Black Mirror meets What If It's Us in this gripping, romantic, and wildly surprising novel about two boys lost in space trying to find their way home—while falling in love—from the critically acclaimed author of We Are the Ants. When Noa closes his eyes on Earth and wakes up on a spaceship called Qriosity just as it's about to explode, he's pretty sure things can't get much weirder. Boy is he wrong. Trapped aboard Qriosity are also DJ and Jenny, neither of whom remember how they got onboard the ship. Together, the three face all the dangers of space, along with murder, aliens, a school dance, and one really, really bad day. But none of this can prepare Noa for the biggest challenge—falling in love. And as Noa's feelings for DJ deepen, he has to contend not just with the challenges of the present, but also with his memories of the past. However, nothing is what it seems on Qriosity, and the truth will upend all of their lives forever. Love is complicated enough without also trying to stay alive.

Love Story between Texas and Anywhere is a real life collection of extraordinary and often erotic love letters between an older man and a young businesswoman. The two were connected by a friend finder agency and the connection was immediate. The correspondence took place nearly 20 years ago. Yet to the author, his feelings of excitement, romance, and intimacy are still fresh. The letters tell the story of a wonderful love affair, filled with dreams, fantasies, deep feelings, and intense passion. Unfortunately, their love was not meant to be. After what seemed like a lifetime of writing back and forth, the man was heartbroken when his lady's letters came to an abrupt halt, without explanation. This book is the author's personal monument to the woman who stole his heart over two decades ago. This collection of letters radiates all the love and warmth that drove the couple to share their

Set in 1906 along the unspoiled shores of Lake Manitoba, *Be Still the Water* brings us into the fold of the Gudmundsson Family--immigrants determined to begin life anew in the Icelandic farming and fishing community of Siglunes. At the heart of the novel is dutiful Asta, the middle daughter who lives in the shadow of her siblings--fiery Signy, headstrong Leifur and sweet, naive Freyja. When Freyja goes missing, Asta embarks on a quest to bring her sister home. She tells the family's story some seventy years later, while on her deathbed, finally discovering the truth of what happened on those fateful days that set the course for her life and the lives of everyone she loved. Loosely inspired by area events, this is an emotional, slow-burning story of family love and sacrifice, of secrets revealed and promises broken--told in the spirit of the Icelandic Sagas.

If only I had known the hell that would become my life, maybe I could have prepared for it. I always believed I was mentally tough enough to face anything, but suddenly I wasn't sure I could even get through another day. Every time I closed my eyes, the screaming in my mind came back; the images of that day played over and over. I never felt so weak, so lost. So alone. Creating a fairy tale love story wasn't easy, but it was worth

every argument we ever had. The life we had was built on a love so strong, I thought nothing could ever touch it. Losing it never crossed my mind. Until I had to learn to survive through heart-breaking pain. How can a life so beautiful and perfect end so tragically? Like every bull I ever rode and every race I ever ran, life became another fight I had to win.

Love's Story, the final volume of Ajit Sripad Rao Nalkur's trilogy on love, highlights his vision and realisation of true love on Earth. The poems in this volume were written over a period of twenty years while Nalkur was living and working in Australia and the United States and after he returned to his birth country, India. This volume is divided into three parts. "The Vision" contains poems he began to write in Australia in the early 1990s and takes a narrative form, with much of the work appearing in prose. It offers the poet's visionary experience of love Part two, entitled "Love on Earth," addresses the realisation and actualisation of that love. The third and final part of the book, "Poet's Corner," contains verse on the art of poetry. Love's Story explores true love in all its aspects and considers the realisation of a dream of such a love on Earth.

H.G. Wells called Asoka the greatest king in history; he did not mention that Asoka is a puzzle: a monster, a saint, orthodox and radical by turn. He killed like Genghis Khan, and yet, became the St. Paul of Buddhism. He blindly followed his fundamentalist religion, but left it because it oppressed the masses. An imperious king, he provided equality,

social justice to his people and promoted religious tolerance. Above all, he provided free healthcare. He was the first to build beautiful monuments in India. Who was this man? Was he a Tristan in love--a doomed romantic lover? An artist in search of self-expression? Was he looking for meaning in chaos? This is the first fictional biography of this enigmatic figure. The story zigzags like the man. Asoka is an underdog--fourth in line of succession. At eleven, he runs into cannibals and escapes getting cooked. His grandfather's widow, Livia, a Persian princess, poisons Asoka's mother and adopts him -she aspires to be Queen Mother. At seventeen, he is found making love in a temple room to a flower girl--oblivious of the bodies outside swaying to holy chants. When charged with rape, he runs away to Taxila (modern Peshawar in Pakistan) to study religion--the source of political power then. And now! When Taxila Administrator leads a secessionist movement, he mercilessly puts down the uprising and becomes governor. He now falls in love with the young and beautiful Anga, but she has an Egyptian soldier on her mind. The king dies. Gambling his life, he enters the palace at night, kills his brothers in a bid to seize the throne. The crown prince escapes; Asoka faces a civil war. It takes him three years to turn things around. He turns to Anga--she is still not ready for him. With his persistence he wins Anga at last. For a brief period he

