Never Mind the Bonus

The Technologists (with bonus short story The Professor's Assassin)

Edited by Here Is The City publisher Vic Daniels, 'Never Mind Your Bonus' is a compilation of the best, most amusing, entertaining or just plain eye-opening stories from the vaults of one of the world's most popular financial markets websites. With an exclusive audience of financial markets professionals, based in over 150 countries and territories, the website delivers

a brand of up-to-the-minute comment, news and opinion that has tens of thousands of investment bankers, asset management and hedge fund professionals logging in each day. The book provides an entertaining look at the underbelly of the financial markets, revealing what's really going on in that opaque world. This is a must read for anyone who works in the financial markets, or hope to make a career therein.

100 Holidays in the Hills and 100 Bonus Hideaways

From award winning criminologist R. Barri Flowers and the bestselling author of *Murder of the Banker's Daughter* and *Murder at the Pencil Factory* comes a riveting new historical true crime short, *The Amityville Massacre: The DeFeo Family's Nightmare*. In the wee hours of the morning on November 13, 1974, shots rang out in the upscale home at 112 Ocean Avenue in Amityville, New York, a village within the town of Babylon. The house belonged to forty-three-year-old Ronald DeFeo, Sr. and his forty-two-year-old wife, Louise, who lived there with their five children, ranging in age from nine to twenty-three. The DeFeos and four of their children were shot to death, execution style, while in bed. The lone survivor of the family, Ronald "Butch" DeFeo, Jr., twenty-three, was suspected of being the shooter. The police investigation of the mass murder, the bizarre story within the story, insanity, the trial of the accused, and the aftermath, are explored in this truth is far scarier than fiction tale of darkness and horror. The case inspired *The Amityville Horror* movies and books, in delving into psychic phenomenon and the supernatural. *The Amityville Massacre* includes a complete bonus story, *Murder in Bellevue: The Killing of Alan and Diane Johnson*, as well as excerpts from other bestselling true crime shorts by R. Barri Flowers. Follow the author in Twitter, Facebook, Pinterest, LinkedIn, Goodreads, LibraryThing, YouTube, Flickr, Wikipedia, and www.rbarriflowers.net and www.rbarriflowers.com.

Touchstone Series: Novella Books 1-4, Plus Bonus Short Story, Falling in Love Again

The period between World Wars I and II was a time of turbulent political change, with suffragists, labor radicals, demagogues, and other voices clamoring to be heard. One group of activists that has yet to be closely examined by historians is World War I veterans. Mining the papers of the Veterans of Foreign Wars (VFW) and the American Legion (AL), Stephen R. Ortiz reveals that veterans actively organized in the years following the war to claim state benefits (such as pensions and bonuses), and strove to articulate a role for themselves as a distinct political bloc during the New Deal era. *Beyond the Bonus March and GI Bill* is unique in its treatment of World War I veterans as significant political actors during the interwar period. Ortiz's study reinterprets the political origins of the "Second" New Deal and Roosevelt's electoral triumph of 1936, adding depth not only to our understanding of these events and the political climate surrounding them, but to common perceptions of veterans and their organizations. In describing veteran politics and the competitive dynamics between the AL and the VFW, Ortiz details the rise of organized veterans as a powerful interest group in modern American politics.

Christmas on Mistletoe Lane

The final volume of this groundbreaking quartet leads us through the dramatic post-war years, from derelict bombsites to shimmering skyscrapers. After the dark days of devastated investments and staggering debt, London slowly reasserts itself as the financial capital of the world.

Springtime at Hope Cottage

At age twelve, Sophie learns that the remarkable abilities that have always caused her to stand out identify her as an elf, and after being brought to Eternalia to hone her skills, discovers that she has secrets buried in her memory for which some would kill.

The brand new novel from the Sunday Times bestselling author Paige Toon. The perfect summer read for 2020! When Hannah meets Sonny, she's irresistibly drawn to him: he's sexy and confident, but only in town on holiday. That's fine with Hannah - she doesn't do long-term relationships. And luckily for her, neither does Sonny. But before they can even so much as kiss, Sonny receives some shocking news and commits to making serious life changes - ones that can't and won't include romance. With even a short fling now off the cards, Hannah and Sonny settle for being friends. But as summer heats up and their chemistry shows no signs of cooling, they start to question their reasons for shutting each other out. Are they both too broken to find love? And if they tear down the walls between them, will they still like what's on the other side? 'Gave me that gorgeous glowing happy feeling you get at the end of a truly uplifting read' BETH O'LEARY, Sunday Times bestselling author of The Flatshare 'So unique and moving. I adored every lovely word!' JOSIE SILVER, bestselling author of One Day in December 'A twisty romance full of Paige's signature passion and feeling. Classic Paige Toon from beginning to end' LINDSEY KELK, Sunday Times bestselling author of the I Heart? series 'Heart-wrenching and uplifting, all in one summery burst' ZOË FOLBIGG, author of The Postcard 'Hilarious, compelling, sexy and warm, with characters so vivid you actually miss them when it's over Highly recommended' LUCY VINE, author of Hot Mess Praise for Paige Toon: 'You'll love it, cry buckets and be uplifted' MARIAN KEYES 'Tender, heartbreaking and magical' GIOVANNA FLETCHER 'Heart-warming, wistful and full of joy' LINDSEY KELK 'Poignant and lovely, warm and wise' MILLY JOHNSON 'Family secrets, new horizons and a gorgeous continent-crossing romance . . . prepare to be swept away!' Short Work of it

