The Alpha's Pack

Dragon Mystics

Arianna might have won the Summit and taken the crown of wolf shifters, but something is off with the mecca and if she doesn't fix it the fae might just make another earth side appearance. Now she must work with the king of the bears to save both of their people. He tempts her in every way and a relationship between them is forbidden.

Spurn

Are you an Ash? *Increased stamina *Lack of appetite *Anger outbursts *Insatiable thirst *Beauty & Strength *Male Call the hotline if these symptoms come on suddenly! Turns out Charlie Bennet was all of those things except the last. Don't let the name fool you, Charlie was all woman and she wanted nothing to do with the ash until the day she found out she was one. It all started when infected bats bit a small group of humans and created what are now called vampires. Then, the male vampires knocked up some female humans and the result was a gorgeous race of all male ash. Superhuman freaks that had looks to kill. Charlie is the first female ash, aka unicorn of the Hive - the gated compound in Portland that the humans have designated to isolate vampires and ash from society. Problem? The Hive is full and only a select few will be allowed to live there. To live at all, really. If Charlie wants to earn the right to become a citizen of the Hive, she will have to survive the culling - a series of fights to the death. And guess what? Just because she's a girl doesn't mean she'll get special treatment. Good thing there's Ryder, the mysterious lead ash enforcer, who seems to always have her back. But when secrets bubble to the surface, it will take more than one guy to save her. **Recommended reading age is 17+ due to language

House of Royale

A paranormal romance series. An epic journey. If the Sevine are released, will anyone survive? Book two in the Walker Saga follows Abigail and her friends as they tame the world of Spurn. 'Go to Spurn,' she was told. Oh, and by the way the planet is ninety-five percent water and the inhabitants are hybrid fish. Of course,

no one seems to care that Abigail can't swim. Surprisingly, jetting off to a water planet is not the weirdest thing to happen this week. But she's on a deadline to find the first half-Walker girl, as the very essences of the seven worlds are starting to unravel. And with each Seventine release the chaos ricochets further. Of course, with her Walker energy causing havoc and the savage Spurns well, it's safe to say nothing so far has gone to plan. And on top of that a bombshell she did not see coming. Secrets are revealed and loyalties challenged but with her best friend and soul mate by her side, can she really lose out? Crais - the burning planet - book three in the Walker Saga (due for release early 2014)

Don't Follow Your Heart

It all started with a dare. A single dare on Maisey Parker's twenty first birthday and her entire life changed. One second she was getting drunk with her friends, and the next she was climbing a cliff, cutting her hand, and accidentally offering a blood sacrifice that opened a thousand year old prison. A prison that contained the only living Titan. One too powerful to kill. One that wants nothing to do with being attached to Maisey. Cronus has an old score to settle with the Greek Pantheon. Lucky she has some sick days saved up at work, because Maisey is dragged along whether she likes it or not. A decision Cronus no doubt regretted right around the time she makes a colossal mistake, unleashing an untold evil on the world. Now they're in a race against the clock to resurrect the other Titans, the only beings who can contain the evil. They're the world's last hope. And Maisey's.

Annihilate

In this profound and moving philosophical statement, Camus poses the fundamental question: Is life worth living? If human existence holds no significance, what can keep us from suicide? As Camus argues, if there is no God to give meaning to our lives, humans must take on that purpose themselves. This is our 'absurd' task, like Sisyphus forever rolling his rock up a hill, as the inevitability of death constantly overshadows us. Written during the bleakest days of the Second World War, *The Myth of Sisyphus* argues for an acceptance of reality that encompasses revolt, passion and, above all, liberty. This volume contains several other essays, including lyrical evocations of the sunlit cities of Algiers and Oran, the settings of his great novels *The Outsider* and *The Plague*. Albert Camus is the author of a number of best-selling and highly influential works, all of which are published by Penguin. They include *The Fall*, *The Outsider* and *The First Man*. He is remembered as one of the few writers to have shaped the intellectual climate of post-war France, but beyond that, his fame has been international. Translated by Justin O'Brien With an Introduction by James Wood

Ava Gardner: The Secret Conversations

Willa Knight: The saviour of both worlds, or the destruction of everything? Sometimes history lies, and the tales of Minatsol and Topia are no different. Since the birth of Topia, Staviti has woven a web of deceit around the truth of Creation, striving only to maintain his power while destroying anything that gets in his way. Now, Willa and the Abcurses are determined to strip back the layers, to uncover

the truth, and to understand the true nature of the two worlds before it's too late. The only problem? Any wrong step in their quest to restore balance might have terrible repercussions. Every single being-living or dead-might have to pay the price. This is a full novel, 90,000 words. Book 5 of 5 in the Curse of the Gods Series.

