The Southern Book Club's Guide to Slaying Vampires

11 tales, translated by Burton from the Sanskrit Baital-Pachisi, or 25 Tales of a Baital, "hung on [the] thread" of the "laughable" difficulties faced by King Vikram, "the King Arthur of the East," as he and his son attempt to bring a baitel (vampire) to a magician. Cf. Isabel Burton's "Preface" to the 1893 Memorial Ed., p. xi.

The Passage

Free Copy PDF The Night Firm A Vampire Romance

Nine-year-old Tony loves ghosts and horror stories, but when he's left home alone one night, he gets quite the fright as Rudolph the little vampire flies in! Soon the two are firm friends (when Rudolph isn't trying to bite Tony). Tony even visits the little vampire's Family Vault in the graveyard where he narrowly escapes the clutches of Rudolph's fearsome Great-Aunt Dorothy. But what will happen when Tony's parents try to invite his new friend for dinner?

Under a Vampire Moon

'When the monsters are involved, it's never just one dead body. One way or another the dead multiply.' First, there were the dead in the graveyard, two hundred years dead. I'd been hired to raise them to settle a dispute over who owned the land they were buried in. Then there were the three dead teenagers in the woods, slaughtered in a way I'd never seen before. And then they found the dead girl, drained of blood and left in her bed. I knew what that meant of course. It didn't take a degree in preternatural studies to figure out that something was wrong. And I was right in the middle of it. My name is Anita Blake. Welcome to my life

Dracula

One eventful night will change the lives of three friends forever The Travelling Vampire Show is one of Richard Laymon's best-loved masterpieces - an evocative, nostalgic trip back to a time when innocence comes face to face with life's darker forces. Perfect for fans of Stephen King

and Dean Koontz. 'This gloriously inventive piece is probably Laymon's best book yet The prose here is rich and inventive, the atmosphere and scene-setting handled with real aplomb' - News International It's a hot August morning in 1963. All over the rural town of Grandville, tacked to power poles and trees, taped to store windows, flyers have appeared announcing the one-night-only performance of The Travelling Vampire Show. The promised highlight of the show is the gorgeous Valeria, the only living vampire in captivity. For three local teenagers, two boys and a girl, this is a show they can't miss. Even though the flyers say no one under eighteen will be admitted, they're determined to find a way. What follows is a story of friendship and courage, temptation and terror, when three friends go where they shouldn't go, and find much more than they ever expected. What readers are saying about The Travelling Vampire Show: 'The final scenes are filled with excitement and were enough to keep me awake until I'd finished the story - I don't think I could have put it down until I'd found out what happened and what was going on!' 'Just when you think that you have the storyline figured out, it twists and hurtles into a surprise ending' 'Expertly written, great dialogue, keeps you engrossed to the end'

The Crown of Light

Sookie's got just a month, before the next full moon, to find out who wants her brother dead - and to stop the fiend! Sookie Stackhouse enjoys her life, mostly. She's a great cocktail waitress in a fun bar; she has a love life, albeit a bit complicated, and most people have come to terms with her telepathy. The problem is, Sookie wants a quiet life - but things just seem to happen to

her and her friends. Now her brother Jason's eyes are starting to change: he's about to turn into a were-panther for the first time. She can deal with that, but her normal sisterly concern turns to cold fear when a sniper sets his deadly sights on the local changeling population. She's afraid not just because Jason's at risk, but because his new were-brethren suspect Jason may be the shooter. Sookie has until the next full moon to find out who's behind the attacks - unless the killer decides to find her first. The Sookie Stackhouse books are delightful Southern Gothic supernatural mysteries, starring Sookie, the telepathic cocktail waitress, and a cast of increasingly colourful characters, including vampires, werewolves and things that really do go bump in the night.