This USA Today bestselling author invites you to the delightful small town of Sweetwater Springs where the magic of Christmas brings two strangers together in this "story you won't forget" (RaeAnne Thayne, New York Times bestselling author). Christmas is coming to the North Carolina mountains, and the air is fresh and crisp and filled with promise. After the devastating loss of her job in the big city, the small town of Sweetwater Springs feels like heaven to Kaitlyn Russo. She's inherited her grandparents' charming (if a little rundown) bed and breakfast, and it's just the new lease on life she needs. Only "heaven" comes with a catch - and a handsome and completely infuriating one at that. After what he hopes will be a quick trip, Mitch Hargrove wants nothing more than to put his hometown in the rearview mirror. But his plans get derailed when he learns he's now half-owner of the Sweetwater B&B. The fact that he's given only two months to make the inn a success is a huge problem, but it's his pretty - and incredibly headstrong - partner who's the real challenge. With the holiday fast approaching and a grand re-opening looming, will Mitch keep running from the ghosts of Christmas past . . . or will he realize the true gift he's been given? Includes the bonus short story "A Midnight Clear" by Hope Ramsay! What readers are saying about Christmas on Mistletoe Lane "This book was exactly what I needed to kick off the holiday season." "A holiday story full of second chances, romance and magic! It's got all the feels-and a fabulous holiday message." "I truly enjoyed this fun holiday read." "This book needs to be made into a Hallmark Christmas movie!"

Engineering-contracting

Cities of Oil is the first sustained historical account of the development of the early Canadian petroleum refining and manufacturing industry. In it, Timothy W. Cobban documents the industry ' s development in southern Ontario, from its beginnings in the 1850s to its later expansion on the outskirts of London, to Petrolia, and finally to Sarnia. He accounts for all of the industry ' s important developments and innovations, particularly the role played by municipalities in fostering its growth. Using extensive archival research, Cobban concludes that municipalities can stimulate the accelerated, sustained development of local industry sectors, thus challenging the dominant view that the influence of municipalities on economic growth is marginal. Cities of Oil demonstrates the importance of accommodating the land and infrastructure needs of industry at critical junctures, and implementing land use policies that encourage the dense clustering of industries. This book will be essential reading for those seeking a greater understanding of industrial growth in the province of Ontario.

The Amityville Massacre: The DeFeo Family's Nightmare (A True Crime Short)

A gifted musician relates the events of 1967 that impacted his family and friends, from his indomitable "piano man" grandfather and struggling singer single mother to the everyday saints and sinners who shaped his life.

The series began with Remembrance (published July 25, 2011), was followed by the short story Vengeance (published December 8, 2011), and concluded with Timeless (published November 20, 2012). The series has sold a significant number of copies, and has received much praise from reviewers.

The City

Incentive zoning has received renewed attention as communities implement smart growth principles into planning and development processes. Incentive zoning allows a developer to build a larger, higher-density project than would be permitted under existing zoning. In exchange, the developer provides something that is in the community's interest that would not otherwise be required (e.g., open space, plazas, arcades, etc.). The common types of community benefits or amenities for which state and local governments have devised incentive programs are urban design, human services (including affordable housing), and transit access. This report provides historical perspective, summarizes state enabling legislation, and describes the key substantive and legal issues local governments must address in crafting such regulations. Case studies from Arlington County (Virginia), Minneapolis, and Seattle demonstrate how incentives can be used to achieve smart growth objectives. The report also provides principles to guide model legislation for zoning and affordable housing incentives.

