He has photographed more than 6,000 already and now, thanks to a multi-year partnership with National Geographic, he may reach his goal. This book showcases his animal portraits— from tiny to mammoth, from the Florida grasshopper sparrow to the greater one-horned rhinoceros. Paired with the eloquent prose of veteran wildlife writer Douglas Chadwick, this book presents a thought-provoking argument for saving all the species of our planet.

### Barely Functional Adult

Mary Roach meets Bill Bryson in this "surefire summer winner" (Janet Maslin, New York Times), an uproarious tour of the basest instincts and biggest mysteries of the animal world. Humans have gone to the Moon and discovered the Higgs boson, but when it comes to understanding animals, we've still got a long way to go. Whether we're seeing a viral video of romping baby pandas or a picture of penguins "holding hands," it's hard for us not to project our own values—innocence, fidelity, temperance, hard work—onto animals. So you've probably never considered if moose get drunk, penguins cheat

## Read Book Online Sad Animal Facts

on their mates, or worker ants lay about. They do--and that's just for starters. In *The Truth About Animals*, Lucy Cooke takes us on a worldwide journey to meet everyone from a Colombian hippo castrator to a Chinese panda porn peddler, all to lay bare the secret--and often hilarious--habits of the animal kingdom. Charming and at times downright weird, this modern bestiary is perfect for anyone who has ever suspected that virtue might be unnatural.

### The Better Angels of Our Nature

In one lifetime, a caribou will shed 10 sets of antlers, a woodpecker will drill 30 roosting holes, a giraffe will wear 200 spots, a seahorse will birth 1,000 babies. Count each one and many more while learning about the wondrous things that can happen in just one lifetime. This extraordinary book collects animal information not available anywhere else—and shows all 30 roosting holes, all 200 spots, and, yes!, all 1,000 baby seahorses in eye-catching illustrations. A book about picturing numbers and considering the endlessly fascinating lives all around us, *Lifetime* is sure to delight young nature lovers.

### Lobster Is the Best Medicine

"*Unfamiliar Familiars* is a lighthearted and humorous guide to finding the familiar best suited to your personality and particular magical needs. Filled with playful pop culture references and unusual and engaging animal facts, this guide brings a magical twist to the animal fact book for companion-seeking witches everywhere"--

### Animal (De)liberation

For dog owners and lovers everywhere, C. J. Frick's *Be the Person Your Dog Thinks You Are* is a humorous, fully illustrated book that shows us that even when we feel at our worst, our dogs still think we're

the best?so start acting like it!

### How To Win Friends And Influence People

When sixteen-year-old Rashad is mistakenly accused of stealing, classmate Quinn witnesses his brutal beating at the hands of a police officer who happens to be the older brother of his best friend. Told through Rashad and Quinn's alternating viewpoints.

### Lifetime

In a city like Ankh-Morpork, where Assassins assassinate, thieves thieve and seamstresses, um . . . don't, Law and Order can be a complicated business. Thankfully His Grace, His Excellency, The Duke of Ankh, Commander Sir Samuel Vimes (Blackboard Monitor) and the Ankh-Morpork City Watch are here to keep the peace. The finest body of men, women, dwarfs, trolls, werewolves, golems, igors, gnomes, feegles, vampires (and whatever Nobby Nobbs is) on the face of the Discworld! The Ankh-Morpork City Watch Journal provides jotting space for your notes, reports, observations and investigations, so kick back, relax and take down your particulars. To help you keep on the straight and narrow, you'll be aided and abetted by some choice quotes from Terry Pratchett's seminal City Watch novels.

### The Art of Rick and Morty

"We all have strange, irrational fears from seeing ghosts in the bedroom mirror to being sucked into a mall escalator or finding yourself miles below the ocean's surface on the deck of a sunken ship. In *Deep Dark Fears*, animator, illustrator, and cartoonist Fran Krause brings these fears to life in 101 vividly illustrated comics inspired by his wildly popular web comic and based on real fears submitted by online readers. *Deep Dark Fears* explores our gruesome, hilarious, and bizarre

## Read Book Online Sad Animal Facts

anxieties, revealing a primal part of our humanity and highlighting both our idiosyncrasies and our similarities. This devilishly humorous guide explores our drive to experience and share the wonders of the world and the dangers lurking around every corner."

### Slothilda

#1 AMAZON BESTSELLER. WARNING: THIS IS NOT A CHILDREN'S BOOK. 100 Grumpy Animals by BeastFlaps. It was only the first week of the new year, and I was already fed up and grumpy. I had a pile of paperwork to sort through, a backlog of work to get done and more than a few bills to pay. I was asked to stop everything and urgently draw a cute greeting card for a friend (as a favour of course) and before I knew it I had drawn an angry duckling saying QUACK F\*\*\*ING QUACK. It made me laugh out loud and I shared it online. It quickly became apparent that it was making a few other people smile too, and so a promise was made. No matter what else life would bring in 2020, I would set aside enough time each day to draw and post a daily grumpy animal. This book is the unstoppable force of 100 days of grumpy animal drawings.