What Really Happened in the Garden of Eden?

Brundar is fighting a losing battle. Calypso is slowly chipping away his icy armor from the outside, while his need for her is melting it from the inside. He can't allow it to happen. Calypso is a human with none of the Dormant indicators. There is no way he can keep her for more than a few weeks.

Dark Angel's Seduction

The Winter Queen has declared war on the shifters of New York City. She is coming to destroy Arianna, and everyone she cares about. But the five boroughs are united for the first time in hundreds of years and Arianna is not going to let a little ice storm rip them apart.

Signs of Cupidity

You'd think that basically being in charge of love would be an epic job, right? Wrong. Sure, I can blow some Lust into people's faces and watch the show, but I can't actually participate. It gets old, trust me. Same goes for love. I can pass it out like sugar-free lollipops at a dentist's office, but I can't get any love for myself. It totally sucks. I used to consider myself a hopeless romantic, so why wouldn't I choose to become a cupid? Sounds like a good idea, right? Wrong again. They don't call us stupid cupids for nothing. I'm stuck in this never-ending afterlife where I'm invisible, lonely, and bitter as hell. And yeah, I'm probably responsible for some terrible matchmaking out there. Sorry, not sorry. All my bad cupid'ing might be why I was exiled from the human realm. You can only do so much before the cupid bosses get all huffy. Unfortunately, my bitterness carried over into the new realm, and then I attacked a fae prince with Love Arrows. Accidentally. Okay, not accidentally. But hey, he deserved it. What I didn't expect was for him to retaliate and hit my ass with some crazy magic mojo strong enough to push me into the physical realm. Whoa. That's right. This cupid just got a real body. And you know what that means Now, it's my turn to get some. Love, I mean. Get your head out of the gutter. Wink, wink bitches. Author's Note: This is a medium-burn reverse harem story. It includes explicit language and sexual situations. Intended for audiences 18 years and older. As this is a series, there will be a cliffhanger.

Releasing The Gods

There are two things Charlie Bennett despises: bullies and vampires. Which in her experience, is really the same thing. After the battle with the Quorum, she's left with no other option. The vampire's rule must end. But when more shocking secrets are uncovered Charlie wonders if she'll be alive long enough to follow through with her plan.

First Grave on the Right

Willa Knight: Dweller? Sol? Accidental evolutionary hiccup? Willa has never been a particularly useful dweller: she isn't very good at chores, she isn't very good at worshipping, she isn't very good at not having opinions, and she isn't very good with rules-but none of that matters anymore. The rules are changing. The dwellers are trying to make their own way in the world, and Willa can't seem to help getting tangled up in their plans. Luckily, she has the Abcurse brothers to help her out-until she doesn't, and suddenly she's alone again in a world on the brink of chaos. With the Abcurses gone, she'll have to rely on her wits, and her sister Emmy, to stay under the radar and survive. Because someone wants her dead. But, really, what else is new? This is a full novel, 90,000 words. Book 3 of 5 in the Curse of the Gods Series

Queen Heir

Maya has never had much to complain about. Sure, her parents are absent a lot, having important jobs in the government, but at the end of the day she has all the material possessions a girl could want. Not to mention a great best friend, and secure spot in the popular group at her school. Yet she can never shake the feeling of displacement. Constantly searching for something that's missing from her life. Turns out Maya is part of something much bigger than her human existence, and after a mysterious stranger saves her from an ambush at a party, he brings her into his world. And turns her world completely upside down.

