The world's first arts festival dedicated to fertility, infertility, the science of making babies and modern families. Founded by Jessica and now in its fourth year.

The Pursuit of Motherhood by Jessica Hepburn (2014)

In my case, my unrequited pursuit of motherhood. And although I am proud to be called a fertility campaigner these days (as I was when I was on Radio 4's You & Yours this week telling the fertility industry what they need to do better) my book is about far more than my pursuit of motherhood and unsuccessful IVF.

The Pursuit of Motherhood by Jessica Hepburn

The Pursuit of Motherhood takes the reader on a seven year journey, as Jessica makes her way through various different clinics and multiple rounds of IVF. During this time she also goes to many alternative and sometimes absurd lengths to understand her infertility, from visiting a psychic tarot card reader to attending an intense therapeutic process to discover whether her "inner child" has anything to do with it.

Jessica Hepburn: The Pursuit of Motherhood - Babble Wellness

'I have just read The Pursuit of Motherhood in under 24 hours, I could not put it down. It felt like having a long intimate conversation with the author or having stumbled across her diary and once you join her on the rollercoaster ride of trying, and failing, to start a family, you are desperate to see if there is a happy ending.