French MBA grad Lili Grenault needs to succeed at her last pitch meeting to fund her international green tech business. But her grandmother tells her to drop everything, find her one true love, and embrace her magical legacy by Beltane, in one week, or chaos and failure in her life will ensue. San Francisco investor Brett Barnaby wants to find his great-grandfather's gravesite in Amiens, France, one of the primary battle sites of World War I. Family legend says that purpose, greater mission, and perhaps even untold riches, will be unlocked when he finds that grave. But his search in Amiens brings up fear, anger, and dire warnings about some wild Green Man. He turns to local Lily Grenault for help. Can these two independent freethinkers work together to prevent chaos from triumphing and find love in time in the labyrinth of roses? FALLING IN LOVE AGAIN A time-travel-esque romance. Sexy Medieval stonemason Julien has to rely on his fiance. Rose to adapt to a 21st century life, to learn English, and find his place in a modern world. Software expert Rose has no time to spare with two jobs to support her and her fiance Julien in expensive San Francisco. Will a weekend getaway rekindle the spark so these two time-crossed lovers can fall in love again?"

Minutes of City Council of Halifax, for the Year Ending

Franco's Bastard looks at nationalism and terrorism, whilst Lola Brecht explores the situation in the Balkans. The plays deal with their subjects often with a humour that tests audiences and questions what we regard as the truth. They are based on the author's belief that theatre is not simply a place of entertainment but a vital and radical forum for the debating of issues necessary to the health of democracy.

NEW YORK TIMES BESTSELLER • Includes Dean Koontz ' s short story “ The Neighbor ” ! Dean Koontz is at the peak of his acclaimed powers with this major new novel. A young boy, a musical prodigy, discovering life ' s wonders—and mortal dangers. His best friend, also a gifted musician, who will share his journey into destiny. His remarkable family, tested by the extremes of evil and bound by the depths of love . . . on a collision course with a band of killers about to unleash anarchy. And two unlikely allies, an everyday hero tempered by the past and a woman of mystery who holds the key to the future. These are the people of The City, a place where enchantment and malice entwine, courage and honor are found in the most unexpected quarters, and the way forward lies buried deep inside the heart. Brilliantly illumined by magic dark and light, their unforgettable story is a riveting, soul-stirring saga that speaks to everyone, a major milestone in the celebrated career of #1 New York Times bestselling author Dean Koontz and a dazzling realization of the evergreen dreams we all share. Praise for The City “ Beautifully crafted and poignant . . . The City is many things: serious, lighthearted, nostalgic, courageous, scary, and mysterious. . . . [It] will have readers staying up late at night. ” —New York Journal of Books “ [Koontz] can flat-out write. . . . The message of hope and depiction of how the choices you make can change your life ring true and will remain with you once the book has been closed. ” —Bookreporter Acclaim for Dean Koontz “ Perhaps more than any other author, Koontz writes fiction perfectly suited to the mood of America: novels that acknowledge the reality and tenacity of evil but also the power of good . . . that entertain vastly as they uplift. ” —Publishers Weekly “ A rarity among bestselling writers, Koontz continues to pursue new ways of telling stories, never content with repeating himself. ” —Chicago Sun-Times “ Tumbling, hallucinogenic prose. ‘ Serious ’ writers . . . might do well to examine his technique. ” —The New York Times Book Review “ [Koontz] has always had near-Dickensian powers of description, and an ability to yank us from one page to the next that few novelists can match. ” —Los Angeles Times “ Koontz is a superb plotter and wordsmith. He chronicles the hopes and fears of our time in broad strokes and fine detail, using popular fiction to explore the human condition. ” —USA Today “ Characters and the search for meaning, exquisitely crafted, are the soul of [Koontz ' s] work. . . . One of the master storytellers of this or any age. ” —The Tampa Tribune “ A literary juggler. ” —The Times (London)

“ A terrific historical mystery in the fine old Arthur Conan Doyle style . . . Who knew that a mystery formed around the founding of the Massachusetts Institute of Technology could be so good? . . . There are cliffhanger endings and fortuitous escapes. . . . There are even a couple of very sweet romances. ” —The Globe and Mail NATIONAL BESTSELLER Boston, 1868. The Civil War may be over but a new war has begun, one between past and present, tradition and technology. The daring Massachusetts Institute of Technology is on a mission to harness science for the benefit of all. But when an unnatural disaster strikes the ships in Boston Harbor, and an equally inexplicable catastrophe devastates the heart of the city, an antiscience backlash casts a pall over MIT and threatens its very survival. So the best and brightest from the Institute ' s first graduating class secretly join forces to save innocent lives and track down the truth. Armed with ingenuity and their unique scientific training, gifted war veteran Marcus Mansfield, blueblood Robert Richards, genius Edwin Hoyt, and brilliant freshman Ellen Swallow will match wits with a master criminal bent on the utter destruction of the city. Don ' t miss Matthew Pearl ' s short story “ The Professor ' s Assassin, ” featuring characters from The Technologists, in the back of the book. Look for special features inside.