The Myth of Sisyphus

Avalon has always felt different and alone. The ocean, along with the friends she's made under the water, is the only constant in her life. She comforts herself with the notion that alone is at least safe. There's no one to hide her extraordinary abilities from, to hide her dreams of living beneath the crashing waves forever. Then Xander comes for her, reluctantly, judging by his snarly attitude. But, attitude aside, he draws her into a fantasy world, one filled with family and friendship and the home she's always craved. He gives her the smallest glimpse of perfection, only to then inform her that it's not a world she can have. Political issues in Royale will make her time there temporary. Her time in Royale and with Xander. She will stay until the very end, though. If there's one thing that she's determined to prevent, it's Laous getting his hands on the starslight stone. A stone which is keeping two worlds alive and functioning. A happily ever after might not be in the cards for her, but she's determined to make it happen for her friends. Even if it's the last thing she does.

Charcoal Tears

The time is now. It seems all I've ever wanted was vengeance. I did everything right: I protected my friends, I pushed myself to the limits, and I saved lives. Once upon a time, I was an internationally renowned thief known as The Fox. Nobody knew me. Nobody could catch me. Nobody but them, my men, my partners in crime. But their love for me, it's cost them dearly. Our enemies keep coming for

blood. They cut me. They hurt my friends. They push and push to see what will happen. I'm Kit Davenport, and I'm going to show them what happens. This is the end. Theirs.

Seduction of a Highland Lass

Arianna is a queen heir, at 20 years old she's now eligible for the crown of wolf shifters. Heirs are trained and groomed so that they're ready, should the queen perish. The Red Queen has stood for a century and her power beyond reckoning, until she is murdered. Four heirs will now fight for the crown. Let the summit begin.

Dragon Mated

When the formidable power of Jessa Lebron's mark was unleashed, during her impulsive foray into Vanguard, the American supernatural prison, she learned the truth. She's a dual shifter: wolf, and as an added bonus, dragon - of the fluffy persuasion. Yep, she's one special cupcake. Now, pursued by the Four, powerful hunters of the dragon marked, she has no choice but to run. At least she has her impossibly gorgeous and infuriating best friends by her side, the Compass quads. Not only are they powerful and hella useful in a fight, but most of the time they're also semi-entertaining too. With only one month left until the supposed resurrection of the dragon king, this pack will find out soon enough what happens in the world of the dragon mystics.

Seduction

It's time for the dragon marked to rise Jessa Lebron doesn't have a lot to complain about. Her father is the alpha of their wolf pack, she lives in Stratford, a protected supernatural prison town, and her best friends, the Compass quads, are the strongest dudes of the four races: shifter, vampire, fey, and magic user. Yep, life is pretty much exactly how she wants it. Until the fateful day, just after her twenty-second birthday, when the mother who abandoned her, returns to the pack bearing secrets that change everything. The biggest secret of all: Jessa is dragon marked, a designation that places her in grave danger. For a thousand years, every supernatural child born with the mark was eliminated to prevent the rise of the dragon king, a fearsome ancient warmonger. In a bid to learn more about her fate and how to avoid the hunters, Jessa finds herself locked in Vanguard, the notorious supernatural prison. Thankfully she's not alone. Braxton Compass, the most feared of the dragon shifters, is right there with her. Together they'll have to survive long enough to free themselves and the other dragon marked. Before the king rises.

Lysistrata

Year Two at the Academy! The year of purple. Maddison James learned a lot about life last year. Only important stuff, of course. Like how to breathe under water, how to turn an arrow into a weapon, and how to fall in love. Asher Locke. The one who stole her heart. The one who showed her the truth of her past and hopefully her

future. Now it's just time for them to live happily ever after. Only the gods have different plans. And with Atlantis rising, Maddi isn't sure she'll survive long enough to even finish her second year, let alone have any sort of future. Even worse, the sadistic Atlantean gods want to break her before they kill her. But Maddi has been underestimated before, and she has hidden strengths they'll never see coming. Year of purple bring it on. This is book two in the Supernatural Academy series. Full length at 105k words.