finds connubial bliss, she is a loving and passionate woman. Then his demon rises, he hankers to win a great war to please the gods. He marches to Kalinga (modern Orissa) accompanied by Anga. On the battlefield, 400,000 men are slaughtered. Immortality is at hand. Ironically, his life begins to fall apart after the war. Anga is devastated by the carnage. Asoka wants his happiness back. What happens to him and Anga, is the story of every soldier disfigured--bodily or mentally--by war. But Asoka was a powerful king. What happened to him changed the history of India, and the history of world religions. After the fashion of Robert Graves' *I, Claudius*, Asoka is also the story of the first empire of India--the Maurya Dynasty. Asoka is laden with political intrigue, family strife, conspiracies, murders, war, moral turpitude, and tribal rituals. In the end, it is a story of love, war, loss, and memory. Written to engage, educate and entertain, 'Asoka' seeks to introduce a generation of readers to a hidden chapter of history and the life of a man far ahead of his time. Published in India in May 2010, Asoka has been enthusiastically received. The Asian Age (published from London and major cities in India) called it "a magical story of love;" the prestigious Hindu Literary Review described it as "a rollicking roller-coaster of a book that thrills, touches our emotions and enchants with its descriptions." #### **Love Story**

This is the classic tale of boy meets girl: Girl...goes home with someone else. Meet Eve. She's a dreamer, a feeler, a careening well of sensitivities who can't quite keep her feet on the ground, or steer clear of trouble. She's a laughter, a crier, a quirky and quick-witted bleeding-heart-worrier. Meet Ben. He's an engineer, an expert at leveling floors who likes order, structure, and straight lines. He doesn't opine, he doesn't ruminate, he doesn't simmer until he boils over. So naturally, when the two first cross paths, sparks don't exactly fly. But then they meet again. And again. And then, finally, they find themselves with a deep yet fragile connection that will change the course of their relationship—possibly forever. Follow Eve and Ben as they navigate their twenties on a winding journey through first jobs, first dates, and first breakups; through first reunions, first betrayals and, maybe, first love. This is *When Harry Met Sally* reimagined; a charming tale told from two unapologetically original points of view.

When Dimple Met Rishi meets Ugly Delicious in this funny, smart romantic comedy, in which two Vietnamese-American teens fall in love and must navigate their newfound relationship amid their families' age-old feud about their competing, neighboring restaurants. If Bao Nguyen had to describe himself, he'd say he was a rock. Steady and strong, but not particularly interesting. His grades are average, his social status unremarkable. He works at his parents' pho restaurant, and

even there, he is his parents' fifth favorite employee. Not ideal. If Linh Mai had to describe herself, she'd say she was a firecracker. Stable when unlit, but full of potential for joy and fire. She loves art and dreams pursuing a career in it. The only problem? Her parents rely on her in ways they're not willing to admit, including working practically full-time at her family's pho restaurant. For years, the Mais and the Nguyens have been at odds, having owned competing, neighboring pho restaurants. Bao and Linh, who've avoided each other for most of their lives, both suspect that the feud stems from feelings much deeper than friendly competition. But then a chance encounter brings Linh and Bao in the same vicinity despite their best efforts and sparks fly, leading them both to wonder what took so long for them to connect. But then, of course, they immediately remember. Can Linh and Bao find love in the midst of feuding families and complicated histories?

everyone while all the time praying that God would let her dearest dream come true. That He would send her someone to love who would love her completely. It is exciting to watch a true miracle slowly unfold for two people who had almost given up their dream and were prepared to be alone for the rest of their lives. It is like seeing a flower grow and bud and then bloom so beautifully or watching a rainbow glowing brightly through a cloudy sky. IN HIS HANDS A Love Story is about the difference between thinking we believe that God is always near and believing so deeply that we can feel His presence, even through the hardest trials of life. It is feeling His love and mercy in the deepest valleys as well as on the highest mountain. It speaks of a deeper faith, born from the hardest struggle one lost and lonely human being felt she was going through and the realization that our Creator cares for us more than anyone else in the world and that we are always in His Hands. This faith will carry one through whatever life may bring and make us see just how precious all the promises God has given us in His Holy Word are. May we all hold them close to our hearts and find rest as is promised in Matthew 11: 28, 29, and 30.