### Tuck Everlasting

The one and only Cat in the Hat from the iconic Dr. Seuss – now available in ebook, with hilarious read-along narration performed by outstanding comic talent, Adrian Edmondson. Enjoy this roller-coaster ride of mayhem anytime, anywhere!

### False Knees

The adventures of Christopher Robin and his friends in which Pooh Bear uses a balloon to get honey, Piglet meets a Heffalump, and Eeyore has a birthday. These tales still speak to all of us with the freshness that

distinguishes true storytelling.

### Be the Person Your Dog Thinks You Are

THE NEW YORK TIMES BESTSELLER I wanted to know what they were experiencing, and why to us they feel so compelling, and so close. This time I allowed myself to ask them the question that for a scientist was forbidden fruit: Who are you? Weaving decades of field observations with exciting new discoveries about the brain, Carl Safina's landmark book offers an intimate view of animal behavior to challenge the fixed boundary between humans and animals. Travelling to the threatened landscape of Kenya to witness struggling elephant families work out how to survive poaching and drought, then on to Yellowstone National Park to observe wolves sort out the aftermath of one pack's personal tragedy, the book finally plunges into the astonishingly peaceful society of killer whales living in the crystalline waters of the Pacific Northwest. Beyond Words brings forth powerful and illuminating insight into the unique personalities of animals through extraordinary stories of animal joy, grief, jealousy, anger, and love. The similarity between human and nonhuman consciousness, self-awareness and empathy calls us to re-evaluate how we interact with animals. Wise, passionate, and eye-opening at every turn, Beyond Words is ultimately a graceful examination of humanity's place in the world.

### Sad, the Dog

The animated science-fiction adventures of Rick and Morty are irreverent, shocking, and hilarious - from the cynical and rapid-fire one liners, to the grotesque and endearing character designs. Now, take a deep trans-dimensional dive into the creation of these many insane universes with The Art of Rick and Morty! Features intimate commentary from the show's creators alongside a vast collection of

process, concept, and production art.

### Sad Animal Facts: Baby Talk

A New York Times bestselling author and the #1 New York Times bestselling illustrator of *The Good Egg* deliver a perfectly timed, funny read-aloud about the importance of telling the truth. There once was a fact who could not lie. But no one believed him. When the Authorities lock the sad little fact away, along with other facts, the world goes dark. But facts are stubborn things. With the help of a few skillful fact finders, they make a daring escape and bring truth back to brighten the world. Because after all, "a fact is a fact" and that's that! Truth be told, this spare, ingenious story reads like a modern-day parable. Bestselling author, Jonah Winter, and the #1 New York Times bestselling illustrator of *The Good Egg*, Pete Oswald, pair together to remind us of the importance of honesty and truth during a time of lies and fake news.

### Dragonslayer

Do you know what they are really saying? From the popular internet sensation "They Can Talk" comes a hilarious comic collection of what it would be like if we had VIP access to the lives of our animal friends and foes. Humor writer and artist Jimmy Craig offers 100 colorful comics, including the inner thoughts of creatures from across the animal kingdom--from misunderstood sharks and trouble making bears to the often complicated relationship between you and your pet cat. Get dating advice from raccoons, and learn what roosters think when the sun rises and why cats are always knocking things off of shelves. *They Can Talk* is the perfect quirky gift for any lover of animals, or for anyone who just loves to laugh.

### Unfamiliar Familiars

«

## 100 Grumpy Animals

Orphaned Heidi lives with her gruff but caring grandfather on the side of Swiss mountain, where she befriends young Peter the goat-herd. She leads an idyllic life, until she is forced to leave the mountain she has

## Read Book Online Sad Animal Facts

always known to go and live with a sickly girl in the city. Will Heidi ever see her grandfather again? A classic tale of a young girl's coming-of-age, of friendship, and familial love, Heidi has inspired countless dramatic versions, both on TV and in film, including Shirley Temple's famous 1937 version.

### Effin' Birds

The next great Dog Man adventure from the worldwide bestselling author and artist Dav Pilkey. You'll howl with laughter! The Supa Buddies bamboozled the baddies, but all's not right in the world. Dog Man has a new problem to pound, and he's going to need his entire pack to help him. Will he go barking up the wrong tree? Dav Pilkey's wildly popular Dog Man series appeals to readers of all ages and explores universally positive themes, including empathy, kindness, persistence, and the importance of doing good.

