The Occult I Ching

For the Young, Fabulous and Fanged. . . All is never what it seems. Schuyler Van Alen's blood legacy has just been called into question: is the young vampire in fact a Blue Blood, or is it the sinister Silver Blood that runs through her veins? As controversy swirls, Schuyler is left stranded in the Force household, trapped under the same roof as her cunning nemesis, Mimi Force, and her forbidden crush, Jack Force. But when an ancient place of power is threatened in Rio de Janeiro, the Blue Bloods need Schuyler on their side. The stakes are high, the battle is bloody; and through it all Schuyler is torn between duty and passion, love and freedom. Romance, glamour and vampire lore collide in the highly anticipated third book in best-

The Serpent's Kiss

Investigating a suspicious snake bite death, San Diego police officer Seamus Moynihan teams up with a biblical scholar to investigate a television herpetologist and a fundamentalist sect of snake handlers.

Blood and Kisses

A fashionista is a girl who always looks current and cutting edge, even when her clothes are vintage 1975. A fashionista can tell her Pucci from her Gucci and her Blahniks from her Choos, but she's as comfortable in Kmart as she is in Chanel. She wears what she likes and always looks fantastic. She's a clothing chameleon: a sharp tweed suit and ladylike driving gloves one moment, a punk rock T-shirt and studded belt the next. She's a gypsy, a princess, and a diva. She's fashion-forward, shopping-addicted, and full of fun. And you can be her, no matter your size, style, or budget. Authors Melissa de la Cruz and Karen Robinovitz are fashionistas who share a love for impractical shoes, small dogs that fit in designer handbags, and wearing white after Labor Day. They eat, sleep, and breathe fashion. And they'll teach you how to

- Make a whole new wardrobe out of the awful duds that lurk in the back of your closet
- Use the words "postmodern" and "ironic" to fake your way through pseudo-intellectual cocktail conversation (really—it's easy, and so postmodern and ironic!)
- Score big with chic and cheap finds at thrift stores, consignment shops, and discount designer outlets
- Live like a socialite on a shoestring budget

In two weeks or less, you'll be living the lush life, from the brim of your Eugenia Kim fedora to the tip of your pointy Christian Louboutin pumps! From the Trade Paperback edition.

Angels on Sunset Boulevard

With the stunning revelation surrounding Bliss's true identity comes the growing threat of the sinister Silver Bloods. Once left to live the glamorous life in New York City, the Blue Bloods now find themselves in an epic battle for survival. Not to worry, love is still in the air for the young vampires of the Upper East Side. Or is it? Jack and Schuyler are over. Oliver's brokenhearted. And only the cunning Mimi seems to be happily engaged. Young, fanged and fabulous, Melissa de la Cruz's vampires unite in this highly anticipated fourth instalment of the Blue Bloods series.

The Witch's Kiss

The stakes have never been higher for the young Blue Bloods of Manhattan. After their brief yet beautiful bonding ceremony in Italy, Schuyler Van Alen and Jack Force depart for Egypt, desperate to find the elusive Gate of Promise before Jack must face his twin, Mimi, for a blood trial. A blood trial that only one of them can survive. But everything Schuyler thought she knew about the gate turns out to be a lie, and they soon find themselves ensnared in a deadly battle against the demon-born.

An illustrated guide to the occult history, serpent magic, and practical application of the I Ching • Reveals how the sacred language of the original eight trigrams of the I Ching was discovered by a wisdom serpent known as Fu Xi • Explores how the I Ching formed the basis of the earliest Taoist philosophies, its complex correlation with human DNA, and its relationship with artificial intelligence • Provides new contemporary analysis of each of the 64 hexagrams, their changing lines, and archetypes of the I Ching • Includes original artwork highlighting the serpent magic within the system and tools to help you interpret the I Ching based on your own individual experience One of the oldest books in the world, the I Ching has been used in China for millennia to open a dialogue with divinity, gain insight and wisdom, and pull aside the curtain of reality to reveal the light of the heavens. Yet, despite its popularity over thousands of years, few understand its mysterious origins, symbolism, or occult connections. In this illustrated guide, Maja D'Aoust applies her significant experience as a professional practitioner and scholar of the I Ching to provide a history of the oracle, explain the mechanisms at work behind it, and offer a new experiential approach to its interpretation. The author begins by examining the discovery of the I Ching by the first mythical emperor of China, Fu Xi, a divine being with the body of a serpent. She reveals how Fu Xi's eight original trigrams, also called the Ba Gua, provided a sacred language of symbols that allowed for communication between the diviner and the spirit world. Using the I Ching's principles of cosmology as a basis, the shamans of ancient China developed the earliest Taoist philosophies of nature, medicine, martial arts, and mathematics as well as ecstatic practices,

war strategies, birth and death rituals, agricultural systems, and alchemical studies. D'Aoust further shows how the I Ching relates to the mathematical sequences of biology and human DNA, examining the correlation between the serpent's tail and the double helix. She reveals how the ways the oracle connects with your own inner knowing parallel the ways in which DNA repairs itself. Providing a new analysis of each of the 64 hexagrams and their changing lines and archetypes, the author explores each hexagram's meanings in depth, alongside original artwork highlighting the serpent magic within the system and tools to help you interpret the I Ching based on your own individual experience. Revealing how the oracle holds complex networks of meaning that language alone fails to capture, D'Aoust offers a new understanding of the Book of Changes and its many hidden lessons.

