Shit My Dad Says

"Your life isn't over." My dad says this. "I mean, YOUR life isn't over. Beyond the kids. You'll go on living, doing things. This isn't it." I know, I assure him. I have the kids. They need me. They're my life now. "OK," he replies, then grunts—more of a brief hum. He only hums when he thinks I'm full of shit. Shockingly single. Amy Biancolli's life went off script more dramatically than most after her husband of twenty years jumped off the roof of a parking garage. Left with three children, a three-story house, and a pile of knotty psychological complications, Amy realizes the flooding dishwasher, dead car battery, rapidly growing lawn, basement sump pump, and broken doorknob aren't going to fix themselves. She also realizes that "figuring shit out" means accepting the horrors that came her way, rolling with them, slogging through them, helping others through theirs, and working her way through life with love and laughter. Amy Biancolli is an author and journalist whose column appears in the Albany Times Union. Before that, Amy served as film critic for the Houston Chronicle where her reviews, published around the country, won her the 2007 Comment and Criticism Award from the Texas Associated Press

Managing Editors Association. Biancolli is the author of *House of Holy Fools: A Family Portrait in Six Cracked Parts*, which earned her Albany Author of the Year. Amy lives in Albany, New York, with her three children.

More Shit My Dad Says

“Humorous and forthright[Gaby] Dunn makes facing money issues seem not only palatable but possibly even fun.Dunn’s book delivers.” —Publishers Weekly The beloved writer-comedian expands on her popular podcast with an engaging and empowering financial literacy book for Millennials and Gen Z. In the first episode of her “Bad With Money” podcast, Gaby Dunn asked patrons at a coffee shop two questions: First, what’s your favorite sex position? Everyone was game to answer, even the barista. Then, she asked how much money was in their bank accounts. People were aghast. “That’s a very personal question,” they insisted. And therein lies the problem. Dunn argues that our inability to speak honestly about money is our #1 barrier to understanding it, leading us to feel alone, ashamed and anxious, which in turns makes us feel even more overwhelmed by it. In *Bad With Money*, she reveals the legitimate, systemic reasons behind our feeling of helplessness when it comes to personal finance, demystifying the many signposts on the road to getting our financial sh*t together, like how to choose an insurance plan or buy a car, sign up for a credit card or take out student loans. She speaks directly to her audience, offering advice on how to make that #freelancelife work for you, navigate money while you date, and budget without becoming a Nobel-winning economist overnight. Even a topic as notoriously dry as money becomes hilarious and engaging in the hands of Dunn, who weaves her own stories with the perspectives of various comedians, artists, students, and more, arguing that—even without selling our bodies to science or suffering the indignity of snobby thrift shop buyers—we can all start taking control of our financial futures.

Pittsburgh Dad

From Kirsty Eagar, *Summer Skin* is a young adult novel about a modern-day riot grrl and an alpha male jock who explore love, trust, and double standards against the backdrop of today's hookup culture. Jess Gordon is out for revenge. Last year the jocks from Knights College tried to shame her best friend. This year she and a hand-picked college girl gang are going to get even. The lesson: Don't mess with

Unity College girls. The target: Blondie, a typical Knights stud, arrogant, cold . . . and smart enough to keep up with Jess. A neo-riot grrl with a penchant for fanning the flames meets a rugby-playing sexist pig—sworn enemies or two people who happen to find each other when they're at their most vulnerable? It's all Girl meets Boy, Girl steals from Boy, seduces Boy, ties Boy to a chair, and burns Boy's stuff. Just your typical love story. Kirsty Eagar expertly handles a searingly honest and aching funny story about love and sex amid the college hookup culture.

How to Stop Losing Your Sh*t with Your Kids

Sons and Lovers is a 1913 novel by the English writer D. H. Lawrence, originally published by B.W. Huebsch Publishers. While the novel initially received a lukewarm critical reception, along with allegations of obscenity, it is today regarded as a masterpiece by many critics and is often regarded as Lawrence's finest achievement.

Sh*t Girls Say

A Far Piece to Canaan is a warm and nostalgic novel from an unexpected source: Sam Halpern, whose salty paternal wisdom made Justin Halpern's Sh*t My Dad Says a phenomenal bestseller. Inspired by Sam Halpern's childhood in rural Kentucky, A Far Piece to Canaan tells the story of Samuel Zelinsky, a celebrated but troubled former professor who reluctantly returns after his wife's death to the Kentucky hills where he lived as a child to reconnect with long-buried memories and make good on a forgotten promise. A tale of superstition, secrets, and heroism in the postwar South, A Far Piece to Canaan: A Novel of Friendship and Redemption is the surprising and moving debut of a gifted storyteller.

