### **That's A Wrap Automotive | Thats A Wrap**

December 29, 2020 IN the early days of the movie industry, at the end of shooting a scene, the director would say, “That’s a wrap”—supposedly an acronym for “Wind Reel and Print.” All the filmed raw footage was sent to the processing lab. Select cast and crew members viewed the “dailies” to judge performances and technicals.

### **Bing: Thats A Wrap Large Print**

Wrap was a phrase used by the director in the early days of the film industry to signal the end of filming. Since the 1920s, filmmakers have been using this phrase when principal photography is concluded and the film is ready to go into post-production. At that point, it is traditional to hold a wrap party for the cast and crew
