know God more intimately. Originally preached as sermons at Southside Alliance Church in Chicago, this first volume of The Attributes of God examines ten attributes of God. It also includes a study guide for an in-depth look at each attribute: Infinite Immense Good Just Merciful Gracious Omnipresent Immanent Holy Perfect Steeped in Scripture and filled with the Spirit, Tozer preached with striking clarity and power. The sense of his sermons comes through on every page, bringing the Word of God to bear upon you. "If a sermon can be compared to light, then A.W. Tozer released a laser beam from the pulpit, a beam that penetrated the heart." – Warren Wiersbe, former pastor of The Moody Church

What You Should Know about Islam's Holy Book How is it like the Bible? How is it different? Why is it important? Muslims believe the Koran exists as a literal book in heaven and was dictated to the prophet Muhammad by the angel Gabriel. It is only the length of the New Testament, yet a fifth of the world claims it is the complete revelation of God. To most Americans, though, the Koran remains a mystery. Did you know that the Koran teaches the virgin birth and miracle-filled, prophetic ministry of Jesus? Claims to fully embrace his teachings? Reveres Abraham, Moses, Jonah, and other biblical prophets? Find out how the Koran resembles the Bible—and the drastic ways in which it differs. Understanding the Koran gives you a fascinating essential grasp of Islam's holy book: where it came from, what it teaches, how Muslims view it, and how the Allah of the Koran compares with the God of the Bible. Cherished as the final, perfect revelation of God's will by 1.2 billion Muslims worldwide, the Koran has become a part of American life. Today, those who read and memorize it may work in your town, shop where you shop, or send their children to the same school your kids attend. What do you know about the holy book that shapes the lives and eternal destinies of your neighbors and a fifth of the world's population? While some similarities exist between the Koran and the Bible, the differences are striking. Written by a pastor who was born to a Muslim father and raised in Saudi Arabia, Understanding the Koran gives you a fascinating, easy-to-understand overview that will show you:

- Why the background behind the Koran is important
- How the Koran came into existence
- A summary of the main teachings of the Koran, including what it says about Jesus and the crucifixion
- Similarities and differences between Muslim and Christian views of God
- What the Koran teaches about Jihad and holy war
- What the Koran teaches about heaven and hell

More than furnishing you with an essential grasp of Islam's holy book, Understanding the Koran points you to the one thing that can draw your Muslim friends to Jesus—his love, demonstrated to them through you. Discussion questions enable you to use this book in group studies

How to be Filled with the Holy Spirit will refresh and open the reader to the filling of the Holy Spirit. Since its publication, hundreds of thousands of copies of this practical yet deeply devotional guide have been sold. "Are you sure you want to be possessed by a spirit other than your own? Even though that spirit be the pure Spirit of God? Even though He be the very gentle essence of the gentle Jesus? Even though He be wisdom personified, wisdom Himself? Even though He be as loving as the heart of God?"—A.W. Tozer

Belgic Confession

The Knowledge of the Holy' by A.W. Tozer illuminates God's attributes—from wisdom, to grace, to mercy—and in doing so, attempts to restore the majesty and wonder of God in the hearts and minds of all Christians. It teaches us how we can rejuvenate our prayer life, meditate more reverently, understand God more deeply and experience God's presence in our daily lives.

The Knowledge of the Holy Study Guide

"True and absolute freedom is only found in the presence of God."--A.W. Tozer Deep in the soul of every person on earth is a longing for the presence of God. But how do we get there? Experiencing the Presence of God is a never-before-published collection of teachings from A.W. Tozer on the book of Hebrews that shows us the way. Tozer, the renowned pastor and theologian, challenges our status quo, invites us to explore a fresh understanding of what it means to dwell in God's presence, and leads us to experience the divine fulfillment for which we were created! As Tozer says, "We should come to church not anticipating entertainment but expecting the high and holy manifestation of God's presence. . . . Worship is not some performance we do, but a presence we experience." Come alongside Tozer and enter into God's presence right now.