### All American Boys

A Hardcover Original From the creator of Barely Functional Adult, a painfully relatable webcomic with over 125k followers on Instagram, comes a hilariously poignant collection of beautifully illustrated short stories that chronicle the ever-evolving perspectives of your twenties on work, therapy, identity, heartbreak, friendship, and more. Wielding her trademark balance of artful humor, levity, and heartbreaking introspection, Meichi Ng ' s indisputably relatable collection of short stories holds a mirror to our past, present, and future selves. Featuring a swaddled, gender-neutral, Barely Functional Adult as its protagonist, who says all the things we think but cannot say, this book is equal parts humorous and heartbreaking as it spans a spectrum of topics including imposter syndrome, therapy, friendships, first loves, letting go of exes, and just trying to find your purpose in the world. Prepare to excitedly shove this book in your friend ' s face with little decorum as you

shout, “ THIS IS SO US! ” In this beautiful, four-color collection compiled completely of never-before-seen content, Meichi perfectly captures the best and worst of us in every short story, allowing us to weep with pleasure at our own fallibility. Hilarious, relatable, and heart-wrenchingly honest, This Book Is a Time Machine will have you laughing and crying in the same breath, and taking solace in the fact that we ’ re anything but alone in this world.

### The Soul of an Octopus

Are you a fan of carbs, the internet, and naps? Slothilda is your spirit animal! This colorful, sweet, and funny book is the perfect gift for someone you know who really wishes he or she was living the “ sloth life. ” Slothilda feels pressured to overachieve in a fast-paced world, but she's constantly fighting her DNA. Though Slothilda's sluggish ways might occasionally hold her back, it turns out her perceived deficits are actually her greatest attributes. Slothilda gives us permission to feel unashamed about our slothy tendencies and emphasizes the importance of celebrating our authentic selves. From former Simpsons animator Dante Fabiero comes this all-too-real comic series about an adorable little sloth who's driven by her desire for self-improvement. Slothilda explores an inner conflict we can all relate to – the desire to succeed and grow, while paradoxically dealing with the ever-present temptation to sloth. With hilarious themes related to work, fitness, food, shopping, and pets, this book shows that you're not the only sloth at heart.

### Deep Dark Fears

A celebration of friendship returns readers to a quirky animal kingdom where a menagerie of grizzlies, bunny rabbits, and other critters humorously explore relationship issues.

### Sad Animal Facts

A compact, comprehensive, and very silly field guide featuring more than 200 of the rudest birds on earth. *Effin' Birds* is the most eagerly anticipated new volume in the grand and noble profession of nature writing and bird identification. Sitting proudly alongside Sibley, Kaufman, and Peterson, this book contains more than 150 pages crammed full of classic, monochrome plumage art paired with the delightful but dirty aphorisms (think "I'm going to need more booze to deal with this week") that made the *Effin' Birds* Twitter feed a household name. Also included in its full, Technicolor glory is John James Audubon's most beautiful work matched with modern life advice. Including never-before-seen birds, insults, and field notes, this guide is a must-have for any effin' fan or birder.

### The Extraordinary Book of Useless Information

In this book, Jan Deckers addresses the most crucial question that people must deliberate in relation to how we should treat other animals: whether we should eat animal products. Many people object to the consumption of animal products from the conviction that it inflicts pain, suffering, and death upon animals. This book argues that a convincing ethical theory cannot be based on these important concerns: rather, it must focus on our interest in human health. Tending to this interest demands not only that we extend speciesism—the attribution of special significance to members of our own species merely because they belong to the same species as ourself—towards nonhuman animals, but also that we safeguard the integrity of nature. In this light, projects that aim to engineer the genetic material of animals to reduce their capacities to feel pain and to suffer are morally suspect. The same applies to projects that aim to develop in-vitro flesh, even if the production of such flesh should be welcomed on other grounds. The theory proposed in this book is

accompanied by a political goal, the ‘vegan project’, which strives for a qualified ban on the consumption of animal products. Deckers also provides empirical evidence that some support for this goal exists already, and his analysis of the views of others—including those of slaughterhouse workers—reveals that the vegan project stands firm in spite of public opposition. Many charges have been pressed against vegan diets, including: that they alienate human beings from nature; that they increase human food security concerns; and that they are unsustainable. Deckers argues that these charges are legitimate in some cases, but that, in many situations, vegan diets are actually superior. For those who remain doubtful, the book also contains an appendix that considers whether vegan diets might actually be nutritionally adequate.

### The Cat in the Hat

There are more incredibly pointless and delightfully entertaining things to discover in this new entry in the #1 New York Times bestselling series. You probably never knew... • Ronald Reagan is the only president who has been divorced. • It is estimated that half of the world’s spider species have yet to be discovered. • November 15 is National Clean Out Your Refrigerator Day. And did you really ever have to know... • The whiskers on a harbor seal are known as “vibrissae”? • Modern scholars believe Isaac Newton may have had Asperger’s syndrome? • In the 1920s, Hollywood made twice as many films a year as it does today?

### The Sad Little Fact

In Barkman’s debut print collection, False Knees fans will find old favorites along with an abundance of all-new material. Featuring creatures found in the author’s native Ontario, this always sharp, sometimes head-scratchingly bizarre collection of comics offers a view into the secret, surprisingly insightful world of blue jays, squirrels,
