My heart hasn't beat in a thousand years. I haven't uttered a word in prison, and the guards keep their distance. If they get too close, they die--until at last, my magic binds my soul to another. Unfortunately, the person destined to save me is a Night Elf--the enemy of my kind. And yet, when I see her in the cell across from mine, an ember starts to burn in my chest. When we escape together down the palace walls, it's almost like I can feel again. As we journey to find the magic that will save us both, attraction simmers between us. But I keep my secrets close. Because if she finds out what I am, she will find a way to kill me--even if it means sacrificing herself to do it.

A Commentary on the Holy Scriptures

The Greek God of the Underworld has turned my life completely upside-down and made me question everything I thought I knew about my life. And now I don't even know who I am anymore. An internal war rages inside me, as I try to balance my need for more magic with the knowledge of what power does to people in Olympus. What it may have done to me in the past. The one thing I do know though, is that my feelings for Hades are real. The Lord of the Dead is so much more than I ever realized, and something inside me knows that I need him as much as he needs me. But

courtroom. Her high pressure job has her working hard, and partying even harder. She runs through men faster than her first martini of the night, leaving them with nothing but a lipstick stain in the morning. Her career is reaching its peak and after putting in the hard yards for the last twelve months, she's ready to reap the rewards. It's too bad she never saw John Baxter coming. John has never met a woman like Natasha before. With fire-red hair and a body that deserves to be worshiped, it's lust at first sight. Getting hooked was never part of the plan, but life has a funny way of giving you exactly what you crave.

The Epic of Hades

The Promise of Hades

“A healthy dose of action, a strong thread of humor and just a touch of romance” (VOYA, starred review). A teen who is half-god, half-human must own her power whether she likes it or not in this snappy, snarky novel with a serving of smoldering romance that Kirkus Reviews calls “a dark, slyly funny read.” Zephyr Mourning has never been very good at being a Harpy. She’d rather watch reality TV than learn forty-seven ways to kill a man, and she pretty much sucks at wielding magic. Zephyr was ready for a future pretending to be a normal human instead of a half-god assassin. But all that changed when her sister was murdered—and Zephyr used a forbidden dark power to save herself from the same fate. On the run from a punishment worse than death, an unexpected reunion with a childhood friend upends Zephyr’s world—and not only because her old friend has grown surprisingly, extremely hot. It seems that Zephyr might just be the Nyx, a dark goddess that is prophesied to shift the power balance: for hundreds of years the half-gods have lived in fear, and Zephyr is supposed to
