The Faceless Woman by Emma Hamm was a 5 Star read for me! The otherworld series are fairtale retelling. This one was based off of Swan Princess. I wasn't aware I needed this retelling until I read the book. Aisling is a witch who has a curse on her that no Fae can see her face. To avoid death, Aisling puts a binding curse on Bran, the Unseelie Prince.

The Faceless Woman_A Retelling of the Swan Princess (Emma

The Faceless Woman I know that when I read or listen to an Emma Hamm book, I must stay committed to sticking to the story or I will miss out on some beautiful story telling. To me, most of her books start out slow, and there are times when I think they drag, but I can also tell that she gradually builds a well-rounded story that will have you wanting more of her work.

Pin on The Faceless Woman - A Swan Princess Retelling

The Faceless Woman took two threads from Hamm's Otherworld series (Bran and a passing witch) and created a breathtakingly eerie and dark adventure. We are introduced to Aisling, a kindhearted but cursed witch who just wants to help those in need and feel wanted in return.

The Faceless Woman by Emma Hamm - online free at Epub

The book is a retelling of the Swan Princess. I would say it has the elements of the original story but completely twisted in a way that you least expect. Aisling is a rather edgy and defensive character. She's not someone that's easily likeable from the start but once the backstory comes in, it makes sense why she is who she is.

The Faceless Woman by Emma Hamm | A Swan Princess

The book is a retelling of the Swan Princess. I would say it has the elements of the original story but completely twisted in a way that you least expect. Aisling is a rather edgy and defensive character. She's not someone that's easily likeable from the start but once the backstory comes in, it makes sense why she is who she is.

The Faceless Woman: A Swan Princess Retelling (4

The Faceless Woman: A Swan Princess Retelling: 4 (Otherworld) Emma Hamm. 4.7 out of 5 stars 74. Paperback. 6 offers from £13.55. Out of the other Otherworld books, I enjoyed The Faceless Woman, which is to have a sequel, as much as this first one. That is based on the Swan Princess fairy tale. Read more. Helpful.
