What kind of assassin works pro bono? It's hard to be a badass assassin when a giant is beating the crap out of you. Luckily, I never let pride get in the way of my work. My current mission is personal: annihilate Mab Monroe, the Fire elemental who murdered my family. Which means protecting my identity, even if I have to conceal my powerful Stone and Ice magic when I need it most. To the public, I'm Gin Blanco, owner of Ashland's best barbecue joint. To my friends, I'm the Spider, retired assassin. I still do favors on the side. Like ridding a vampire friend of her oversized stalker—Mab's right-hand goon who almost got me dead with his massive fists. At least irresistible Owen Grayson is on my side. The man knows too much about me, but I'll take my chances. Then there's Detective Bria Coolidge, one of Ashland's finest. Until recently, I thought my baby sister was dead. She probably thinks the

thought she could do no wrong. . . . Ten years ago. A blistering hot August night. I remember like it was yesterday. The night I, Gin Blanco, truly became the Spider. Killing people is what I do best, especially now that I've honed my Ice and Stone magic. But back then, I had yet to learn one very important rule: arrogance will get you, every single time. This particular job seemed simple: murder a crooked building contractor with ties to ruthless Fire elemental Mab Monroe. My mentor, Fletcher Lane, had some misgivings, but I was certain that I had the situation under control . . . right up until I exposed my weaknesses to a merciless opponent who exploited every single one of them. There's a reason assassins aren't supposed to feel anything. Luckily, a knife to the heart can fix that problem, especially when I'm the one wielding it. . . .

Gathering intel on my hidden enemies is a painstaking process, but a more immediate mystery has popped up on my radar: a missing girl. My search for the girl begins on the mean streets of Ashland, but with all the killers and crooks in this city, I'm not holding out much hope that she's still alive. A series of clues leads me down an increasingly dark, dangerous path, and I realize that the missing girl is really just the first thread in this web of evil. As an assassin, I'm used to facing down the worst of the worst, but nothing prepares me for this new, terrifying enemy—one who strikes from the shadows and is

## **Spider's Trap**

The eighth hotly anticipated book in the Elemental Assassin series by New York Times bestselling author Jennifer Estep: it's Gin Blanco's party—and you'll cry if she wants you to. Red is definitely my color. Good thing, because in my line of work, I end up wearing it a lot. Most people shy away from blood, but for an assassin like me—Gin Blanco, aka the Spider—it's just part of the job. Still, it would be nice to get a night off, especially when I'm attending the biggest gala event of the summer at Briartop, Ashland's fanciest art museum. But it's just not meant to be. For this exhibition of my late nemesis's priceless possessions is not only the place to be seen, but the place to be robbed and taken hostage at gunpoint as well. No sooner did I get my champagne than a bunch of the unluckiest thieves ever burst into the museum and started looting the place. Unlucky why? Because I brought along a couple of knives in addition to my killer dress. Add these to my Ice and Stone magic, and nothing makes me happier than showing the bad guys why red really is my color.

Gladiator meets Game of Thrones: a royal woman becomes a skilled warrior to destroy her murderous cousin, avenge her family, and save her kingdom in this first entry in a dazzling fantasy epic from the New York Times and USA Today bestselling author of the Elemental Assassin series—an enthralling tale that combines magic, murder, intrigue, adventure, and a hint of romance. In a realm where one's magical power determines one's worth, Lady Everleigh's lack of obvious ability relegates her to the shadows of the royal court of Bellona, a kingdom steeped in gladiator tradition. Seventeenth in line for the throne, Evie is nothing more than a ceremonial fixture, overlooked and mostly forgotten. But dark

forces are at work inside the palace. When her cousin Vasilia, the crown princess, assassinates her mother the queen and takes the throne by force, Evie is also attacked, along with the rest of the royal family. Luckily for Evie, her secret immunity to magic helps her escape the massacre. Forced into hiding to survive, she falls in with a gladiator troupe. Though they use their talents to entertain and amuse the masses, the gladiators are actually highly trained warriors skilled in the art of war, especially Lucas Sullivan, a powerful magier with secrets of his own. Uncertain of her future—or if she even has one—Evie begins training with the troupe until she can decide her next move. But as the bloodthirsty Vasilia exerts her power, pushing Bellona to the brink of war, Evie's fate becomes clear: she must become a fearsome gladiator herself . . . and kill the queen.

Magic, murder, adventure, and romance combine in this second novel in the exciting Crown of Shards saga from New York Times and USA Today bestselling author Jennifer Estep. Everleigh Blair might be the new gladiator queen of Bellona, but her problems are far from over. First, Evie has to deal with a court full of arrogant, demanding nobles, all of whom want to get their greedy hands on her crown. As if that wasn't bad enough, an assassin tries to kill Evie in her own throne room. Despite the dangers, Evie goes ahead with a scheduled trip to the neighboring kingdom of Andvari in order to secure a desperately needed alliance. But complicating matters is the stubborn Andvarian king, who wants to punish Evie for the deaths of his countrymen during the Seven Spire massacre. Dark forces are also at work inside the Andvarian palace, and Evie soon realizes that no one is safe. Worse, her immunity to magic starts acting in strange, unexpected ways, which makes Evie wonder whether she is truly strong enough to be a Winter Queen. Evie's magic, life, and crown aren't the only things in danger—so is her heart, thanks to Lucas Sullivan, the Andvarian king's bastard son and Evie's ... well, Evie isn't quite sure what Sullivan is to her.