Dear Girls

"In Dad is Fat, stand-up comedian Jim Gaffigan, who's best known for his legendary riffs on Hot Pockets, bacon, manatees, and McDonald's, expresses all the joys and horrors of life with five young children--everything from cousins ("celebrities for little kids") to toddlers' communication skills ("they always sound like they have traveled by horseback for hours to deliver important news"), to the eating habits of four year olds ("there is no difference between a four year old eating a taco and throwing a taco on the floor"). Reminiscent of Bill Cosby's Fatherhood, Dad is Fat is sharply observed, explosively funny, and a cry for help from a man who has realized he and his wife are outnumbered in their own home"--

Emails from an Asshole

The fourth book in Dawn Dais's popular Sh!t No One Tells You series offers "been there, freaked out about that" advice for expectant parents The fourth title in Dawn Dais's popular parenting series, The Sh!t No One Tells You About Pregnancy is quite possibly the funniest, and most heartfelt, yet. After all, pregnancy is not all about scanning Pinterest for baby shower themes and registering for ironic onesies, and sometimes the less flattering aspects of gestation have a way of dimming a bit of that so-called pregnancy glow. Not to worry! Dawn is here, ready

to shepherd you through the experience of one human body taking on the task of growing another human body. (Spoiler alert: It ain't always pretty.) Dawn covers it all, sharing expert lists, tips, warnings, and even a series of Parent-Training Workouts designed to increase readers' tolerance to the various indignities of parenthood, like peeing with an audience and surviving an afternoon in Chuck E. Cheese. The *Sh!t No One Tells You About Pregnancy* is a must-have guide for expectant moms (and their partners!) who are looking for some counsel, comedy, and camaraderie during their ultimate countdown to parenthood.

Filled with touching, astute and funny observations, each entry ends with the big, booming feeling you'll get when you read through them: AWESOME!

Let That Sh*t Go

Is 'shit' the most versatile word in the English language? Quite possibly! This little book presents some of the best uses of our favorite expletive. From doctors (Take two shits and call me in the morning) to waiters (You want fries with that shit?), and whether you're a Darwinist (It's survival of the shittest) or a Catholic (If shit happens, we deserve it), there's enough shit for everyone!

Sh*t Towns of Australia

When Pittsburgh Dad debuted on YouTube three years ago, creators Chris Preksta and Curt Wootton little suspected their sitcom would receive more than sixteen million views and turn their blue-collar everyman into a nationally known figure. Illustrated with hilarious black-and-white photos, Pittsburgh Dad shares the best of the best, from rants about swimming pool rules to reflections on coaching little league to curmudgeonly movie reviews. With its heavy dose of nostalgia and pitch-perfect sensibility, Pittsburgh Dad will have readers laughing in recognition, especially those who love recent blockbusters like *Sh*t My Dad Says* and *Dad Is Fat*.

Awesome Sh*t My Drill Sergeant Said

Trenton, New Jersey, bounty hunter Stephanie Plum has inherited a "lucky" bottle from her Uncle Pip. Problem is, Uncle Pip didn't specify if the bottle brought good luck or bad luck. . . . BAD LUCK: Vinnie, of Vincent Plum Bail Bonds, has run up a gambling debt of \$786,000 with mobster Bobby Sunflower and is being held until the cash can be produced. Nobody else will pay to get Vinnie back, leaving it up to Stephanie, office manager Connie, and file clerk Lula to raise the money if they want to save their jobs. GOOD LUCK: Being in the business of tracking down people, Stephanie, Lula, and Connie have an advantage in finding Vinnie. If they

can rescue him, it will buy them some time to raise the cash. **BAD LUCK:** Finding a safe place to hide Vinnie turns out to be harder than raising \$786,000. Vinnie's messing up Mooner's vibe, running up pay-per-view porn charges in Ranger's apartment, and making Stephanie question genetics. **GOOD LUCK:** Between a bonds office yard sale that has the entire Burg turning out, Mooner's Hobbit-Con charity event, and Uncle Pip's lucky bottle, they just might raise enough money to save the business, and Vinnie, from ruin. **BAD LUCK:** Saving Vincent Plum Bail Bonds means Stephanie can keep being a bounty hunter. In Trenton, this involves hunting down a man wanted for polygamy, a turnpike toilet paper bandit, and a drug dealer with a pet alligator named Mr. Jingles. **GOOD LUCK:** The job of bounty hunter comes with perks in the guise of Trenton's hottest cop, Joe Morelli, and the dark and dangerous security expert, Ranger. With any luck at all, Uncle Pip's lucky bottle will have Stephanie getting lucky---the only question is . . . with whom? Janet Evanovich's *Sizzling Sixteen* . . . so hot, the pages might spontaneously combust!