Hereditary

The flames of desire fuel a torrid reunion as bestselling author Bronwen Evans returns with another captivating novel of the Disgraced Lords. See why Jen McLaughlin raves, “Bronwen’s historical romances always make the top of my reading list!” Lady Evangeline Stuart chose to wed a tyrant with a title, or so society believes. That was five years ago—five long years that she could have spent with her first and only love: Lord Hadley Fullerton, the second son of the Duke of Claymore. Now Evangeline is a widow, and her soul cries out for Hadley. But when they see each other at last, everything has changed. The passion in his eyes has been corrupted by betrayal. Somehow Evangeline must regain Hadley’s trust—without revealing the secret that would spoil the seduction. Hadley is determined not to be distracted by Evangeline. He and the other Libertine Scholars are in pursuit of an enemy who has been striking at them from the shadows, and Evangeline’s mere presence could be dangerous. But with one smile, one touch, one taste of Evangeline’s lips, Hadley’s resolve is overpowered by far more pleasant memories. As the two enter into a discreet affair, Hadley vows to give her his body, never his heart. That, she will have to earn. Don’t miss any of Bronwen Evans’s enchanting Disgraced Lords novels: A KISS OF LIES | A PROMISE OF MORE | A TOUCH OF PASSION | A WHISPER OF DESIRE | A TASTE OF SEDUCTION | A NIGHT OF FOREVER | ADDICTED TO THE DUKE | A LOVE TO REMEMBER Praise for A Taste of Seduction “Balanced by the constant undercurrent of attraction and mystery . . . The Parish Behind God's Back

First Grave on the Right is the smashing, award-winning debut novel that introduces Charley Davidson: part-time private investigator and full-time Grim Reaper. Charley sees dead people. That's right, she sees dead people. And it's her job to convince them to "go into the light." But when these very dead people have died under less than ideal circumstances (i.e., murder), sometimes they want Charley to bring the bad guys to justice. Complicating matters are the intensely hot dreams she's been having about an Entity who has been following her all her life and it turns out he might not be dead after all. In fact, he might be something else entirely. This is a thrilling debut novel from Darynda Jones, an exciting newcomer to the world of paranormal romantic suspense. First Grave on the Right is the winner of the 2012 Rita Award for Best First Book.

Dragon Marked

"You see, there is safety in simplicity in a life of simple peace, where the electricity doesn't dance across the backs of my eyelids, and the sparks don't slither over my consciousness. Only asinine peace, where my paintings don't seem to paint themselves, leaving me with terrible feelings of premonition and a chill beneath my fingernails." Seraph Black used to think that she was prepared for anything. She could last days without eating and she always walked away from the violent altercations with her father relatively unharmed. She survived working at the club and the drive to school every day in her mother's rust-bucket of a car but it all changed when Noah and Cabe came bulldozing into her life, careless of the precious secrets they picked apart in their quest to take over her world. She was even less prepared for the mysterious Miro and Silas, and nothing could have prepared her for the bond. The connection. The reason for it all. Someone wanted her to stay away from her new friends, but she wasn't willing to do that. Everyone had secrets. She wanted to know theirs. They wanted to own hers. And the stalker? He seemed to know everything already. This is a full, 100,000 word novel. Book 1 of the Seraph Black series.

Merciless

#NeverTrustATitan Maisey thought the worst thing to happen to her was Insta shaming or a midnight shift at the Crab Shack. Until she got dragged into the world of the gods. Or more specifically, the world of one very annoying, bad at sarcasm, sex on legs, Titan. Cronus was everything she never knew she wanted, or needed, in her life. And then he just left. Left her alone, with no idea what's happening to the world, what's happening with the sins. Only someone miscalculated. Whether it was Cronus or the fates, there's no way they can do this without Maisey. Turns out, she's the most important piece

Strength

House of Leights

Willa Knight: Dweller? Bad-ass? Notorious pet to five magical beings? In Blesswood, there are rules, and someone is trying to teach her how to follow them. The only

problem is Willa. Which shouldn't be anything new, since she has been a problem since birth-something her pseudo-sister Emmy would agree on. So it definitely shouldn't be new but it is. Because things are starting to happen that have never happened before. Things are starting to get chaotic. This is a full novel, 90,000 words. Book 2 of 5 in the Curse of the Gods Series

Pain

Three trials stand between Lera and exile. Unless the training kills her first. Quint magic has never chosen a human before, and the Elders Council is convinced Lera is a mistake. When the quint refuses to be cleaved apart, the enraged elders give them a choice: exile from Lunos or demotion to the lowest of trainees. Subject again to the humiliations and deadly trials they endured centuries ago, the males now face a new challenge--training Lera to survive. River, Shade, Coal, and Tye will do whatever it takes to keep Lera safe. But Lera will do whatever she must to keep them together--even if it means putting herself in mortal danger. MISTAKE OF MAGIC is a full-length reverse-harem fantasy novel, sequel to the Amazon bestseller, POWER OF FIVE.