The Attributes of God

Many people believe in God and believe that God is everywhere, but they have yet to experience his presence. Delighting in God is the message Tozer intended to be the follow-up to 'The Knowledge of the Holy'. He demonstrates how the attributes of God—those things God has revealed about himself—are a way to understand the Christian life of worship and service. We are here to serve and adore him, but we can only fulfill that role by acknowledging who he is, which is the essence of the Christian life and the source of all our fulfillment, joy, and comfort. To understand who we are, we need to understand who God is. His very character and nature are reflected through us. Unless we fully grasp who we are, we'll never become all God wants us to be.

The messenger of Christ, though he speaks from God, must also, as the Quakers used to say 'speak to the condition' of his hearers; otherwise he will speak a language known only to himself. His message must be not only timeless but timely. He must speak to his own generation. "The message of this book is indeed both timeless and timely. Tozer is primarily concerned with the loss of the concept of 'majesty' from the popular mind and more importantly in the thinking of the church. He sees the church as having surrendered her once lofty concept of God - not deliberately, but little by little and without her knowledge. With this comes a

further loss of religious awe and a sense of the divine presence, of an appropriate spirit of worship and of our ability to withdraw inwardly to meet God in adoring silence." Tozer attempts to address this problem, to go back to the causes of the decline and to understand and correct the errors that have given rise to our loss of a sense of the holy. "It is impossible to keep our moral practices sound and our inward attitudes right while our idea of God is erroneous or inadequate" he tells us.

True religion confronts earth with heaven and brings eternity to bear upon time. The messenger of Christ, though he speaks from God, must also, as the Quakers used to say, "speak to the condition" of his hearers; otherwise he will speak a language known only to himself. His message must be not only timeless but timely. He must speak to his own generation. Tozer skillfully outlines the Attributes of God to draw his readers closer to God.

The Divine Conquest

Aiden Wilson Tozer (April 21, 1897 - May 12, 1963) was an American Christian pastor, preacher, author, magazine editor, and spiritual mentor. Tozer hailed from a tiny farming community in western La Jose, Pennsylvania. He converted to Christianity as a teenager, in Akron, Ohio; while on his way home from work at a tire company, he overheard a street preacher say, "If you don't know how to be saved just call on God, saying, 'Lord, be merciful to me a sinner.'" Upon returning home, he climbed into the attic and heeded the preacher's advice. In 1919, five years after his conversion and without formal theological training, Tozer accepted an offer to serve as pastor of his first church. That began 44 years of ministry, associated with the Christian and Missionary Alliance (C&MA), a Protestant Evangelical denomination, 33 served as a pastor in a number of churches. His first pastorate was in a small storefront church in Nutter Fort, West Virginia. Tozer also served as pastor for 30 years at Southside Alliance Church, in Chicago (1928 to 1959), and the final years of his life were spent as pastor of Avenue Road Church, in Toronto, Ontario, Canada. In observing contemporary Christian living, he felt the church was on a dangerous course toward compromising with "worldly" concerns. Born into poverty, Tozer was self-educated, due to his home situation, and he taught himself what he missed in high school and college. In 1950, Tozer received an honorary Doctor of Letters degree from Wheaton College. In May 1950, Tozer was elected editor of the Alliance Weekly magazine, now called Alliance Life, the official publication of the C&MA. From his first editorial, titled Quality vs Quantity dated June 3, 1950, he wrote, "It will cost something to walk slow in the parade of the ages, while excited men of time rush about confusing motion with progress. But it will pay in the long run and the true Christian is not much interested in anything short of that." In 1952, he received an

honorary LL.D. degree from Houghton College. Among the more than 60 books that bear his name, most of which were compiled after his death from sermons he preached and articles he wrote, at least two are regarded as Christian classics: The Pursuit of God and The Knowledge of the Holy. Many of his books impress on the reader the possibility and necessity for a deeper relationship with God. (wikipedia.org)

Understanding the Koran

Often quoted by Chuck Swindoll, Charles Stanley, Billy Graham and other great preachers, A. W. Tozer's words are being heard and read by millions today words like: "Origin is a creature word All things have an origin. But when you come back to God, you come back to the One who has not origin. He is the Cause of all things, the uncaused Cause. God is Transcendent." "You'll never find Him on your own He is far away in one sense, but in another He is as near as your heartbeat, for the cross has bridged the gulf." "If there is anything God could learn, it would mean that God didn't know it before. If he didn't know it before, then He didn't know everything, He wouldn't be perfect, and if He isn't perfect then He isn't God." The chapters of this book were originally preached as sermons at Avenue Road Church in Toronto, ON. Whether spoken or written, Tozer's words were designed to "promote personal heart religion" among God's people.