Bad with Money

From the #1 New York Times bestseller author of *Sh*t My Dad Says*, Justin Halpern, comes a laugh-out-loud funny and deeply touching collection of personal stories about relationships with the opposite sex, from a first kiss to getting engaged and all the awkward moments in between. With *Sh*t My Dad Says*, Halpern brought his brand of talented comedic writing to the world. Now, with this equally poignant, hilarious, and provocative memoir, he establishes himself as one of popular writing's great humorists among the likes of David Sedaris, Sarah Vowell, and David Rakoff. Fans of biting, honor-infused memoirs such as *Me Talk Pretty One Day* and *Assassination Vacation* will find Halpern's *I Suck at Girls* an unforgettable journey into the best and worst moments of one man's adventures in romance.

The Know-It-All

"Growing up, every time I saw a men's magazine cover that had a headline about '73 Ways to Please Your Girlfriend', all I could think was 'I'm good with one; just tell me one way to please her. Also, I don't have a girlfriend. Is there an article about that?'" Soon after *Sh*t My Dad Says* began to take off, comic writer Justin Halpern decided to propose to his then girlfriend. But before doing so, he asked his dad's advice, which was very, very simple (and surprisingly clean): "Just take a day to think about it." This book is the story of that trip down memory lane, to the adventures and misadventures of teenage relationships. Crossing the warmth of *The Wonder Years* with the candour and observational humour of David Sedaris, this follow-up to the hottest comedy debut of last year is a hilarious, toe-curlingly true book about life, and love.

She Left Me the Gun

In her hit Netflix comedy special *Baby Cobra*, an eight-month pregnant Ali Wong resonated so strongly that she even became a popular Halloween costume. Wong told the world her remarkably unfiltered thoughts on marriage, sex, Asian culture, working women, and why you never see new mum comics on stage but you sure see plenty of new dads. The sharp insights and humour are even more personal in this completely original collection. She shares the wisdom she's learned from a life in comedy and reveals stories from her life offstage, including the brutal single life in New York (i.e. the inevitable confrontation with erectile dysfunction), reconnecting with her roots (and drinking snake blood) in Vietnam, tales of being a wild child growing up in San Francisco, and parenting war stories. Though addressed to her daughters, Ali Wong's letters are absurdly funny, surprisingly moving, and enlightening (and gross) for all.

We're Parents! the New Dad Book for Baby's First Year

'[An] instant classic' Independent Rupert Everett's first memoir - *Red Carpets and Other Banana Skins* - was an international bestseller and an instant classic on publication in 2006. Reviewers compared him to Evelyn Waugh, David Niven, Noel Coward and Lord Byron. But Rupert Everett is - of course - one of a kind. Mischievous, touching and nothing less than brilliant, this new memoir is filled with stories, from childhood to the present. Astonishing encounters; tragedy and comedy; vivid portraits of friends and rivals; razor-sharp observations of the celebrity circus from LA to London and beyond there is something extraordinary on every page. A pilgrimage to Lourdes with his father is both hilarious and moving. A misguided step into reality TV goes horribly wrong. From New York to Moscow to Berlin to Phnom Penh, *Vanished Years* takes the reader on a wild and wonderful new journey with a charming (and rather disreputable) companion.

It Takes Balls

Life is stressful. But it doesn't have to be. It's no wonder you can't calm down: your to-do list is as long as your arm, your bank balance keeps dropping, you feel guilty for not calling your parents more often and there always seems to be a big deadline to meet at work. You need a serious breather—but you can barely find time to shower, let alone to exercise or meditate. In *Let That Sh*t Go*, Kate Petriw and Nina Purewal share the wisdom they've gained though decades of practising and teaching others to find peace of mind no matter how busy they are. Learn to put your life in perspective, take each day one step at a time and steal moments of

calm amid the chaos. And remember: it's not worth holding onto that sh*t.

Sh*T My Dad Says

33,000 pages 44 million words 10 billion years of history 1 obsessed man Part memoir and part education (or lack thereof), *The Know-It-All* chronicles NPR contributor A.J. Jacobs's hilarious, enlightening, and seemingly impossible quest to read the *Encyclopaedia Britannica* from A to Z. To fill the ever-widening gaps in his Ivy League education, A.J. Jacobs sets for himself the daunting task of reading all thirty-two volumes of the *Encyclopaedia Britannica*. His wife, Julie, tells him it's a waste of time, his friends believe he is losing his mind, and his father, a brilliant

