Taste of War: World War II and the Battle for Food: Amazon

In World War Two, 19 million people died in the conflicts across the globe. Yet in those same years, more than 20 million died from starvation and malnutrition. In *The Taste of War* Lizzie Collingham shows how food - and its lack - was central to the war's causes and continuation. She explores how starvation was often a deliberate governmental policy, and reveals how the necessity of feeding whole countries lead to Pearl Harbour, Germany's invasion of Russia, and the Holocaust itself.

Taste of War: World War II and the Battle for Food

The Taste of War: World War Two and the Battle for Food traces the paths that led from the worldwide agricultural depression in the 1930s, to the Second World War, through to the post-war economic recovery that ended in prosperity and plenty throughout the developed world. It asks what happened when the global food economy of the 1920s and 1930s met the greatest destructive force it has ever come up against, and how the pieces were put back together in the decades after war's end.

The Taste of War: World War Two and the Battle for Food

This book traces the establishment of a global pattern of food production and distribution and shows how the war subsequently promoted the pervasive influence of American food habits and tastes in the post-war world. A work of great scope, The Taste of War connects the broad sweep of history to its intimate impact upon the lives of individuals.
