The short pieces assembled in *Salvation in My Pocket* are miniature experiments in Christian joy. They are attempts at describing the difference God makes to ordinary experience, and to discover glimpses of God's light in everyday life. If there is any thread that holds these haphazard reflections together, it is just the conviction that beneath the surface of things there lurks an invitation, gentle and alluring; that even in sadness and misfortune there is always rising up, as if from hidden wells, the promise of peace; and that the final word spoken over this world, and over each human life, will be a word of joy.