Wrath of The Gods

Nowhere is safe when the gods are wicked. Since the beginning of times, there have always been two sides: Norms and Idols. But never have the scales been so unbalanced as they are today. I'm a Norm, which means, I grew up in fear of the Idols and their godly powers. And now, I'm going to be surrounded by them, day and night. I've been offered a place at the prestigious Gifted Academy, an opportunity very few Norms get. To survive, I must become invisible. But my hope to get through the academy unscathed goes down the drain when the most powerful boys in school set their eyes on me. They hate me simply because I'm a Norm. If they knew who I truly am, they'd tear me apart limb by limb. But I'm done cowering away from Idols. It's time for the Norms to fight back, and it all starts with me.

Queen Alpha

In the stunning conclusion to the Supernatural Prison trilogy, Jessa Lebron finds herself deep in the world of Larkspur, the dragon king. She will have to play it smart and fight with everything to stay one step ahead of him and while at times it's tough to keep her focus, she will do anything to escape and reunite with her boys, the Compass quads. Of course, it's impossible to be where she is and not dig deeper into the curse of the dragon mark. As more information is uncovered, she starts to understand why she, of all supernaturals, was the one to be singled out. And this changes everything she thought she knew. Turns out she doesn't know a damn thing. There will be decisions to make. Tough decisions. Jessa has to be strong enough for the sake of the supernatural races, but sometimes that's easier said than done.

Supernatural Academy

A candid self-portrait of the late film legend's golden-era Hollywood life traces her impoverished childhood in North Carolina through the heights of her career, sharing unflinching coverage of her relationships with such figures as Mickey Rooney, Frank Sinatra and George C. Scott. 150,000 first printing.

The Darkest Seduction

Willa Knight: Dweller. Slave. Non-magical being. In Minatsol, being a dweller means that you are literally no better than dirt. In fact, dirt might actually be more useful than Willa. Her life will be one of servitude to the sols, the magic-blessed beings who could one day be chosen to become gods. At least her outer village is far removed from the cities of the sols, and she won't ever be forced to present herself to them Until one small mistake changes everything, and Willa is awarded a position to serve at Blesswood, the top sol academy in the world-a position that she definitely did not earn. Under the sudden, watchful eye of the gods, she will be tasked to serve the Abcurse brothers, five sols built of arrogance, perfection and power. They are almost gods themselves, and under their service she is either going to end up sentenced to death, or else they are going to ruin her so badly that she will wish for it. Either way, she is in trouble. This is a full novel, 90,000 words. Book 1 of 5 in the Curse of the Gods Series

Queen Mecca

Love and tragedy dominate book four of Virgil's most powerful work, building on the violent emotions invoked by the storms, battles, warring gods, and monster-plagued wanderings of the epic's opening. Destined to be the founder of Roman culture, Aeneas, nudged by the gods, decides to leave his beloved Dido, causing her suicide in pursuit of his historical destiny. A dark plot, in which erotic passion culminates in sex, and sex leads to tragedy and death in the human realm, unfolds within the larger horizon of a supernatural sphere, dominated by power-conscious divinities. Dido is Aeneas' most significant other, and in their encounter Virgil explores timeless themes of love and loyalty, fate and fortune, the justice of the gods, imperial ambition and its victims, and ethnic differences. This course book offers a portion of the original Latin text, study questions, a commentary, and interpretative essays. Designed to stretch and stimulate readers, Ingo Gildenhard's incisive commentary will be of particular interest to students of Latin at both A2 and undergraduate level. It extends beyond detailed linguistic analysis to encourage critical engagement with Virgil's poetry and discussion of the most recent scholarly thought.