His friend Taj tries to discover the truth about his disappearance, which leads her to TAP.com and its shadowy founder, Sutton Werner, who throws the wildest parties in Bel-Air. TAP started out innocently enough, as a website that dishes the dirt on the kids of Sunset Boulevard and beyond. But it has become something more. Membership is a privilege with responsibilities and consequences. At Sutton's parties, anything goes, especially in the legendary backroom rituals nicknamed The Angels Practice. Rumors abound of a special drink handed out at the parties that tap into otherworldly sensations. One night Taj meets Nick, a Westside preppie who doesn't buy into the TAP mayhem, especially since his kid sister never came home from attending one of its blow-out bashes. Slowly the two of them are drawn to TAP and to each other. But Taj just might know more than she's letting on. Are you ready for the darker side of Tinsel-town's brightest lights?

Blue Bloods

They're Young, Fabulous and Fanged. . . And they rule Manhattan from the trendy uptown clubs to the downtown boutiques. Fifteen-year-old Schuyler Van Alen has never quite fit in at her exclusive prep school - she's more of a vintage than a Versace girl - but all that's about to change. . . Because Schuyler has just found out she's a Blue Blood. The Blue Bloods are the city's glamorous - and secret - vampire elite. They're young, beautiful and powerful. But now they're being murdered. And Schuyler must find out who - or what - is behind it before she's next.

battle, and the impulsive indulgence of his appetites. The last has made him an outcast from his fellow Pyr, and even his hunt for their dangerous opponent, the Slayer Chen, hasn't helped. Seduced by Chen's ally Viv Jason, Thorolf finds himself drawn into a trap, as bait to lure his fellow Pyr to extinction. The only one to come to his aid is a woman he already knows to be a thief—does he dare to trust her with not just his own life but the survival of his kind? Chandra has planned for centuries for a battle against evil that she knows will determine the world's future. She's never wasted time on the pleasures of the physical realm, much less experienced passion—until the firestorm sparks between herself and Thorolf, demanding more from her than she ever expected to give. Will the firestorm provide new power, or be a dangerous distraction that gives Chen the chance to triumph over the Pyr forever? *** The Dragonfire Series of Paranormal Romances Each Dragonfire Novel is a complete romance, but you would probably prefer to read them in order to follow the story of the Dragon's Tail Wars, the final battle for supremacy between the Pyr and the evil Slayers. Serpent's Kiss

Five men stand between me and the deranged cult that wants me dead, but that's not all that's going on. When the Keeper asks me to come to London with him, I figure all he wants is to show me off to some of his academic friends. As the last of my kind, I guess I am something of a show and tell project, even if no one would ever say that to my face. As soon as I arrive in London, however, and figure out the truth about what's going on, everything changes. Suddenly I'm no longer visiting a city I've always wanted to see as a tourist, I'm knee deep in an investigation that blows open a whole new can of worms. As if having a cult hell-bent on killing all of the female supernaturals they could get their hands on hunting me down wasn't bad enough. It seems like there's nowhere I can go to escape the people who want me dead, but as things start coming to light, I realize there are more forces at work than any of us had thought, and these forces have an agenda that goes way beyond just killing people. Time is running out, and right now they have the upper hand, because we don't know who they are, what they really want, or where they're hiding, but I have to figure this all out, and fast, because people's lives are on the line, and not just my own.

The Serpent's Shadow

The sultry sequel to Triple Moon from #1 New York Times bestselling author Melissa de la Cruz Twin witches Mardi and Molly Overbrook are back for another summer in North Hampton, and this year they're serious about two things: avoiding trouble and dedicating themselves to rest and relaxation. Molly's headed to Aunt Ingrid's, while Mardi has convinced their father, Troy--a.k.a. Thor, the god of thunder--to let her crash with her boyfriend, who also happens to be the god of war. Their vacation's just begun when an old secret is revealed, leaving Molly and Mardi to question everything they've ever known about their family. After an ancient prophecy comes to light, Molly and Mardi notice some mysterious changes, changes that will put their sisterhood to the ultimate test. East End's shaping up to be much more exciting than the girls were bargaining for, but what's a summer in the Hamptons without a little magic and mischief? Lost in Time