Carnal Thirst

Vampire royals strategise at 2 am. Last week, I inherited every cent of the multi-billion-dollar Le Spyre estate. But tequila is far easier to swallow than the coincidence of my beloved grandmother's death. I'm over this supernatural game, yet walking away from Kyros isn't simple with the damn mate thing on the cards. The Indebted need my help. My grandmother deserves justice. And, uhm, the third blood exchange did something to me. It's official. I'm done playing by paranormal rules. I'm making my own--and playing to win. Because if I enter Ingenium on my terms, there's no turning back. Winning is the only option. If you can't get enough of books by Ilona Andrews, Linsey Hall, McKenzie Hunter, Patricia Briggs, Shayne Silvers, Jenna Wolfhart, and Dannika Dark, then roll the dice and get ready to play for your life. Next stop, Vampire Towers!

The Little Vampire

The Andromeda Strain meets The Stand in this startling and stunning thriller that brings to life a unique vision of the apocalypse and plays brilliantly with vampire mythology, revealing what becomes of human society when a top-secret government experiment spins wildly out of control. At an army research station in Colorado, an experiment is being conducted by the U.S. Government: twelve men are exposed to a virus meant to weaponize the human form by supercharging the immune system. But when the experiment goes terribly wrong, terror is unleashed. Amy, a young girl abandoned by her mother and set to be the thirteenth test subject, is rescued by Brad Wolgast, the FBI agent who has been tasked with handing her over, and together they escape to the mountains of Oregon. As civilization crumbles around them, Brad and Amy struggle to keep each other alive, clinging to hope and unable to comprehend the nightmare that approaches with great speed and no mercy. . . From the Hardcover edition.

Vampire Huntress

From the USA Today bestselling author of Vampire Girl comes a new vampire romance that will suck you in and leave you wanting more. The Night Firm? Why is the interview in the middle of the night? Why are the four Night brothers so inhumanely sexy? And was that a black unicorn she just saw? Nothing makes sense. But she takes the job anyway rather than risk being homeless. Now, she's surrounded by vampires, she's trying not to fall for her bosses, and she has to defend the most notorious vampire of all time. Dracula. After all, even monsters deserve a fair trial. But will Eve survive the Otherworld? And will she be able to save the Night brothers from themselves?

I Am the Storm

The Winter Witch

Roundhouse Publishing editor Kate C. Leever's first letter to her new author was meant to impress upon him the growing demand for vampire romances. And even though he'd expressed little-to-no desire for any publicity, book tours, or similar, it was clear this was an author just waiting to be broken out - despite himself, if necessary. When she suggested attending a romance convention his response - unusually quick to arrive - was succinct: 'No.' But Kate was adamant: Mr Lucern Argeneau was going to attend a romance convention and meet his fans. By hook or by crook, despite his reclusive nature and odd sleep patterns, the surly yet handsome author would attend. And she was sure that, once there, he would reveal himself to be a true charmer. Of course, that was before she realised that his 'romances' were

The New York Times Best Seller #1 April LibraryReads Pick April Indie Next Pick Goodreads Big Book of Spring Steel Magnolias meets Dracula in this '90s-set horror novel about a women's book club that must do battle with a mysterious newcomer to their small Southern town, perfect for murderinos and fans of Stephen King. Patricia Campbell's life has never felt smaller. Her husband is a workaholic, her teenage kids have their own lives, her senile mother-in-law needs constant care, and she's always a step behind on her endless to-do list. The only thing keeping her sane is her book club, a close-knit group of Charleston women united by their love of true crime. At these meetings they're as likely to talk about the Manson family as they are about their own families. One evening after book club, Patricia is viciously attacked by an elderly neighbor, bringing the neighbor's handsome nephew, James Harris, into her life. James is well traveled and well read, and he makes Patricia feel things she hasn't felt in years. But when children on the other side of town go missing, their deaths written off by local police, Patricia has reason to believe James Harris is more of a Bundy than a Brad Pitt. The real problem? James is a monster of a different kind--and Patricia has already invited him in. Little by little, James will insinuate himself into Patricia's life and try to take everything she took for granted--including the book club--but she won't surrender without a fight in this blood-soaked tale of neighborly kindness gone wrong.