Sacred Knowledge

"A" Commentary Upon the Holy Bible, from Henry and Scott; with Occasional Observations and Notes from Others Writers

This book presents new translations of a selection of Latin and French pilgrimage texts - and two in Greek - relating to Jerusalem and the Holy Land between the fall of Jerusalem to Saladin in 1187 and the loss of Acre to the Mamluks in 1291. It therefore complements and extends existing studies, which deal with the period from Late Antiquity to Saladin's conquest. Such texts provide a wealth of information not only about the business of pilgrimage itself, but also on church history, topography, architecture and the social and economic conditions prevailing in Palestine in this period. Pilgrimage texts of the 13th century have not previously been studied as a group in this way; and, because the existing editions of them are scattered across a variety of rather obscure publications, they tend to be under-utilized by historians, despite their considerable interest. For instance, they are often more original than the texts of the 12th century, representing first-hand accounts of travellers rather than simple reworkings of older texts. Taken together, they document the changes that occurred in the pattern of pilgrimage after the fall of Jerusalem in 1187, during its brief reoccupation by the Franks between 1229 and 1244, and during the period from 1260 onwards when the Mamluks gradually took military control of the whole country. In the 1250s-60s, for example, because of the difficulties faced by pilgrims in reaching Jerusalem itself, there developed an alternative set of holy sites offering indulgences in Acre. The bringing of Transjordan,

southern Palestine and Sinai under Ayyubid and, later, Mamluk control also encouraged the development of the pilgrimage to St Catherine's monastery on Mount Sinai in this period. The translations are accompanied by explanatory footnotes and preceded by an introduction, which discusses the development of Holy Land pilgrimage in this period and the context, dating and composition of the texts themselves. The book concludes with a comprehensive list of sources and a detailed index.

Guide to the Understanding of the Holy Scriptures, and The Unity of Church: Two Sermons

"This little book of the spiritual way has not been 'made' in any mechanical sense; it has been born out of inward necessity. At the risk of getting myself into doubtful company I might claim for myself the testimony of Elihu, the son of Barachel the Buzite, of the kindred of Ram, 'For I am full of matter, the spirit within me constraineth me'. And his fear that if he did not speak he must, as a new bottle, 'burst asunder' is well understood by me. The sight of the languishing church around me and the operations of a new spiritual power within me have set up a pressure impossible to resist. Whether or not the book ever reaches a wide public, still it has to be written if for no other reason than to relieve an unbearable burden on my heart."

Delighting in God

Sacred Knowledge is the first well-documented, sophisticated account of the effect of psychedelics on biological processes, human consciousness, and revelatory religious experiences. Based on nearly three decades of legal research with volunteers, William A. Richards argues that, if used responsibly and legally, psychedelics have the potential to assuage suffering and constructively affect the quality of human life. Richards's analysis contributes to social and political debates over the responsible integration of psychedelic substances into modern society. His book serves as an invaluable resource for readers who, whether spontaneously or with the facilitation of psychedelics, have encountered meaningful, inspiring, or even disturbing states of consciousness and seek clarity about their experiences. Testing the limits of language and conceptual frameworks, Richards makes the most of experiential phenomena that stretch our understanding of reality, advancing new frontiers in the study of belief, spiritual awakening, psychiatric treatment, and social well-being. His findings enrich humanities and scientific scholarship, expanding work in philosophy, anthropology, theology, and religious studies and bringing depth to research in mental health, psychotherapy, and psychopharmacology.
