New Twist on an Old Classic As you might remember from the original song - "I'm bringing home a baby bumblebee", the situation escalates rather quickly after the

"Ouch! It stung me!" part. I found myself not wanting to sing anything past the first verse to my daughter, even though she loved the song. Until one day I made up a brand new rhyme with a baby ladybug, which she loved. That's how the idea for this book came about. You and your child will learn about the various bugs (and even one mollusk) the baby is bringing home to Mommy! This rhythmic book targeted at children aged 6 months to 3 years. A new twist on a classic rhyme that will appeal to children as different, yet familiar.