Wicked Gods

Trickery

"Comprehensive ethnographic portrait of contemporary rural Barbados focuses on patterns of work, gender relations and life cycle, community, and religion in St. Lucy Parish. Recurring theme throughout work is impact of widening social relations - through globalization, tourism, transnationalism, technology, mass

media - on village life and values"--Handbook of Latin American Studies, v. 57.

Virgil, Aeneid, 4.1-299

The gods walk among us. And they just might steal your soul or your heart. I thought I'd survived everything life could throw at me. All I wanted was to keep my distance from the criminals I work for and get my little brother out of the hell that is our mother's house. Then I died and woke up to four stunningly hot gods telling me I'm now a valkyrie. Sly, sharp Loki. Jovial but ferocious Thor. Dreamily compassionate Baldur. Grim and secretive Hod. They all have something to teach me. And around them, my walls start to crack. But the gods didn't summon me just for kicks. Their king is missing, and they need me to find him. The first three valkyries they sent on the job never made it back. More power is awakening in me than I could ever have imagined--and the gods' enemies are more devious than even they knew. It's going to take every trick in the book for me to save myself, my brother, and these divine men who're getting under my skin in the most alluring way. I'm Aria Watson, and Valhalla ain't seen nothing yet.

A Taste of Seduction

Immortal warrior Paris, who is possessed by the demon of Promiscuity, finds love with Sienna Blackstone, who is newly possessed by the demon of Wrath, but an ancient blood feud threatens to tear them apart.

The Odyssey of Homer

Willa Knight: Dead? Alive? Damned to a state of eternal bad luck? Willa and the Abcurse brothers are back, and more determined than ever to stick by each other. Unfortunately, Staviti has other plans, plans that threaten to change the natural order of the worlds--though nobody really understands why. His agenda may very well affect all beings on Minatsol, even those that thought themselves safe in Topia. Even Willa--invincible--Knight. Unsure with her new place in the worlds, Willa must follow the Abcurses to their new post: Champions Peak, a secluded mountain far from civilization, where the most powerful sols have been summoned to hone their abilities through direct contact with the gods. There is a chance that she might survive her time on the mountain, but it seems like staying alive amidst the powerful occupants of the Peak is the least of her concerns. Her real problem is staying on the mountain at all. This is a full novel, 90,000 words. Book 4 of 5 in the Curse of the Gods Series

Mistake of Magic

"What is the most powerful force in the world?" Beatrice Harrow was raised in seclusion, separated from the Read Kingdom and protected from the mysterious mechanisms of the other four races, but they are not as blind to her as she is to them. Even before she steps foot inside the Academy, they know her name and they know the truth about her birth. She is one of the Tainted: a mixed-breed creature with the blood of a monster, clinging to legitimacy by the genes of her human father. She is more beautiful, more powerful, and more despised than any

other being in the Read Kingdom. Her life was never going to be easy, but when fate throws her together with Cale, the troublemaking son of her father's sworn enemy, and Hazen, the intimidating crown prince of the Read Kingdom, she quickly discovers that her problems haven't even begun. In a world built on status, there are lines that can never be crossed. In a time of peace, it is inevitable that war will whisper on the wind once again. In a land of mixed blood, a Tainted Creature can either be killed or they can be recruited. This is a full, 90,000 word novel. Book #1 in the completed Beatrice Harrow Duology

Persuasion

From USA Today bestselling author Willow Winters comes a heart-wrenching, edge-of-your-seat gripping, romantic suspense. I should've known she would ruin me the moment I saw her. Women like her are made to destroy men like me. I couldn't resist her though. Given to me to start a war; I was too eager to accept. But I didn't know what she'd do to me. That she would change everything. She sees through me in a way no one else ever has. Her innocence and vulnerability make me weak for her and I hate it. I know better than to give in to temptation. A ruthless man doesn't let a soul close to him. A cold-hearted man doesn't risk anything for anyone. A powerful man with a beautiful woman at his mercy he doesn't fall for her.

Ash

When he is attacked while on his way to claim the hand of a neighboring chieftain's daughter, Alaric McCabe is rescued by Keeley McDonald, an outcast from her own clan, and when they fall in love, he faces a difficult choice.