The Age of Innocence

Free Copy PDF The Night Firm A Vampire Romance

A look at the forgotten ancestors of the modern-day vampire, many of which have very different characteristics • Looks at the many ancestral forms of the modern vampire, including shroud eaters, appesarts, and stafi • Presents evidence for the reality of this phenomenon from pre-19th-century newspaper articles and judicial records Of all forms taken by the undead, the vampire wields the most powerful pull on the modern imagination. But the countless movies and books inspired by this child of the night who has a predilection for human blood are based on incidents recorded as fact in newspapers and judicial archives in the centuries preceding the works of Bram Stoker and other writers. Digging through these forgotten records, Claude Lecouteux unearths a very different figure of the vampire in the many accounts of individuals who reportedly would return from their graves to attack the living. These ancestors of the modern vampire were not all blood suckers; they included shroud eaters, appesarts, nightmares, and the curious figure of the stafia, whose origin is a result of masons secretly interring the shadow of a living human being in the wall of a building under construction. As Lecouteux shows, the belief in vampires predates ancient Roman times, which abounded with lamia, stirges, and ghouls. Discarding the tacked together explanations of modern science for these inexplicable phenomena, the author looks back to another folk belief that has come down through the centuries like that of the undead: the existence of multiple souls in every individual, not all of which are able to move on to the next world after death.

The Vampire's Mark 1

From #1 New York Times bestselling author Anne Rice, this sensuously written spellbinding

classic remains 'the most successful vampire story since Bram Stoker's Dracula' (The Times) In a darkened room a young man sits telling the macabre and eerie story of his life - the story of a vampire, gifted with eternal life, cursed with an exquisite craving for human blood. Anne Rice's compulsively readable novel is arguably the most celebrated work of vampire fiction since Bram Stoker's Dracula was published in 1897. When Interview with the Vampire was originally published the Washington Post said it was: called Interview with the Vampire a 'thrilling, strikingly original work of the imagination . . . sometimes horrible, sometimes beautiful, always unforgettable'. Now, more than forty years since its release, Anne Rice's masterpiece is more beloved than ever.

Vikram and the Vampire

A sizzling vampire adventure in the Caribbean from the New York Times bestselling author Having escaped her horrible marriage, Carolyn Connor has no desire to think about men - a vow she's determined to keep while on vacation in St. Lucia. Easy enough, until she meets the charming Marguerite Argeneau, who is infamous for her matchmaking prowess. Christian Notte knows the power of finding a life mate. He's seen enough of his Argeneau relatives taken out for the count, but he never imagined he'd let himself fall in love. Not until he meets the enthralling, charmingly skittish, and oh-so-mortal Carolyn. But how can he reveal his true nature and still convince this once-bitten mortal to trust him with her heart and with her forever?

Single White Vampire

Four blood-sucking princes. A beautiful anarchist. One dangerous mistake. To the vampires who dominate each quadrant of the Lydian Dynasty, I'm only known as "Blackbird"-a masked vigilante who, at nineteen, is already public enemy number one. To what's left of humanity, I've been called a superhero, a title I neither welcome nor deserve. My only objective is to offer the enslaved what was stolen from us Freedom. However, a failed plan lands me in the last place I imagined, at the mercy of all four Dynasty princes-Julian, Levi, Roman, and Silas. They're monsters, each with a heart rumored to be as cold as his icy skin. And what's worse, thanks to the slip-up, my fate is suddenly theirs to decide. It's up to them whether I'll swing from the gallows, and I've given them every reason to sentence me to such a fate. Yet, I felt something unexplainable when our paths first crossed. Something that gives me hope. We should be one another's worst nightmare. Only, I'm beginning to wonder if, somehow these four princes might be my saving grace. ****"This is a TOTALLY DIFFERENT take on the Vampire Realm. Boy oh

Never believed that the dark could be scary. Until that night. Now I know the truth, but it is shrouded with lies. Now I can see the world in color, but it is covered in shadows. Now, I must find the monster that killed my parents. And when I do, I will use my new powers to seek vengeance. A life for the lives that beast stole from me. I am no longer just Scarlett Night, the color-blind girl who dreams of flying. Now, I am Nightfall--a fallen angel with a lust for blood. And I shall have my revenge.