attorney who had once attempted the same feat and quit somewhere around Borneo, is encouraging but, shall we say, unconvinced. With self-deprecating wit and a disarming frankness, *The Know-It-All* recounts the unexpected and comically disruptive effects Operation Encyclopedia has on every part of Jacobs's life -- from his newly minted marriage to his complicated relationship with his father and the rest of his charmingly eccentric New York family to his day job as an editor at *Esquire*. Jacobs's project tests the outer limits of his stamina and forces him to explore the real meaning of intelligence as he endeavors to join Mensa, win a spot on *Jeopardy!*, and absorb 33,000 pages of learning. On his journey he stumbles upon some of the strangest, funniest, and most profound facts about every topic under the sun, all while battling fatigue, ridicule, and the paralyzing fear that attends his first real-life responsibility -- the impending birth of his first child. *The Know-It-All* is an ingenious, mightily entertaining memoir of one man's intellect, neuroses, and obsessions and a soul-searching, ultimately touching struggle between the all-consuming quest for factual knowledge and the undeniable gift of hard-won wisdom.

The Ultimate Dad Joke Book

The international bestseller and Twitter sensation: a brilliant new comic voice, and a 100% real father-son relationship that lies somewhere between *Curb Your Enthusiasm* and *The Wonder Years*"At 28 years old, I found myself living at home, with my 73-year-old father. As a child, my father never minced words, and when I screwed up, he had a way of cutting right through the bullshit and pointing out exactly why I was being an idiot. When I moved back in I was still, for the most part, an idiot. But this time, I was smart enough to write down all the things he said to me..."Meet Justin Halpern and his dad. Almost 1.5 million people follow Mr Halpern's philosophical musings every day on Twitter, and in this book, his son weaves a brilliantly funny, touching coming-of-age memoir around the best of his sayings. What emerges is a chaotic, hilarious, true portrait of a father and son relationship from a major new comic voice. As Justin says at one point, his dad is 'like Socrates, but angrier, and with worse hair'; and this is the sort of shit he says"You know, sometimes it's nice having you around. But now ain't one of those times. Now gimme the remote, we're not watching this bullshit.""Happy Birthday, I didn't get you a present Oh, mom got you one? Well, that's from me then, too - unless it's shitty."

Shit My Dad Says

When Emma Brockes was ten years old, her mother said 'One day I will tell you the story of my life and you will be amazed.' Growing up in a tranquil English village, Emma knew very little of her mother's life before her. She knew Paula had grown up in South Africa and had seven siblings. She had been told stories about deadly snakes and hailstones the size of golf balls. There was mention, once, of a trial. But most of the past was a mystery. When her mother dies of cancer, Emma - by then a successful journalist at the Guardian - is free to investigate the untold story. Her search begins in the Colindale library but then takes her to South Africa, to the extended family she has never met and their accounts of a childhood so different to her own. She encounters versions of the life her mother chose to leave behind - and realises what a gift her mother gave her. Part investigation, part travelogue, part elegy, *She Left Me the Gun* is a gripping, funny and clear-eyed account of a writer's search for her mother's story.

The Sh!t No One Tells You About Pregnancy

I Suck at Girls

Josh Wolf--one of the stars and writers of *Chelsea Lately* and *After Lately*--delivers a hilarious collection of essays that reminds us all what it takes to conquer fatherhood without sacrificing manhood. Struggling to make it as a stand-up comic didn't always fit with being a single parent. But Josh figured out his own set of rules--through trial and (frequent) error. Early picking up kids from school? The nearby strip club is a great place to kill time and bond with some like-minded dads. Want a drunken heart-to-heart with your son? First make sure there's no Sharpie around in case you pass out. Wondering where to take that special someone at the end of the night? Remember that no sane woman will have sex with you in a one-bedroom apartment where your kids are sleeping--even if you promise to be really, really quiet. Whether it's revealing the secrets to limitless hookups (hint: it's single moms) and getting rid of your children's friends that you just can't stand (hint: it's not single moms), or blackmailing PTA members and ignoring health codes, Josh is sure to impart some parenting wisdom along the way. Or at least have a good time trying.

Figuring Shit Out

There are approximately 3,712 ways for a guy to look stupid during pregnancy--this book's here to help you avoid all (most) of them. And here's your first hint: Focus on what you can be doing for her rather than what's happening to her. She's pregnant. She knows that. You know that. And her 152 baby books tell her exactly what she can expect. Your job is to learn what you can do between the stick turning blue and the drive to the delivery room to make the next nine months go as smoothly as possible. That's where John Pfeiffer steps in. Like any good coach, he's been through it. He's dealt with the morning sickness and doctor visits, painting the baby's nursery and packing the overnight bag, choosing a name, hospital, and the color of the car-seat cover. All the while he remained positive and responsive--there with a "You're beautiful" when necessary--but assertive during the decision-making process. (He didn't want to wind up with a kid named Percy.) And now it's your turn. She might be having the baby, but you have plenty of responsibilities.