Beth Davenport has no interest in getting involved with another man for the foreseeable future. To say her last relationship ended in disaster would be a colossal understatement. The only reason she agrees to put in an appearance at *Serpent's Kiss*, a private kink club in downtown St. Louis, is because her best friend, Nicole, won't quit nagging her. When she walks in the door that night, the last thing she expects to do is meet a man who will have her reconsidering her ban on men. As a captain with the St. Louis Fire Department, Drew Parker is used to being in charge. His crew relies on him to make sure they know what they're doing and return home to their families after every shift. It isn't, however, what he wants in a relationship. Drew decides to join *Serpent's Kiss* to see if what appeals to him in fantasy is something he wants to explore in the real world. He's also hoping that he'll be lucky enough to meet a woman with whom he can explore his desires. The night Beth walks into the club, he is intrigued. Drew has to get to know her better. After what happened to her, Beth is reluctant to get involved with Drew. It doesn't matter that he is sweet and charming. She's been burned before and Beth doesn't think she can survive having her heart crushed again. Drew, however, won't take no for an answer. Thalia Kent has managed to cope so far with wit and nerve and every ounce of magical ability she possesses, but now her cousin, who wasn't a witch, is dead -- murdered by a rogue vampire -- and if she's going to hunt him down and survive, she's going to need all the help she can get. She needs Gideon Damek, immortal vampire, but vampires shun witches for good reason, witch blood is poisonous. Gideon Damek has fought his predatory nature for thousands of years and the last thing he wants is to team up with anyone, least of all a beautiful young witch. Still, something about Thalia compels him to agree. Soon, Thalia must deal with a reluctant partner, a rebellious witch community, interfering police, a healthy dose of self-doubt, a raging passion for the forbidden Mr. Damek and an enemy who's following an ancient prophecy that requires both their deaths, all without losing her neck, or her heart.

From the New York Times bestselling author of Blue Bloods and Witches of East End After they cause a terrible accident at their old high school, twin witches Mardi and Molly Overbrook are sent to live with their “Aunt” Ingrid Beauchamp in North Hampton, on Long Island’s mist-shrouded East End. Because the twins cannot control their powers, their father begs Ingrid to tame them over the summer, before the White Council exiles the girls to Limbo. Trouble continues to bubble and boil when the girls meet the younger Gardiner boys, who are just as handsome and sexy as their older kin. But all is not as it seems. As Ingrid helps the girls learn to control their magical impulses, Mardi and Molly have just this summer to figure out how to grow up, how to love, and how to be a family.

The Van Alen Legacy

Witchcraft and magic are topics of enduring interest for many reasons. The main one lies in their extraordinary interdisciplinarity: anthropologists, folklorists, historians, and more have contributed to build a body of work of extreme variety and consistence. Of course, this also means that the subjects themselves are not easy to assess. In a very general way, we can define witchcraft as a supernatural means to cause harm, death, or misfortune, while magic also belongs to the field of supernatural, or at least esoteric knowledge, but can be used to less dangerous effects (e.g., divination and astrology). In Western civilization, however, the witch hunt has set a very peculiar perspective in which diabolical witchcraft, the invention of the Sabbat, the persecution of many thousands of (mostly) female and (sometimes) male presumed witches gave way to a phenomenon that is fundamentally different from traditional witchcraft. This Special Issue of Religions dedicated to Witchcraft, Demonology, and Magic features nine articles that deal with four different regions of Europe (England, Germany, Hungary, and Italy) between Late Medieval and Modern times in different contexts and

Access PDF Serpents Kiss A Witches Of East End Novel Witches Of East End 2

social milieus. Far from pretending to offer a complete picture, they focus on some topics that are central to the research in those fields and fit well in the current “cumulative concept of Western witchcraft” that rules out all mono-causality theories, investigating a plurality of causes.

usual Tuesday night. That, however, was only the start of the weird path I was about to set off on; a path that would take me to a place where reality collides with magic, where I find out everything I knew about the world I lived in was a lie, and where I'm the only woman present. There are five of them - five of the most interesting, sexy, and probably dangerous men I have ever met. They live in a mansion in the middle of rural Germany, a mansion protected by magic. And they tell me not only do they have supernatural abilities, but that I have them too, and they're here to help pull them out of me. Sounds like a dream, until that catch comes up. Supernaturals are being hunted down for the energy they possess, myself especially, and if they don't act fast to bring me into the fold, a fate worse than death awaits all of us. But triggering my supernatural side to come out won't be easy, not before I'm ready, and when the hunters step up their game and the window starts to close, it'll take everything I have in me just to stay alive; no matter how many men would put their lives on the line to protect me. *Serpent's Touch* is the first book in a brand new paranormal REVERSE HAREM series by Tansey Morgan. Serpent's Kiss

Burning for Her Kiss

The Blue Bloods have powers beyond human comprehension: strength that defies logic, speed that cannot be captured on film, the ability to shapeshift, and more. But in matters of the heart, no one, not even these immortal vampires, has total control. In *Bloody Valentine*, a companion novella to the best-selling Blue Bloods series, author Melissa de la Cruz delves deep into the love lives of the all-powerful vamps from New York's Upper East Side – Schuyler and Jack's passion for each other, Mimi and Kingsley's tangled romantic history, and even a possible cure for Oliver's heartbreak in the form of a witchy new girl. /DIVDIV In both prose and verse, *Bloody Valentine* reveals the undying love, the hope and devastation, and the lust and longing that have defined the Blue Bloods throughout history. Prepare to be swept off your feet.