The Secret History of Vampires

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. Stuntwoman Dawn Madison reluctantly joins her estranged father's investigation into the sighting of a supposedly dead child star, an endeavor for which she relocates to Hollywood and discovers an erotic underground coven of vampires. Reprint.

Night Watch

They are the "Others," an ancient race of supernatural beings—magicians, shape-shifters, vampires, and healers—who live among us. Human born, they must choose a side to swear allegiance to—the Dark or the Light—when they come of age. For a millennium, these opponents have coexisted in an uneasy peace, enforced by defenders like the Night Watch, forces of the Light who guard against the Dark. But prophecy decrees that one supreme "Other" will arise to spark a cataclysmic war. Anton Gorodetsky, an untested mid-level Light magician with the Night Watch, discovers a cursed young woman—an Other of tremendous potential unallied with either side—who can shift the balance of power. With the battle lines between Light and Dark drawn, the magician must move carefully, for one wrong step could mean the beginning of annihilation.

Court of Nightfall

I am Nightfall. I am your worst nightmare and your best friend. I am the keeper of secrets and the teller of lies. I thought revenge was my only motive. I was wrong.

Interview With The Vampire

From the USA Today bestselling author of Vampire Girl comes a new vampire romance that will suck you in and leave you wanting more. When Eve Oliver finds a strange help wanted ad in the newspaper, she applies, desperate to pull her life back together after the suicide of her twin brother. But the interview itself leads to some serious questions. What kind of company is The Night Firm? Why is the interview in the middle of the night? Why are the four Night brothers so inhumanly sexy? And was that a black unicorn she just saw? Nothing makes sense. But she takes the job anyway rather than risk being homeless. Now, she's surrounded by vampires, she's trying not to fall for her bosses, and she has to defend the most notorious vampire of all time. Dracula. After all, even monsters deserve a fair trial. But will Eve survive the Otherworld? And will she be able to save the Night brothers from themselves?

I Am the Wild

A millennia-long war between two immortal races is about to come to an end. Long ago, the Vampire Elite began capturing the immortals called the Amiti, attracted by their unique blood properties. Now most Amiti live in underground cells, forced to serve as vampires' bloodstock.

The few surviving free Amity, preparing a final strike, have declared the Amity Queen a traitor. Her execution makes possible the rise of a new Queen, her young daughter Arianna, who will inherit her mother's mystical powers. Working with the Keepers of the Key, Arianna may be able to eliminate the vampires, once and for all, from the face of the earth. The new Queen is the last hope to save her dying race, and she's ready to fight to the last drop of her blood. But the King of the Vampires has other plans. What neither expects is the passion that erupts between them.

Silver Flame

I lived a pretty ordinary life—a kid raised in my family's bar who went off to college to escape the small-town life. But when my grandfather died and I returned to take over the family business, I discovered a much more extraordinary world waiting for me. Vampires, werewolves and fae are real. And they want my baby. They say my daughter is meant to fulfill a prophecy related to the end of all magical creatures, but since saving them involves killing her, they're going to have to figure out another way. They're not getting my kid. Now, I'm on the run from three kingdoms on the brink of war as I seek to discover the truth of my heritage and the key to controlling my new powers. With three princes by my side, we just might stand a chance of saving Rain and also finding a way to save everyone else. The answers I seek are in Budapest, but death seems to be following me wherever I go, even across the world.
